"Peg" Margaret Connealy

I am a retired educator, working in Nebraska, Germany, and Colorado through a 37 year career. I was an elementary teacher, secondary science, and finally an elementary principal. I have been a member of a local Foster Care Review Board since the 1990s, serving once on the State Board. I have worked with many families in crisis throughout my school career, and have been interested in mediation as a way to make life better for children in difficult family situations such as divorce, abuse, neglect, and poverty.
