## **Kristin Contryman**

In May 2011, I graduated from Creighton University with a Master of Science in Negotiation and Dispute Resolution through the Werner Institute. During graduate school, I did my practicum at the Douglas County District Court Conciliation and Mediation Services. While there, I participated in reviewing parenting plans, observed parenting plan mediations and created website documents explaining the law and mandatory mediation process required under the Nebraska Parenting Act and Douglas County District Court Rule 4.3 D. In August 2011, I completed my Family Mediation Training and have completed my three apprenticeship Parenting Act mediations.
