## Vincent Dowding

I have been in the general practice of law for over 49 years. I graduated from Nebraska Law School in 1965. I was second in my class and am a member of the Order of the Coif. I received a Juris Doctor Degree with high distinction. For the first 45 years, over one-half of my practice was in the family law area (divorce and dissolution). For the last 10 years I have been acting as a mediator in parenting plan cases and other civil cases. I have not kept an accurate total of the cases I have mediated, but I believe the total exceeds 150 with approximately 40-50% being parenting plan cases.
