Elizabeth Jorgenson

I am an attorney in Gothenburg with over 13 years of experience, primarily in the area of employment law, but also estate planning, juvenile, family and adoptions. Since taking the basic mediation (2011), family mediation (2012), and specialized alternative dispute resolution training (2013), I have mediated cases through the Central Mediation Center in Kearney, as well as through private practice. For more information, please see my website: www.jorgensonlaw.com.
