Katy Reichert

My maiden name is "Anderson." I have been a family law attorney in the panhandle for almost 4 years. I always encourage my clients to resolve their cases by agreement as I believe it results in better outcomes for them and their families in the long run. I did my basic mediation training at Phoenix Strategies in Colorado Springs, Colorado in September of 2015. I did the family law mediation training in Kearney in November of 2015 and the SADR training in Omaha in June of 2016. I have been doing my apprenticeship at Mediation West in Scottsbluff where I have co-mediated approximately 6 cases.
