Karen Vervaecke

I have been mediating since 1993 and practicing law since 1988. I was a Court approved parenting act mediator prior to my leaving NE in 2002 and mediated many cases .Additionally, I am a Florida Supreme Court Certified Mediator in the following areas: County Court; Circuit/Civil (the equivalent of District Court); and Family. There is not a certification process for the Residential Foreclosure Meditations, but I have completed all of the training and mediate foreclosures on a regular basis. I am also a Florida Supreme Court Qualified Arbitrator.
