Case Summary

A-15-1024, John Perea v. Ricardo Gomez, Jr. (Appellant)

Douglas County, District Court Judge James T. Gleason

Attorney for Appellant: Jordan W. Adam (Fraser, Stryker PC LLO)

Attorney for Appellee: Terrence J. Salerno, Danny C. Leavitt

Civil Action: Negligence

Action Taken by Trial Court: Ricardo Gomez, Jr., was the driver of a vehicle involved in an accident with a motorcycle driven by John Perea. The jury returned a verdict in Perea's favor. The trial court overruled Gomez's objections to the jury instructions.

Assignments of Error on Appeal: Gomez argues that the district court gave an erroneous and inconsistent jury instruction regarding how the jury should consider Perea's speed in determining comparative negligence.
