**Case Summary**

S-18-0365, In the Matter of Pinnacle Enterprises, Inc. (Appellant) v. City of Papillion, Nebraska (Appellee)

Sarpy County District Court, Judge George A. Thompson

Attorneys: Jason M. Bruno and James L. Schneider (Sherrets Bruno & Vogt, LLC) for Appellant; Daniel J. Fischer and Julie A. Ward (Koley Jessen P.C., L.L.O.), Karla R. Rupiper, and Amber L. Rupiper for Appellee

Civil: Condemnation Proceeding

Proceeding Below: The trial court dismissed the appeal of a condemnation proceeding from the county court for lack of subject matter jurisdiction.

Issues: Whether the district court erred in 1) dismissing the appeal for lack of jurisdiction; and 2) refusing to issue sanctions against Papillion for moving for summary judgment on the basis of evidence previously precluded in limine.
