Case Summary

S-18-0922 Christine L. Wilwerding (Appellant) v. Trevor A. Wilwerding

Washington County Juvenile Court, County Court Judge C. Matthew Samuelson

Attorneys: Scott V. Hahn (Hightower Reff Law, for Appellant) --- no brief filed by Appellee (father)

Civil: Jurisdiction; Transfer; Termination

Proceedings below: The juvenile court denied the transfer of the case for lack of subject matter jurisdiction.

Issues: Whether the trial court erred in denying subject matter jurisdiction based on its application of Neb. Rev. Stat. § 43-292.02(3) when ordering that a petitioner seeking to terminate parental rights must comply with Neb. Rev. Stat. §43-292.02(3)(a) and (b) or (c).
