Case Summary

S-18-1103 State of Nebraska v. Dann E. Nelms (Appellant)

Dundy County Court, Judge David W. Urbom

Attorneys: Matthew Lewis (Office of the Attorney General, for Appellee) --- George M. Zeilinger (Attorney for Appellant)

Criminal: Probation revocation

Proceedings Below: The trial court found that the Appellee had proven by clear and convincing evidence that the Appellant had violated his probation order by failing to complete the term of the probation order requiring him to serve all ten days of incarceration prior to the end of his probationary period.

Issues: Whether the trial court erred in determining that the Appellee had presented sufficient evidence at the November 1, 2018 hearing to prove that the Appellant had violated a condition of his probation order by serving only three days of the ten days of incarceration he was required to serve prior to the end of his probation.
