Case Summary

S-18-1196 State v. Jason D. Roberts (Appellant)

Pierce County District Court, Judge James Kube

Attorneys: Melissa Wentling (Wentling Law Office, for Appellant) --- Nathan Liss (Office of the Attorney General, for Appellee)

Criminal: Plea; Post-release supervision

Proceedings below: The issue before the court was the calculation of the remaining term of post-release supervision (PRS). The court found the PRS terms were to run consecutively, as the sentences were imposed. Therefore, since Appellant's PRS was revoked for violating his conditions of PRS, his jail time would be the total time he was to serve on PRS, not just one term.

Issues: Whether the trial court erred in finding that Appellant's remaining period of PRS commenced on March 18, 2018, thereby imposing an excessive sentence that exceeded the maximum sentence under Neb. Rev. Stat. § 28-105.
