

O'Neill-Understanding Youth Populations with Low-Cognitive Disorder and Mental Illness

Tuesday, February 11, 2020 - 9:00am to 4:00pm

O'NEILL

NORTHEAST COMMUNITY COLLEGE | 505 US-20, O'NEILL, NE

Tuesday, February 11 from 9:00 A.M. ? 4:00 P.M. (check-in and continental breakfast served from 8:30 ? 9:00)

Click here to register for February 11 in O'Neill (\$20)

Presented by: Bill Reay, Ph.D. and president, Omni Inventive Care, Omaha NE

In this all-day workshop, registrants will gain techniques and strategies for working with clients affected by co-occurring I/DD and mental health disorders, understand the prevalence of co-occurring I/DD and mental health disorders, EBP adaptations, using assessment tools to measure progress, treatment planning, medication management, and working with caregivers and psychiatrists.

Intended audience: mental health therapists, probation workers, case managers, providers, direct care staff, criminal justice and law enforcement, community stakeholders, and family members.

\$20 registration fee includes continental breakfast, light afternoon snack, and 5.5 social work/mental health and criminogenic approved CEUs.
