

Nebraska City-Understanding Youth Populations with Low-Cognitive Disorder and Mental Illness

Tuesday, February 18, 2020 - 9:00am to 4:00pm

NEBRASKA CITY

**MORTON-JAMES PUBLIC LIBRARY (NORTH MEETING ROOM) | 923 1ST CORSO,
NEBRASKA CITY, NE**

Tuesday, February 18 from 10:00 A.M. ? 5:00 P.M. (check-in and continental breakfast served from 9:30 ? 10:00)

[Click here to register for February 18 in Nebraska City \(\\$20\)](#)

Presented by: Bill Reay, Ph.D. and president, Omni Inventive Care, Omaha NE

In this all-day workshop, registrants will gain techniques and strategies for working with clients affected by co-occurring I/DD and mental health disorders, understand the prevalence of co-occurring I/DD and mental health disorders, EBP adaptations, using assessment tools to measure progress, treatment planning, medication management, and working with caregivers and psychiatrists.

Intended audience: mental health therapists, probation workers, case managers, providers, direct care staff, criminal justice and law enforcement, community stakeholders, and family members.

\$20 registration fee includes continental breakfast, light afternoon snack, and 5.5 social work/mental health and criminogenic approved CEUs.
