

Revisor's note.

The Nebraska Revised Code of Judicial Conduct is placed in the Nebraska Court Rules at Chapter 5, Judges, Article 3, Nebraska Revised Code of Judicial Conduct. As with the Nebraska Rules of Professional Conduct, the Nebraska Revised Code of Judicial Conduct has been codified by section numbers reflecting its location at Chapter 5, Article 3, but will retain the 1.1 through 4.5 numbering system used in the 2007 ABA Model Code of Judicial Conduct which was the prototype for the Nebraska Revised Code. Thus, for example, Rule 1.1 of the 2007 ABA Model Code becomes Neb. Rev. Code of Judicial Conduct § 5-301.1, and Rule 4.5 becomes § 5-304.5. References within the Rules and the Comments remain unchanged so, for example, the reader may interpret a reference to Rule 2.3 and find it at Neb. Rev. Code of Judicial Conduct § 5-302.3.
