

§ 6-607. Multiple copies.

If a filing requires an original and multiple copies of the original, and when the aggregate number of pages in the original and multiple copies exceeds the page limit specified in § 6-606, only the original, which does not exceed the specified page limit, shall be filed by fax transmission. The required multiple copies of the original shall be delivered to the clerk of the receiving court within five days after fax transmission of the original. Delivery of multiple copies to the clerk at the receiving court within the five-day period constitutes filing the multiple copies on the date that the original fax-transmitted document was filed in the receiving court.
