Introduction

Internet filing of your continuing legal education (CLE) applications for accreditation and course approval requests is available through the MCLE web site on the Internet. Internet filing of your applications will significantly reduce the overall time required for transmission and processing of your applications, avoid the need to prepare paper checks to pay accreditation fees, and place a more complete set of program information on the commission web site for viewing by prospective lawyer attendees. There is no additional charge for Internet filing.
General Instructions on Using Professional Regulation Online Access

Browser: The site has been tested most extensively using Internet Explorer as a browser. Firefox, Slimbrowser, Opera and other browsers should function also, but have not been tested as extensively.

Screen Size: The optimum screen resolution for viewing and using the web pages on the site appears to be 1024 by 768, with your text size set at medium in Internet Explorer. It is possible to use the web pages on the site at a screen resolution of 800 by 600 if your text size is set at the smallest setting, but you will find it necessary to scroll left and right to view and use some of the pages. If you find a page display slightly jumbled or not completely visible, this is an indication that you need to reduce your text size or boost your screen resolution.

Screen Narratives: Narrative instructions are provided for most web pages, generally at the bottom of the page. In addition, many functions have an initial instruction or advisory page that will be presented before you actually begin the process. A careful reading of these narratives, especially the first time you perform a function, may assist you.

Payment of Fees: Fees associated with your applications are payable at the time an application is submitted. The MCLE Commission web site will accept payment by credit card, so you will want to have your credit card information available when you file your applications.

If You Want to Stop a Process: At any time you can halt a process you are attempting to complete on the site and return to the menu of options available to you, by clicking on the entry “My Account Page for Sponsor” where it appears on the menu on the left side of your screen.

If You Need Help: General assistance with logging in to the site, password changes, misplaced or forgotten passwords, or the credit card payment mechanism, is available during working hours by contacting the MCLE Commission at 402-471-3137.

The Accreditation Process – The required information that must be uploaded is outlined on the screen below. A receipt for the e-payment will appear.
Submit a CLE Program (for Approval)

Whether a sponsor chooses to be accredited, or just submit classes for approval when offered in Nebraska, you must use the “Submit a CLE Program” each time you offer an approved class to Nebraska attorneys.

By choosing this option the “Submit CLE Program” screen will appear as below. It details the information needed to submit a program.
This process allows a sponsor to submit a program and associated class sessions for approval by the Nebraska MCLE Commission. CAUTION: At least one class session must be created for each program. You may add as many classes as you want to one program. The type of class session may vary. For example, the program might have a live class session, a satellite transmission to multiple locations, a live webcast class, or a delayed or on-demand webcast class.

The required fields include Program Name, Description, Enrollment Fee, Sponsor, Dates, City, State, Address, Telephone Number, Credit Requested and Class Type. Also, at least one attachment must be uploaded. Generally, this will be the agenda or brochure for the program, which should include sufficient detail regarding the schedule and content to allow the Commission to make an informed determination regarding both seminar content and actual instruction time. The sponsor also may want to upload the outlines for sessions for which professional responsibility credits are sought, especially if the general brochure or agenda does not specifically describe the professional responsibility content. Sponsors are asked not to upload outlines for seminars in their entirety.
Attachments uploaded by the sponsor will be available to the public, including lawyers browsing the database of CLE programs in search of classes to attend.

The "Area of Law" designation is optional, and is collected only as an aid to lawyers seeking programs or classes pertaining to particular subject matter. The "Credit Minutes Requested" and "Professional Responsibility (PR) Minutes Requested" should be completed with the sponsor's calculation of the total actual instruction time and total actual legal PR instruction time, respectively. Time used for breaks, meals, introductory remarks and concluding remarks should not be counted when calculating instruction time. Additional information regarding the course approval policies of the Commission is available at the Commission's general web page: https://mcle.wcc.ne.gov/ext/

A $25 application fee will be payable with your application by credit card, later in the application process if you are an accredited sponsor, otherwise a $50.00 application fee will be payable with your application. The credit card screen will correctly reflect the fee owed. The fee must be paid each time the program offered in a different format and/or at a different time or location.

During Step 2 of the process, you will review your submission for accuracy, and then submit it to the commission for review. Please review the information shown on the page, which will be similar to the one shown to the right. If some of the data is incorrect, please click on the 'Back' button to go to the previous page and correct the data. If all of the information is correct, please click the "Continue" button.

The credit card payment screen will appear as shown below. Once you have completed the information requested on this screen, click "Submit" to make the payment and submit the program for review.
Once you have submitted the program, you will be shown a confirmation screen. A sample confirmation screen is shown below. You may print a copy for your records using your browser controls. Clicking the “Go to My Account” button will return you to the main menu.
