

Probation Service Definition

ADMINISTRATIVE OFFICE OF THE COURTS & PROBATION

Service Name	Continuous Alcohol Monitoring <input type="checkbox"/> Adult <input checked="" type="checkbox"/> Juvenile
Category	Supportive Service (non-clinical, non-treatment)
Setting	Community-based
Facility License	Licensure is not required for this service
Service Description	<p>Continuous Alcohol Monitoring (CAM) device is a tamper-resistant ankle bracelet that measures the youth's perspiration for the presence of alcohol excreted through the skin. It is a supervision tool appropriate when the youth:</p> <ul style="list-style-type: none"> • Is involved in substance use treatment • Has an extensive history of alcohol-related incidents • Demonstrates continued use of alcohol despite undesired consequences and shows an unwillingness/inability to discontinue its use • Is unable/unwilling to maintain a substantial period of abstinence despite current legal involvement/supervision
Service Expectations	<ul style="list-style-type: none"> • Provider shall be able to effectively provide landline, cellular or Ethernet monitoring as requested by the probation/problem solving court officer. • Provider shall submit a list of the CAM monitors it uses for each type of communication (landline, cellular or Ethernet) and adhere to the following guidelines: • Upon service request from probation/problem solving court officer, provider will install the CAM equipment within two (2) business days. Provider will communicate any delays in service initiation to the probation/problem solving court officer. • Provider will contact probation/problem solving court officer for any needed assistance with initial hookup or ongoing monitoring concerns. • Provider is required at all times to provide active, direct and effective monitoring of any probationer placed on CAM, as well as timely response to alerts. • All events/alerts will be addressed and documented and the supervising probation/problem solving court officer should be notified by the next business day. • Termination of services/monitor removal is to occur as instructed by the supervising probation/problem solving court officer. • Maintain all equipment, including replacing batteries, as necessary.
