

Probation Service Definition

ADMINISTRATIVE OFFICE OF THE COURTS & PROBATION

SERVICE NAME	Wraparound Program <input type="checkbox"/> Adult <input checked="" type="checkbox"/> Juvenile
Category	Non Treatment
Setting	Community-based
Facility License	Licensure is not required for this service
Service Description	<p>Wraparound is an intensive coordination service, utilizing the “wraparound” approach. Wraparound is family centered, strength- based and acknowledges the youth and family as equal partners. Wraparound promotes the least restrictive, least intrusive and developmentally appropriate interventions in regard to the youth and family/guardian’s needs within their own environment. The mix, intensity, duration and location of services and supports are tailored to meet the unique needs of each youth and his or her family/guardian. The wraparound program combines an assessment and treatment planning process that utilizes the wraparound approach through developing referral sources, collaborative working relationship and integration.</p> <p>Different tracks of wraparound</p> <ul style="list-style-type: none"> • Traditional wraparound –Youth 21 and under who have a diagnosable disorder of Serious Emotional Disturbance (SED) • Transitional age wraparound – Youth under the age of 19, who have a diagnosable disorder with serious complex needs. More intensive than Traditional - length of stay 90 days • Justice wraparound - Youth 18 and under who are involved in Juvenile Justice
Service Expectations	<p>Wraparound services shall include:</p> <ul style="list-style-type: none"> • Complete a developmentally appropriate screening which may include Child and Adolescent Functional Assessment Scale (CAFAS) or Intake/Interpretive Summary within 30 days of admission. • Development of a wraparound team consisting of individuals identified by the youth and parent/guardian including informal and formal supports such as friends, relatives, therapists, family advocates, teachers and probation/problem solving court officer. • Individualized comprehensive plan developed based on the youth and their families’ strengths and needs across life domains, including mental health, substance abuse, residential, parent/guardian , education, vocational, financial, social/recreational, medical, criminogenic factors, legal, safety, and cultural. The plan will take into consideration strengths, needs and risks identified by probation/problem solving court officer and

	<p>Youth Level of Service (YLS) tool. Initial plan must be developed within 10 days of admission, the comprehensive plan within 30 days of admission with revisions/updated every 90 days or more, as needed.</p> <ul style="list-style-type: none"> • Officer will verify with staff to determine if progress is being made. If progress is not indicated, the staff shall provide a rationale as to what changes will be made to initiate a plan to increase progress. • Services must be trauma informed, culturally sensitive, age and developmentally appropriate and incorporate evidence-based practices when appropriate.
Service Frequency	<ul style="list-style-type: none"> • Wraparound team meetings occur at the frequency and duration needed by the parent/guardian and youth with the average being two to three times per month, but at a minimum, monthly. • Meetings occur more often early in service provision and may taper off as youth and family move close to discharge. This is in addition to monthly family team meetings.
Length of Stay	Up to 12-18 months
Staffing	Bachelor's degree preferred; Associate's degree in human services and 2 years' experience in behavioral health field; or four years' experience in behavioral health field with demonstrated skills and competencies in the care of youth with a behavioral health diagnosis. Access to clinical consultation must be available to staff in times of wraparound team emergency. Staff are trained in a nationally approved/supported model and affiliated with a registered provider with the Administrative Office of the Courts and Probation.
Staff to Client Ratio	14 youth to 1 (one) wraparound partner
Hours of Operation	24 hours/day, 7 days/week. Emergency response is required
Service Desired Outcomes	<ul style="list-style-type: none"> • Formal services and informal supports in place as appropriate • Progress on goals developed by the family, youth related to the youth's identified criminogenic risk • Enhance family functioning and self-sufficiency • Develop a continuing plan of care related to information and formal supports for the youth • Maintain youth in their community
Unit and Rate	Professional Partner rate will be paid through the specific Behavioral Health Region if youth is eligible.
