

Question

Is the same person shown in the past five slides?

Question

Was that the same guy?

Question

Again, was that the same guy in the last two slides?

What do their kids think?

How do their kids feel?

What's the impact?

How do we get from there . . .

... to here?

and here.....

Through the Eyes of the Child

Creating Your Local
Field of Dreams

Learning Objectives

As a result of this session,
you will be able to:

- Identify the key members for your core team and
- Begin creating your program protocols

Problem

Lack of local family based substance abuse treatment options in juvenile court.

Solution

Create your own program with services currently available.

Field of Dreams

We need to build it because the players
are waiting.

And they can't wait much longer.

Dreaming of a Better Future

Make the dream a reality
