The following is a list topics which must be addressed in an ODR approved SADR Training: Some training topics can be completed after the SADR Training in order to satisfy Nebraska's requirements.

- Advanced education in regard to potential effects of domestic violence on the child
- Nature and extent of domestic intimate partner abuse (DIPA)
- Social and family dynamics of DIPA
- Techniques for identifying and assisting families affected by DIPA
- Appropriate and safe mediation strategies to assist parties in developing a parenting plan, provisions for safety, and a transition plan
- Distinguishing SADR intervention process from customary family mediation process
- Techniques for assisting parties engaged in high conflict dynamics
- Identifying and skills for working with persons with mental illness or substance abuse issues
- Information and tools that can be used to increase the likelihood of providing a safe environment for the child & victim parent
- Information and skills to ensure that SADR process takes into account the safety needs of the children, the parties, and the SADR facilitator
- Advanced process skills for SADR facilitators using primarily a caucused-based approach to negotiation
- Information as to the availability of community and legal domestic violence resources
- Standards and ethics as applicable to SADR facilitators

**Please email this form along with the required supplemental documents to  
nsc.mediation@nebraska.gov**
