Petition of Appellants for further review denied.

A-23-000701

Cooper v. Paul

ROD Misc. Submission to Court - Jurisdiction
Appeal dismissed. Appeal became moot on June 14, 2024, when the protection order expired. See *Weatherly v. Cochran*, 301 Neb. 426, 918 N.W.2d 868 (2018) (moot case subject to summary dismissal). Further, upon review of the record, this court concludes that the public interest exception to mootness is not applicable here. See *Weatherly v. Cochran*, supra (for public interest exception to apply, court considers public or private nature of question presented, desirability of authoritative adjudication for future guidance of public officials, and likelihood of future recurrence of same or similar problem).
