ROD

Mot. of Appellee for Summary Dismissal

Appellee's motion to dismiss appeal sustained. Appeal dismissed for lack of jurisdiction. See Neb. Ct. R. App. P. §2107(A)(1). A motion for new trial was filed on July 18, 2024, and no decision on said motion is contained in the record. When a motion terminating the 30-day appeal period is filed, a notice of appeal filed before the court announces its decision upon the terminating motion has no effect and an appellate court acquires no jurisdiction. See, Neb. Rev. Stat. § 25-1912(3) (Cum. Supp. 2022); State v. Bellamy, 264 Neb. 784, 652 N.W.2d 86 (2002). Section 25-1912(3) further provides that a new notice of appeal shall be filed within the prescribed time after the entry of the order ruling on the motion. No additional fees are required for such filing.
