Misc Submission to Court re Jurisdiction

This matter is before the court for jurisdictional review. The appeal may proceed, however, the parties are directed to address in their briefs this court's jurisdiction over the appeal, specifically, whether the district court's January 21, 2025, order denying the motion to vacate is an independently final and appealable order. See, Green v. Seiffert, 304 Neb. 212, 933 N.W.2d 590 (2019) (motion to vacate must introduce intervening new matter and order denying motion must be independently final and appealable); Bryson L. v. Izabella L., 302 Neb. 145, 921 N.W.2d 829 (2019) (if court does not grant motion to vacate, notice of appeal must be filed within 30 days of entry of earlier final order).
