Noel v. Pathology Medical Services, PC

Motion of Appt for Leave to Amend BOE

Appellant's motion for clarification, or in the alternative, motion for leave to amend bill of exceptions considered. Appellant is seeking to supplement the existing bill of exceptions by requesting additional hearing dates and/or exhibits which were omitted from the original request for bill of exceptions. Pursuant to Neb. Ct. R. App. P. § 2-105(B)(2)(f) regarding failure to request bills of exceptions, " Thereafter, no request for a bill of exceptions may be filed without leave of the appellate court " Neb. Ct. R. App. P. § 2-105(G) does not apply to supplementation of the bill of exceptions as that rule relates to amending or correcting an existing bill of exceptions. Accordingly, Appellant's motion for leave to amend bill of exceptions is overruled for failure to follow procedure as set out in Neb. Ct. R. App. P. 2-105(B)(2)(f).
