

Nebraska Statewide Crossover Youth Process

Administrative Office of Probation (AOP)
Department of Child and Family Services (DCFS)

Youth who experience both the child welfare and juvenile justice systems are commonly referred to as “crossover youth.” In order to effectively address needs and improve outcomes for these youth and families, AOP and DCFS are dedicated to: the improvement of cross-systems practice, strength-based family engagement, alignment of resources, and seeking opportunities to divert youth from dual-system involvement. Evidence-based practices infused in all phases of our daily work enables success for youth, family and the community.
