Case Progression and Court Improvement Data Report for 2010

District 2 Team 3: Sarpy County

Information provided in this document is designed to help your team improve case progression, as this is one area the courts can control. Timeliness of hearings has a significant impact on time to case closure, which means that courts can make a difference in the lives of children in the system. Data on pages 1 and 2 come from Fostering Court Improvement (fosteringcourtimprovement.org/ne) and data on pages 3-8 were collected through JUSTICE to track case progression timelines for all abuse/neglect cases that closed in 2008, 2009, and 2010.
