I. DUTY AND POWER OF DHHS REGARDING THE PROTECTION OF CHILDREN

43-707. Protection of children; Department of Health and Human Services; powers and duties.

The Department of Health and Human Services shall have the power and it shall be its duty:

- (1) To promote the enforcement of laws for the protection and welfare of children born out of wedlock, mentally and physically handicapped children, and dependent, neglected, and delinquent children, except laws the administration of which is expressly vested in some other state department or division, and to take the initiative in all matters involving such children when adequate provision therefor has not already been made;
- (2) To visit and inspect public and private institutions, agencies, societies, or persons caring for, receiving, placing out, or handling children;
- (3) To prescribe the form of reports required by law to be made to the departments by public officers, agencies, and institutions;
- (4) To exercise general supervision over the administration and enforcement of all laws governing the placing out and adoption of children;
- (5) To advise with judges and probation officers of courts of domestic relations and juvenile courts of the several counties, with a view to encouraging, standardizing, and coordinating the work of such courts and officers throughout the state; and
- (6) To regulate the issuance certificates or licenses to such institutions, agencies, societies, or persons and to revoke such licenses or certificates for good cause shown. If a license is refused or revoked, the refusal or revocation may be appealed, and the appeal shall be in accordance with the Administrative Procedure Act.

43-708. Parent; guardian; or custodian; powers. No official, agent, or representative of the Department of Health and Human Services shall, by virtue of sections 43-701 to 43-709, have any right to enter any home over the objection of the occupants thereof or to take charge of any child over the objection of the parents, or either of them, or of the person standing in loco parentis or having the custody of such child. Nothing in sections 43-701 to 43-709 shall be construed as limiting the power of a parent or guardian to determine what treatment or correction shall be provided for a child or the agency or agencies to be employed for such purposes.

II. GENERAL SOCIAL SERVICES PROVISIONS

68-1202. Social services; services included. Social services may be provided on behalf of recipients with payments for such social services made directly to vendors. Social services shall include those mandatory and optional services to former, present, or potential social services recipients provided for under the federal Social Security Act, as amended, and described by the State of Nebraska in the approved State Plan for Services. Such services may include, but shall not be limited to, foster care for children, child care, family planning, treatment for alcoholism and drug addiction, treatment for persons with an intellectual disability, health-related services, protective services for children, homemaker services, employment services, foster care for adults, protective services for adults, transportation services, home management and other functional education services, housing improvement services, legal services, adult day services, home delivered or congregate meals, educational services, and secondary prevention services, including, but not limited to, home visitation, child screening and early intervention, and parenting education programs.

68-1203. Social services; provided or purchased; dependent children and families; aged, blind, or disabled persons. Social services shall be provided or purchased for dependent children and families, aged persons, blind individuals, and disabled individuals as defined by state law and to former and potential recipients as defined in federal regulations.

68-1204. Social services or specialized developmental disability services; rules and regulations; agreements; fee schedules.

(1) For the purpose of providing or purchasing social services described in section [68-1202](#), the state hereby accepts and assents to all applicable provisions of the federal Social Security Act, as amended. The Department of Health and Human Services may adopt and promulgate rules and regulations, enter into agreements, and adopt fee schedules with regard to social services described in section [68-1202](#).

(2) The department shall adopt and promulgate rules and regulations to administer funds under Title XX of the federal Social Security Act, as amended, designated for specialized developmental disability services.

68-1205. Matching funds. The matching funds required to obtain the federal share of the services described in section 68-1202 may come from either state, county, or donated sources in amounts and other provisions to be determined by the Department of Health and Human Services.

68-1206. Social services; administration; contracts; payments; duties.

(1) The Department of Health and Human Services shall administer the program of social services in this state. The department may contract with other social agencies for the purchase of social services at rates not to exceed those prevailing in the state or the cost at which the department could provide those services. The statutory maximum payments for the separate program of aid to dependent children shall apply only to public assistance grants and shall not apply to payments for social services. As part of the provision of social services authorized by section [68-1202](#), the department shall participate in the federal child care assistance program under 42 U.S.C. 618, as such section existed on January 1, 2013, and provide child care assistance to families with incomes up to one hundred twenty-five percent of the federal poverty level for FY2013-14 and one hundred thirty percent of the federal poverty level for FY2014-15 and each fiscal year thereafter.

(2) As part of the provision of social services authorized by this section and section [68-1202](#), the department shall participate in the federal Child Care Subsidy program. In determining ongoing eligibility for this program, ten percent of a household's gross earned income shall be disregarded after twelve continuous months on the program and at each subsequent redetermination. Initial program eligibility standards shall not be impacted by the provisions of this subsection.

(3) In determining the rate or rates to be paid by the department for child care as defined in section [43-2605](#), the department shall adopt a fixed-rate schedule for the state or a fixed-rate schedule for an area of the state applicable to each child care program category of provider as defined in section [71-1910](#) which may claim reimbursement for services provided by the federal Child Care Subsidy program, except that the department shall not pay a rate higher than that charged by an individual provider to that provider's private clients. The schedule may provide separate rates for care for infants, for children with special needs, including disabilities or technological dependence, or for other individual categories of children. The schedule may also provide tiered rates based upon a quality scale rating of step three or higher under the Step Up to Quality Child Care Act. The schedule shall be effective on October 1 of every year and shall be revised annually by the department.

68-1207. Department of Health and Human Services; public child welfare services; supervise; department; pilot project; caseload requirements; case plan developed.

(1) The Department of Health and Human Services shall supervise all public child welfare services as described by law. The department and the pilot project described in section [68-1212](#) shall maintain caseloads to carry out child welfare services which provide for adequate, timely, and in-depth investigations and services to children and families. Caseloads shall range between twelve and seventeen cases as determined pursuant to subsection (2) of this section. In establishing the specific caseloads within such range, the department and the pilot project shall (a) include the workload factors that may differ due to geographic responsibilities, office location, and the travel required to provide a timely response in the investigation of abuse and neglect, the protection of children, and the provision of services to children and families in a uniform and consistent statewide manner and (b) utilize the workload criteria of the standards established as of January 1, 2012, by the Child Welfare League of America. The average caseload shall be reduced by the department in all service areas as designated pursuant to section [81-3116](#) and by the pilot project to comply with the caseload range described in this subsection by September 1, 2012. Beginning September 15, 2012, the department shall include in its annual report required pursuant to section [68-1207.01](#) a report on the attainment of the decrease according to such caseload standards. The department's annual report shall also include changes in the standards of the Child Welfare League of America or its successor.

(2) Caseload size shall be determined in the following manner: (a) If children are placed in the home, the family shall count as one case regardless of how many children are placed in the home; (b) if a child is placed out of the home, the child shall count as one case; (c) if, within one family, one or more children are placed in the home and one or more children are placed out of the home, the children placed in the home shall count as one case and each child placed out of the home shall count as one case; and (d) any child receiving services from the department or a private entity under contract with the department shall be counted as provided in subdivisions (a) through (c) of this subsection whether or not such child is a ward of the state. For purposes of this subsection, a child is considered to be placed in the home if the child is placed with his or her biological or adoptive parent or a legal guardian and a child is considered to be placed out of the home if the child is placed in a foster family home as defined in section [71-1901](#), a residential child-caring agency as defined in section [71-1926](#), or any other setting which is not the child's planned permanent home.

(3) To insure appropriate oversight of noncourt and voluntary cases when any child welfare services are provided, either by the department or by a lead agency participating in the pilot project, as a result of a child safety assessment, the department or lead agency shall develop a case plan that specifies the services to be provided and the actions to be taken by the department or lead agency and the family in each such case. Such case plan shall clearly indicate, when appropriate, that children are receiving services to prevent out-of-home placement and that, absent preventive services, foster care is the planned arrangement for the child.

(4) To carry out the provisions of this section, the Legislature shall provide funds for additional staff.

68-1207.01. Department of Health and Human Services; caseloads report; contents. The Department of Health and Human Services shall annually provide a report to the Legislature and Governor outlining the caseloads of child protective services, the factors considered in their establishment, and the fiscal resources necessary for

their maintenance. The report submitted to the Legislature shall be submitted electronically. For 2012, 2013, and 2014, the department shall also provide electronically the report to the Health and Human Services Committee of the Legislature on or before September 15. Such report shall include:

(1) A comparison of caseloads established by the department with the workload standards recommended by national child welfare organizations along with the amount of fiscal resources necessary to maintain such caseloads in Nebraska;

(2)(a) The number of child welfare case managers employed by the State of Nebraska and child welfare services workers, providing services directly to children and families, who are under contract with the State of Nebraska or employed by a private entity under contract with the State of Nebraska and (b) statistics on the average length of employment in such positions, statewide and by service area designated pursuant to section [81-3116](#);

(3)(a) The average caseload of child welfare case managers employed by the State of Nebraska and child welfare services workers, providing services directly to children and families, who are under contract with the State of Nebraska or employed by a private entity under contract with the State of Nebraska and (b) the outcomes of such cases, including the number of children reunited with their families, children adopted, children in guardianships, placement of children with relatives, and other permanent resolutions established, statewide and by service area designated pursuant to section [81-3116](#); and

(4) The average cost of training child welfare case managers employed by the State of Nebraska and child welfare services workers, providing child welfare services directly to children and families, who are under contract with the State of Nebraska or employed by a private entity under contract with the State of Nebraska, statewide and by service area as designated pursuant to section [81-3116](#).

68-1208. Rules and regulations; right of appeal and hearings. Authority to adopt rules and regulations and the right to appeal and hearing shall be the same in the program of social services as in the program of assistance to families and children and the aged, blind, or disabled.

68-1209. Applications for social services; information; safeguarded. Information regarding applicants for or recipients of social services shall be safeguarded and shall be used only for purposes connected with the administration of social services.

68-1210. Director of Health and Human Services; certain foster care children; payment rates. Notwithstanding any other provision of law, the Department of Health and Human Services shall have the authority through rule or regulation to establish payment rates for children with special needs who are in foster care and in the custody of the department.

68-1211. Case management of child welfare services; legislative findings and declarations. The Legislature finds and declares that:

(1) The State of Nebraska has the legal responsibility for children in its custody and accordingly should maintain the decisionmaking authority inherent in direct case management of child welfare services;

(2) Training and longevity of child welfare case managers directly impact the safety, permanency, and well-being of children receiving child welfare services;

(3) Meaningful reform of the child welfare system can occur only when competent, skilled case managers educated in evidence-based child welfare best practices are making determinations for the care of, and services to, children and families and providing first-hand, direct information for decisionmaking and high-quality evidence to the courts relating to the best interests of the children;

(4) Maintaining quality, well-trained, and experienced case managers is essential and will be a core component in child welfare reform, including statewide strategic planning and implementation. Additional resources and funds for training, support, and compensation may be required;

(5) Notwithstanding the outsourcing of case management, the Department of Health and Human Services retains legal custody of wards of the state and remains responsible for their care. Inherent in privatized case management is the loss of trained, skilled individuals employed by the state providing the stable workforce essential to fulfilling the state's responsibilities for children who are wards of the state, resulting in the risk of loss of a trained, experienced, and stable workforce;

(6) Privatization of case management of child welfare services can and has resulted in dependence on one or more private entities for the provision of an essential specialized service that is extremely difficult to replace. As a result, the risk of a private entity abandoning the contract, either voluntarily or involuntarily, creates a very high risk to the entire child welfare system, including essential child welfare services;

(7) Privatization of case management and child welfare services, including responsibilities for both service coordination and service delivery by private entities, may create conflicts of interest because the resulting financial incentives can undermine decisionmaking regarding the appropriate services that would be in the best interests of the children. Additionally, such privatization of child welfare services, including case management, can result in loss of services across the spectrum of child welfare services by reducing market competition and driving many providers out of the market;

(8) Privatization of case management and of child welfare services has resulted in issues relating to caseloads, placement, turnover, communication, and stability within the child welfare system that adversely affect outcomes and permanency for children and families; and

(9) Private lead agency contracts require complex monitoring capabilities to insure compliance and oversight of performance, including private case managers, to insure improved child welfare outcomes.

68-1212. Department of Health and Human Services; cases; case manager; employee of department; duties; case management lead agency model pilot project; contract authorized; conditions, performance outcomes, and oversight; extension of contract.

(1) Except as provided in subsection (2) of this section, by April 1, 2012, for all cases in which a court has awarded a juvenile to the care of the Department of Health and Human Services according to subsection (1) of section [43-285](#) and for any noncourt and voluntary cases, the case manager shall be an employee of the department. Such case manager shall be responsible for and shall directly oversee: Case planning; service authorization; investigation of compliance; monitoring and evaluation of the care and services provided to children and families; and decisionmaking regarding the determination of visitation and the care, placement, medical services, psychiatric services, training, and expenditures on behalf of each juvenile under subsection (1) of section [43-285](#). Such case manager shall be responsible for decisionmaking and direct preparation regarding the proposed plan for the care, placement, services, and permanency of the juvenile filed with the court required under subsection (2) of section [43-285](#). The health and safety of the juvenile shall be the paramount concern in the proposed plan in accordance with such subsection.

(2) The department may contract with a lead agency for a case management lead agency model pilot project in the department's eastern service area as designated pursuant to section [81-3116](#). The department shall include in the pilot project the appropriate conditions, performance outcomes, and oversight for the lead agency, including, but not be limited to:

(a) The reporting and survey requirements of lead agencies described in sections [43-4406](#) and [43-4407](#);

- (b) Departmental monitoring and functional capacities of lead agencies described in section [43-4408](#);
 - (c) The key areas of evaluation specified in subsection (3) of section [43-4409](#);
 - (d) Compliance and coordination with the development of the statewide strategic plan for child welfare program and service reform pursuant to Laws 2012, LB821; and
 - (e) Assurance of financial accountability and reporting by the lead agency.
- (3) Before June 30, 2014, the department may extend the contract for the pilot project described in subsection (2) of this section. The lead agency shall also comply with the requirements of section [43-4204](#).

III. FAMILY POLICY ACT

43-532. Family policy; declaration; legislative findings.

(1) The Legislature finds and declares that children develop their unique potential in relation to a caring social unit, usually the family, and other nurturing environments, especially the schools and the community. The Legislature further finds that the state shall declare a family policy to guide the actions of state government in dealing with problems and crises involving children and families.

(2) When children and families require assistance from a department, agency, institution, committee, or commission of state government, the health and safety of the child is the paramount concern and reasonable efforts shall be made to provide such assistance in the least intrusive and least restrictive method consistent with the needs of the child and to deliver such assistance as close to the home community of the child or family requiring assistance as possible. The policy set forth in this subsection shall be (a) interpreted in conjunction with all relevant laws, rules, and regulations of the state and shall apply to all children and families who have need of services or who, by their circumstances or actions, have violated the laws, rules, or regulations of the state and are found to be in need of treatment or rehabilitation and (b) implemented through the cooperative efforts of state, county, and municipal governments, legislative, judicial, and executive branches of government, and other public and private resources.

(3) The family policy objectives prescribed in sections 43-532 to 43-534 shall not be construed to mean that a child shall be left in the home when it is shown that continued residence in the home places the child at risk and does not make the health and safety of the child of paramount concern.

43-533. Family policy; guiding principles. The following principles shall guide the actions of state government and departments, agencies, institutions, committees, courts, and commissions which become involved with children and families in need of assistance or services:

(1) Prevention, early identification of problems, and early intervention shall be guiding philosophies when the state or a department, agency, institution, committee, court, or commission plans or implements services for families or children when such services are in the best interests of the child;

(2) When families or children request assistance, state and local government resources shall be utilized to complement community efforts to help meet the needs of such families or the needs and the safety and best interests of such children. The state shall encourage community involvement in the provision of services to families and children, including as an integral part, local government and public and private group participation, in order to encourage and provide innovative strategies in the development of services for families and children;

(3) To maximize resources the state shall develop methods to coordinate services and resources for families and children. Every child-serving department, agency, institution, committee, court, or commission shall recognize that the jurisdiction of such department, agency, institution, committee, court, or commission in serving multiple-need children is not mutually exclusive;

(4) When children are removed from their home, permanency planning shall be the guiding philosophy. It shall be the policy of the state (a) to make reasonable efforts to reunite the child with his or her family in a time frame appropriate to the age and developmental needs of the child so long as the best interests of the child, the health and safety of the child being of paramount concern, and the needs of the child have been given primary consideration in making a determination whether or not reunification is possible, (b) when a child cannot remain with parents, to give preference to relatives as a placement resource, and (c) to minimize the number of placement changes for children in out-of-home care so long as the needs, health, safety, and best interests of the child in care are considered; and

(5) When families cannot be reunited and when active parental involvement is absent, adoption shall be aggressively pursued. Absent the possibility of adoption other permanent settings shall be pursued. In either situation, the health, safety, and best interests of the child shall be the overriding concern. Within that context, preference shall be given to relatives for the permanent placement of the child.

43-534. Family policy; annual statement required. Every department, agency, institution, committee, and commission of state government which is concerned or responsible for children and families shall submit, as part of the annual budget request of such department, agency, institution, committee, or commission, a comprehensive statement of the efforts such department, agency, institution, committee, or commission has taken to carry out the policy and principles set forth in sections [43-532](#) and [43-533](#). For 2012, 2013, and 2014, the Department of Health and Human Services shall provide an electronic copy of its statement submitted under this section to the Health and Human Services Committee of the Legislature on or before September 15. The statement shall include, but not be limited to, a listing of programs provided for children and families and the priority of such programs, a summary of the expenses incurred in the provision and administration of services for children and families, the number of clients served by each program, and data being collected to demonstrate the short-term and long-term effectiveness of each program.

IV. CHILD PROTECTION AND FAMILY SAFETY ACT (Includes Alternative Response Provisions)

A. CHILD ABUSE MANDATORY REPORTING PROVISIONS

28-710. Act, how cited; terms, defined.

(1) Sections [28-710](#) to [28-727](#) shall be known and may be cited as the Child Protection and Family Safety Act.

(2) For purposes of the Child Protection and Family Safety Act:

(a) Alternative response means a comprehensive assessment of (i) child safety, (ii) the risk of future child abuse or neglect, (iii) family strengths and needs, and (iv) the provision of or referral for necessary services and support. Alternative response is an alternative to traditional response and does not include an investigation or a formal determination as to whether child abuse or neglect has occurred, and the subject of the report shall not be entered into the central registry of child protection cases maintained pursuant to section [28-718](#);

(b) Child abuse or neglect means knowingly, intentionally, or negligently causing or permitting a minor child to be:

- (i) Placed in a situation that endangers his or her life or physical or mental health;
- (ii) Cruelly confined or cruelly punished;
- (iii) Deprived of necessary food, clothing, shelter, or care;
- (iv) Left unattended in a motor vehicle if such minor child is six years of age or younger;
- (v) Sexually abused; or
- (vi) Sexually exploited by allowing, encouraging, or forcing such person to solicit for or engage in prostitution, debauchery, public indecency, or obscene or pornographic photography, films, or depictions;

(c) Comprehensive assessment means an analysis of child safety, risk of future child abuse or neglect, and family strengths and needs on a report of child abuse or neglect. Comprehensive assessment does not include a determination as to whether the child abuse or neglect occurred but does determine the need for services and support to address the safety of children and the risk of future abuse or neglect;

(d) Department means the Department of Health and Human Services;

(e) Investigation means fact gathering related to the current safety of a child and the risk of future child abuse or neglect that determines whether child abuse or neglect has occurred and whether child protective services are needed;

(f) Law enforcement agency means the police department or town marshal in incorporated municipalities, the office of the sheriff in unincorporated areas, and the Nebraska State Patrol;

(g) Out-of-home child abuse or neglect means child abuse or neglect occurring in day care homes, foster homes, day care centers, residential child-caring agencies as defined in section [71-1926](#), and other child care facilities or institutions;

(h) Review, Evaluate, and Decide Team means an internal team of staff within the department and shall include no fewer than two supervisors or administrators and two staff members knowledgeable on the policies and practices of the department, including, but not limited to, the structured review process. County attorneys, child advocacy centers, or law enforcement agency personnel may attend team reviews upon request of a party;

(i) Traditional response means an investigation by a law enforcement agency or the department pursuant to section [28-713](#) which requires a formal determination of whether child abuse or neglect has occurred; and

(j) Subject of the report of child abuse or neglect means the person or persons identified in the report as responsible for the child abuse or neglect.

28-710.01. Legislative declarations.

(1) The Legislature declares that the public policy of the State of Nebraska is to protect children whose health or welfare may be jeopardized by abuse or neglect. The Legislature recognizes that most families want to keep their children safe, but circumstances or conditions sometimes interfere with their ability to do so. Families and children are best served by interventions that engage their protective capacities and address immediate safety

concerns and ongoing risks of child abuse or neglect. In furtherance of this public policy and the family policy and principles set forth in sections [43-532](#) and [43-533](#), it is the intent of the Legislature to strengthen the family and make the home, school, and community safe for children by promoting responsible child care in all settings and to provide, when necessary, a safe temporary or permanent home environment for abused or neglected children.

(1) The Legislature finds that child abuse and neglect are community problems requiring a coordinated response by law enforcement, child advocacy centers, prosecutors, the Department of Health and Human Services, and other agencies or entities designed to protect children. It is the intent of the Legislature to create a child abuse and neglect investigation team in each county or contiguous group of counties and to create a child abuse and neglect treatment team in each county or contiguous group of counties.

(2) Each county or contiguous group of counties will be assigned by the Department of Health and Human Services to a child advocacy center. The purpose of a child advocacy center is to provide a child-focused location for conducting forensic interviews and medical evaluations for alleged child victims of abuse and neglect and for coordinating a multidisciplinary team response that supports the physical, emotional, and psychological needs of children who are alleged victims of abuse or neglect. Each child advocacy center shall meet accreditation criteria set forth by the National Children's Alliance. Nothing in this section shall prevent a child from receiving treatment or other services at a child advocacy center which has received or is in the process of receiving accreditation.

(ii) Contacting the reporting party;

(iii) Arranging for a video-recorded forensic interview at a child advocacy center for children who are three to eighteen years of age and are alleged to be victims of sexual abuse or serious physical abuse or neglect, have witnessed a violent crime, are found in a drug-endangered environment, or have been recovered from a kidnapping;

(iv) Assessing the need for and arranging, when indicated, a medical evaluation of the alleged child victim;

(v) Assessing the need for and arranging, when indicated, appropriate mental health services for the alleged child victim or nonoffender caregiver;

(vi) Conducting collateral interviews with other persons with information pertinent to the investigation including other potential victims;

(vii) Collecting, processing, and preserving physical evidence including photographing the crime scene as well as any physical injuries as a result of the alleged child abuse and neglect; and

(viii) Interviewing the alleged perpetrator;

(e) Reducing the risk of harm to alleged child abuse and neglect victims;

(f) Ensuring that the child is in safe surroundings, including removing the perpetrator when necessary or arranging for temporary custody of the child when the child is seriously endangered in his or her surroundings and immediate removal appears to be necessary for the child's protection as provided in section [43-248](#);

(g) Sharing of case information between team members; and

- (h) Outlining what cases will be reviewed by the investigation team including, but not limited to:

- (c) Reducing the risk of harm to child abuse and neglect victims;
- (d) Assisting those child abuse and neglect victims who are abused and neglected by perpetrators who do not reside in their homes; and
- (e) Working with multiproblem status offenders and delinquent youth.

(5) For purposes of this section, forensic interview means a video-recorded interview of an alleged child victim conducted at a child advocacy center by a professional with specialized training designed to elicit details about alleged incidents of abuse or neglect, and such interview may result in intervention in criminal or juvenile court.

(1) A peace officer, upon making contact with a juvenile whom the peace officer has reasonable grounds to believe has committed a misdemeanor offense, other than an offense involving a firearm, sexual assault, or domestic violence, may issue the juvenile a civil citation;

(2) The civil citation shall include: The juvenile's name, address, school of attendance, and contact information; contact information for the juvenile's parents or guardian; a description of the misdemeanor offense believed to have been committed; the juvenile assessment center where the juvenile cited is to appear within seventy-two hours after the issuance of the civil citation; and a warning that failure to appear in accordance with the command of the civil citation or failure to provide the information necessary for the peace officer to complete the civil citation will result in the juvenile being taken into temporary custody as provided in sections [43-248](#) and [43-250](#);

(3) At the time of issuance of a civil citation by the peace officer, the peace officer shall advise the juvenile that the juvenile has the option to refuse the civil citation and be taken directly into temporary custody as provided in sections [43-248](#) and [43-250](#). The option to refuse the civil citation may be exercised at any time prior to compliance with any services required pursuant to subdivision (5) of this section;

(4) Upon issuing a civil citation, the peace officer shall provide or send a copy of the civil citation to the appropriate county attorney, the juvenile assessment center, and the parents or guardian of the juvenile;

(5) The juvenile shall report to the juvenile assessment center as instructed by the citation. The juvenile assessment center may require the juvenile to participate in community service or other available services appropriate to the needs of the juvenile identified by the juvenile assessment center which may include family counseling, urinalysis monitoring, or substance abuse and mental health treatment services; and

(6) If the juvenile fails to comply with any services required pursuant to subdivision (5) of this section or if the juvenile is issued a third or subsequent civil citation, a peace officer shall take the juvenile into temporary custody as provided in sections [43-248](#) and [43-250](#).

43-248.03. Civil citation form. To achieve uniformity, the Supreme Court shall prescribe the form of a civil citation which conforms to the requirements for a civil citation in section [43-248.02](#) and such other matter as the court deems appropriate. The civil citation shall not include a place for the cited juvenile's social security number.

43-249. Temporary custody; not an arrest; exception. No juvenile taken into temporary custody under section 43-248 shall be considered to have been arrested, except for the purpose of determining the validity of such custody under the Constitution of Nebraska or the United States.

43-250. Temporary custody; disposition; custody requirements.

(1) A peace officer who takes a juvenile into temporary custody under section [29-401](#) or subdivision (1), (4), or (5) of section [43-248](#) shall immediately take reasonable measures to notify the juvenile's parent, guardian, custodian, or relative and shall proceed as follows:

(a) The peace officer may release a juvenile taken into temporary custody under section [29-401](#) or subdivision (1) or (4) of section [43-248](#);

(b) The peace officer may require a juvenile taken into temporary custody under section [29-401](#) or subdivision (1) or (4) of section [43-248](#) to appear before the court of the county in which such juvenile was taken into custody at a time and place specified in the written notice prepared in triplicate by the peace officer or at the call of the court. The notice shall also contain a concise statement of the reasons such juvenile was taken into custody. The peace officer shall deliver one copy of the notice to such juvenile and require such juvenile or his or her parent, guardian, other custodian, or relative, or both, to sign a written promise that such signer will appear at

the time and place designated in the notice. Upon the execution of the promise to appear, the peace officer shall immediately release such juvenile. The peace officer shall, as soon as practicable, file one copy of the notice with the county attorney or city attorney and, when required by the court, also file a copy of the notice with the court or the officer appointed by the court for such purpose; or

(c) The peace officer may retain temporary custody of a juvenile taken into temporary custody under section [29-401](#) or subdivision (1), (4), or (5) of section [43-248](#) and deliver the juvenile, if necessary, to the probation officer and communicate all relevant available information regarding such juvenile to the probation officer. The probation officer shall determine the need for detention of the juvenile as provided in section [43-260.01](#). Upon determining that the juvenile should be placed in a secure or nonsecure placement and securing placement in such secure or nonsecure setting by the probation officer, the peace officer shall implement the probation officer's decision to release or to detain and place the juvenile. When secure detention of a juvenile is necessary, such detention shall occur within a juvenile detention facility except:

(i) When a juvenile described in subdivision (1) or (2) of section [43-247](#), except for a status offender, is taken into temporary custody within a metropolitan statistical area and where no juvenile detention facility is reasonably available, the juvenile may be delivered, for temporary custody not to exceed six hours, to a secure area of a jail or other facility intended or used for the detention of adults solely for the purposes of identifying the juvenile and ascertaining his or her health and well-being and for safekeeping while awaiting transport to an appropriate juvenile placement or release to a responsible party;

(ii) When a juvenile described in subdivision (1) or (2) of section [43-247](#), except for a status offender, is taken into temporary custody outside of a metropolitan statistical area and where no juvenile detention facility is reasonably available, the juvenile may be delivered, for temporary custody not to exceed twenty-four hours excluding nonjudicial days and while awaiting an initial court appearance, to a secure area of a jail or other facility intended or used for the detention of adults solely for the purposes of identifying the juvenile and ascertaining his or her health and well-being and for safekeeping while awaiting transport to an appropriate juvenile placement or release to a responsible party;

(iii) Whenever a juvenile is held in a secure area of any jail or other facility intended or used for the detention of adults, there shall be no verbal, visual, or physical contact between the juvenile and any incarcerated adult and there shall be adequate staff to supervise and monitor the juvenile's activities at all times. This subdivision shall not apply to a juvenile charged with a felony as an adult in county or district court if he or she is sixteen years of age or older;

(iv) If a juvenile is under sixteen years of age or is a juvenile as described in subdivision (3) of section [43-247](#), he or she shall not be placed within a secure area of a jail or other facility intended or used for the detention of adults;

(v) If, within the time limits specified in subdivision (1)(c)(i) or (1)(c)(ii) of this section, a felony charge is filed against the juvenile as an adult in county or district court, he or she may be securely held in a jail or other facility intended or used for the detention of adults beyond the specified time limits;

(vi) A status offender or nonoffender taken into temporary custody shall not be held in a secure area of a jail or other facility intended or used for the detention of adults. Until January 1, 2013, a status offender accused of violating a valid court order may be securely detained in a juvenile detention facility longer than twenty-four hours if he or she is afforded a detention hearing before a court within twenty-four hours, excluding nonjudicial days, and if, prior to a dispositional commitment to secure placement, a public agency, other than a court or law enforcement agency, is afforded an opportunity to review the juvenile's behavior and possible alternatives to secure placement and has submitted a written report to the court; and

(vii) A juvenile described in subdivision (1) or (2) of section [43-247](#), except for a status offender, may be held in a secure area of a jail or other facility intended or used for the detention of adults for up to six hours before and six hours after any court appearance.

(2) When a juvenile is taken into temporary custody pursuant to subdivision (2) or (7) of section [43-248](#), the peace officer shall deliver the custody of such juvenile to the Department of Health and Human Services which shall make a temporary placement of the juvenile in the least restrictive environment consistent with the best interests of the juvenile as determined by the department. The department shall supervise such placement and, if

necessary, consent to any necessary emergency medical, psychological, or psychiatric treatment for such juvenile. The department shall have no other authority with regard to such temporary custody until or unless there is an order by the court placing the juvenile in the custody of the department. If the peace officer delivers temporary custody of the juvenile pursuant to this subsection, the peace officer shall make a full written report to the county attorney within twenty-four hours of taking such juvenile into temporary custody. If a court order of temporary custody is not issued within forty-eight hours of taking the juvenile into custody, the temporary custody by the department shall terminate and the juvenile shall be returned to the custody of his or her parent, guardian, custodian, or relative.

(3) If the peace officer takes the juvenile into temporary custody pursuant to subdivision (3) of section [43-248](#), the peace officer may place the juvenile at a mental health facility for evaluation and emergency treatment or may deliver the juvenile to the Department of Health and Human Services as provided in subsection (2) of this section. At the time of the admission or turning the juvenile over to the department, the peace officer responsible for taking the juvenile into custody shall execute a written certificate as prescribed by the Department of Health and Human Services which will indicate that the peace officer believes the juvenile to be mentally ill and dangerous, a summary of the subject's behavior supporting such allegations, and that the harm described in section [71-908](#) is likely to occur before proceedings before a juvenile court may be invoked to obtain custody of the juvenile. A copy of the certificate shall be forwarded to the county attorney. The peace officer shall notify the juvenile's parents, guardian, custodian, or relative of the juvenile's placement.

(4) When a juvenile is taken into temporary custody pursuant to subdivision (6) of section [43-248](#), the peace officer shall deliver the juvenile to the enrolled school of such juvenile.

(5) A juvenile taken into custody pursuant to a legal warrant of arrest shall be delivered to a probation officer who shall determine the need for detention of the juvenile as provided in section [43-260.01](#). If detention is not required, the juvenile may be released without bond if such release is in the best interests of the juvenile, the safety of the community is not at risk, and the court that issued the warrant is notified that the juvenile had been taken into custody and was released.

(6) In determining the appropriate temporary placement of a juvenile under this section, the peace officer shall select the placement which is least restrictive of the juvenile's freedom so long as such placement is compatible with the best interests of the juvenile and the safety of the community.

43-251. Preadjudication placement or detention; mental health placement; prohibitions.

(1) When a juvenile is taken into custody pursuant to sections [43-248](#) and [43-250](#), the court or magistrate may take any action for preadjudication placement or detention prescribed in the Nebraska Juvenile Code.

(2) Any juvenile taken into custody under the Nebraska Juvenile Code for allegedly being mentally ill and dangerous shall not be placed in a staff secure juvenile facility, jail, or detention facility designed for juveniles who are accused of criminal acts or for juveniles as described in subdivision (1), (2), or (4) of section [43-247](#) either as a temporary placement by a peace officer, as a temporary placement by a court, or as an adjudication placement by the court.

43-251.01. Juveniles; placements and commitments; restrictions.

All placements and commitments of juveniles for evaluations or as temporary or final dispositions are subject to the following:

(1) No juvenile shall be confined in an adult correctional facility as a disposition of the court;

(2) A juvenile who is found to be a juvenile as described in subdivision (3) of section [43-247](#) shall not be placed in an adult correctional facility, the secure youth confinement facility operated by the Department of Correctional Services, or a youth rehabilitation and treatment center or committed to the Office of Juvenile Services;

(3) A juvenile who is found to be a juvenile as described in subdivision (1), (2), or (4) of section [43-247](#) shall not be assigned or transferred to an adult correctional facility or the secure youth confinement facility operated by the Department of Correctional Services;

(4) A juvenile under the age of fourteen years shall not be placed with or committed to a youth rehabilitation and treatment center; and

(5) A juvenile shall not be detained in secure detention or placed at a youth rehabilitation and treatment center unless detention or placement of such juvenile is a matter of immediate and urgent necessity for the protection of such juvenile or the person or property of another or if it appears that such juvenile is likely to flee the jurisdiction of the court.

43-252. Fingerprints; when authorized; disposition.

(1) The fingerprints of any juvenile less than fourteen years of age, who has been taken into custody in the investigation of a suspected unlawful act, shall not be taken unless the consent of any district, county, associate county, associate separate juvenile court, or separate juvenile court judge has first been obtained.

(2) If the judge permits the fingerprinting, the fingerprints must be filed by law enforcement officers in files kept separate from those of persons of the age of majority.

(3) The fingerprints of any juvenile shall not be sent to a state or federal depository by a law enforcement agency of this state unless:

- (a) The juvenile has been convicted of or adjudged to have committed a felony;
- (b) the juvenile has unlawfully terminated his or her commitment to a youth development center; or
- (c) the juvenile is a runaway and a fingerprint check is needed for identification purposes to return the juvenile to his or her parent.

43-253. Temporary custody; investigation; release; when.

(1) Upon delivery to the probation officer of a juvenile who has been taken into temporary custody under section [29-401](#), [43-248](#), or [43-250](#), the probation officer shall immediately investigate the situation of the juvenile and the nature and circumstances of the events surrounding his or her being taken into custody. Such investigation may be by informal means when appropriate.

(2) The probation officer's decision to release the juvenile from custody or place the juvenile in secure or nonsecure detention shall be based upon the results of the standardized juvenile detention screening instrument described in section [43-260.01](#).

(3) No juvenile who has been taken into temporary custody under subdivision (1)(c) of section [43-250](#) shall be detained in any secure detention facility for longer than twenty-four hours, excluding nonjudicial days, after having been taken into custody unless such juvenile has appeared personally before a court of competent jurisdiction for a hearing to determine if continued detention is necessary. If continued secure detention is ordered, such detention shall be in a juvenile detention facility, except that a juvenile charged with a felony as an adult in county or district court may be held in an adult jail as set forth in subdivision (1)(c)(v) of section [43-250](#).

(4) When the probation officer deems it to be in the best interests of the juvenile, the probation officer shall immediately release such juvenile to the custody of his or her parent. If the juvenile has both a custodial and a noncustodial parent and the probation officer deems that release of the juvenile to the custodial parent is not in the best interests of the juvenile, the probation officer shall, if it is deemed to be in the best interests of the juvenile, attempt to contact the noncustodial parent, if any, of the juvenile and to release the juvenile to such noncustodial

parent. If such release is not possible or not deemed to be in the best interests of the juvenile, the probation officer may release the juvenile to the custody of a legal guardian, a responsible relative, or another responsible person.

(5) The court may admit such juvenile to bail by bond in such amount and on such conditions and security as the court, in its sole discretion, shall determine, or the court may proceed as provided in section [43-254](#). In no case shall the court or probation officer release such juvenile if it appears that further detention or placement of such juvenile is a matter of immediate and urgent necessity for the protection of such juvenile or the person or property of another or if it appears that such juvenile is likely to flee the jurisdiction of the court.

43-254. Placement or detention pending adjudication; restrictions; assessment of costs.

Pending the adjudication of any case, and subject to subdivision (5) of section [43-251.01](#), if it appears that the need for placement or further detention exists, the juvenile may be (1) placed or detained a reasonable period of time on order of the court in the temporary custody of either the person having charge of the juvenile or some other suitable person, (2) kept in some suitable place provided by the city or county authorities, (3) placed in any proper and accredited charitable institution, (4) placed in a state institution, except any adult correctional facility, when proper facilities are available and the only local facility is a city or county jail, at the expense of the committing county on a per diem basis as determined from time to time by the head of the particular institution, (5) placed in the temporary care and custody of the Department of Health and Human Services when it does not appear that there is any need for secure detention, except that beginning October 1, 2013, no juvenile alleged to be a juvenile described in subdivision (1), (2), (3)(b), or (4) of section [43-247](#) shall be placed in the care and custody or under the supervision of the Department of Health and Human Services, or (6) beginning October 1, 2013, offered supervision options as determined pursuant to section [43-260.01](#), through the Office of Probation Administration as ordered by the court and agreed to in writing by the parties, if the juvenile is alleged to be a juvenile described in subdivision (1), (2), (3)(b), or (4) of section [43-247](#) and it does not appear that there is any need for secure detention. The court may assess the cost of such placement or detention in whole or in part to the parent of the juvenile as provided in section [43-290](#).

If a juvenile has been removed from his or her parent, guardian, or custodian pursuant to subdivision (2) of section [43-248](#), the court may enter an order continuing detention or placement upon a written determination that continuation of the juvenile in his or her home would be contrary to the health, safety, or welfare of such juvenile and that reasonable efforts were made to preserve and reunify the family if required under subsections (1) through (4) of section [43-283.01](#).

43-254.01. Temporary mental health placement; evaluation; procedure.

(1) Any time a juvenile is temporarily placed at a mental health facility pursuant to subsection (3) of section [43-250](#) or by a court as a juvenile who is mentally ill and dangerous, a mental health professional as defined in section [71-906](#) shall evaluate the mental condition of the juvenile as soon as reasonably possible but not later than thirty-six hours after the juvenile's admission, unless the juvenile was evaluated by a mental health professional immediately prior to the juvenile being placed in temporary custody and the temporary custody is based upon the conclusions of that evaluation. The mental health professional who performed the evaluation prior to the temporary custody or immediately after the temporary custody shall, without delay, convey the results of his or her evaluation to the county attorney.

(2) If it is the judgment of the mental health professional that the juvenile is not mentally ill and dangerous or that the harm described in section [71-908](#) is not likely to occur before the matter may be heard by a juvenile court, the mental health professional shall immediately notify the county attorney of that conclusion and the county attorney shall either proceed to hearing before the court within twenty-four hours or order the immediate release of the juvenile from temporary custody. Such release shall not prevent the county attorney from proceeding on the petition if he or she so chooses.

(3) A juvenile taken into temporary protective custody under subsection (3) of section [43-250](#) shall have the opportunity to proceed to adjudication hearing within seven days unless the matter is continued. Continuances shall be liberally granted at the request of the juvenile, his or her guardian ad litem, attorney, parents, or guardian. Continuances may be granted to permit the juvenile an opportunity to obtain voluntary treatment.

43-254.02. Temporary detention rules and regulations; Nebraska Commission on Law Enforcement and Criminal Justice; duties. The Nebraska Commission on Law Enforcement and Criminal Justice shall adopt, promulgate, and implement rules and regulations to harmonize state and federal law on the temporary detention of juveniles.

43-255. Detention or placement; release required; exceptions.

Whenever a juvenile is detained or placed under section [43-250](#) or [43-253](#), the juvenile shall be released unconditionally within forty-eight hours after the detention or placement order or the setting of bond, excluding nonjudicial days, unless within such period of time (1) a motion has been filed alleging that such juvenile has violated an order of the juvenile court, (2) a juvenile court petition has been filed pursuant to section [43-274](#), or (3) a criminal complaint has been filed in a court of competent jurisdiction.

43-256. Continued placement or detention; probable cause hearing; release requirements; exceptions.

When the court enters an order continuing placement or detention pursuant to section [43-253](#), upon request of the juvenile, or his or her parent, guardian, or attorney, the court shall hold a hearing within forty-eight hours, at which hearing the burden of proof shall be upon the state to show probable cause that such juvenile is within the jurisdiction of the court. Strict rules of evidence shall not apply at the probable cause hearing. The juvenile shall be released if probable cause is not shown. At the option of the court, it may hold the adjudication hearing provided in section [43-279](#) as soon as possible instead of the probable cause hearing if held within a reasonable period of time. This section and section [43-255](#) shall not apply to a juvenile (1) who has escaped from a commitment or (2) who has been taken into custody for his or her own protection as provided in subdivision (2) of section [43-248](#) in which case the juvenile shall be held on order of the court with jurisdiction for a reasonable period of time.

43-257. Unlawful detention or placement; penalty. Any person who knowingly holds a juvenile in detention or placement in violation of any of the provisions of section 43-255 or 43-256 shall be guilty of a Class III misdemeanor.

43-258. Preadjudication physical and mental evaluation; placement; restrictions; reports; costs.

(1) Pending the adjudication of any case under the Nebraska Juvenile Code, the court may order the juvenile examined by a physician, surgeon, psychiatrist, duly authorized community mental health service program, or psychologist to aid the court in determining (a) a material allegation in the petition relating to the juvenile's physical or mental condition, (b) the juvenile's competence to participate in the proceedings, (c) the juvenile's responsibility for his or her acts, or (d) whether or not to provide emergency medical treatment.

(2)(a) Pending the adjudication of any case under the Nebraska Juvenile Code and after a showing of probable cause that the juvenile is within the court's jurisdiction, for the purposes of subsection (1) of this section, the court may order such juvenile to be placed with the Department of Health and Human Services for evaluation, except that on and after October 1, 2013, no juvenile alleged to be a juvenile as described in subdivision (1), (2), (3)(b), or (4) of section [43-247](#) shall be placed with the Department of Health and Human Services. If a juvenile is placed with the Department of Health and Human Services under this subdivision, the department shall make arrangements for an appropriate evaluation. The department shall determine whether the evaluation will be made on a residential or nonresidential basis. Placement with the department for the purposes of this section shall be for a period not to exceed thirty days. If necessary to complete the evaluation, the court may order an extension not to

exceed an additional thirty days. Any temporary placement of a juvenile made under this section shall be in the least restrictive environment consistent with the best interests of the juvenile and the safety of the community.

(b) Beginning October 1, 2013, pending the adjudication of any case in which a juvenile is alleged to be a juvenile as described in subdivision (1), (2), (3)(b), or (4) of section [43-247](#) and after a showing of probable cause that the juvenile is within the court's jurisdiction, for the purposes of subsection (1) of this section, the court may order an evaluation to be arranged by the Office of Probation Administration. Any temporary placement of a juvenile made under this section shall be in the least restrictive environment consistent with the best interests of the juvenile and the safety of the community.

(3) Upon completion of the evaluation, the juvenile shall be returned to the court together with a written or electronic report of the results of the evaluation. Such report shall include an assessment of the basic needs of the juvenile and recommendations for continuous and long-term care and shall be made to effectuate the purposes in subdivision (1) of section [43-246](#). The juvenile shall appear before the court for a hearing on the report of the evaluation results within ten days after the court receives the evaluation.

(4) During any period of detention or evaluation prior to adjudication, costs incurred on behalf of a juvenile shall be paid as provided in section [43-290.01](#).

(5) The court shall provide copies of the evaluation report and any evaluations of the juvenile to the juvenile's attorney and the county attorney or city attorney prior to any hearing in which the report or evaluation will be relied upon.

43-259. Evaluation; motion for release of juvenile in custody. The juvenile, his or her attorney, parent, guardian, or custodian may file a motion to release the juvenile from custody and request a hearing after the initial commitment order for evaluation provided in section 43-258 is entered. Pending the hearing on such application, the juvenile shall remain in custody in such manner as the court determines to be in the best interests of the juvenile.

43-260. Standardized juvenile detention screening instrument. The Office of Probation Administration shall prepare and distribute to probation officers a standardized juvenile detention screening instrument. The types of risk factors to be included as well as the format of this standardized juvenile detention screening instrument shall be determined by the office. The standardized juvenile detention screening instrument shall be used as an assessment tool statewide by probation officers under section 43-260.01 in order to determine if detention of the juvenile is necessary and, if so, whether secure or nonsecure detention is indicated. Probation officers trained to administer the juvenile detention screening instrument shall act as juvenile intake probation officers. Only duly trained probation officers shall be authorized to administer the juvenile detention screening instrument.

43-260.01. Detention; factors. The need for preadjudication placement or supervision and the need for detention of a juvenile and whether secure or nonsecure detention is indicated shall be subject to subdivision (5) of section [43-251.01](#) and may be determined as follows:

- (1) The standardized juvenile detention screening instrument shall be used to evaluate the juvenile;
- (2) If the results indicate that secure detention is not required, nonsecure detention placement or supervision options shall be pursued; and
- (3) If the results indicate that secure detention is required, detention at the secure level as indicated by the instrument shall be pursued.

43.260.02. Juvenile pretrial diversion program; authorized. A county attorney may establish a juvenile pretrial diversion program with the concurrence of the county board. If the county is part of a multicounty juvenile services plan under the Nebraska County Juvenile Services Plan Act, the county attorney may establish a

juvenile pretrial diversion program in conjunction with other county attorneys from counties that are a part of such multicounty plan. A city attorney may establish a juvenile pretrial diversion program with the concurrence of the governing body of the city. Such programs shall meet the requirements of sections 43-260.02 to 43-260.07.

43-260.03. Juvenile pretrial diversion program; goals. The goals of a juvenile pretrial diversion program are:

- (1) To provide eligible juvenile offenders with an alternative program in lieu of adjudication through the juvenile court;
- (2) To reduce recidivism among diverted juvenile offenders;
- (3) To reduce the costs and caseload burdens on the juvenile justice system and the criminal justice system; and
- (4) To promote the collection of restitution to the victim of the juvenile offender's crime.

43-260.04. Juvenile pretrial diversion program; requirements.

- (5) Provide screening services for use in creating a diversion plan utilizing appropriate services for the juvenile;

- (6) Result in dismissal of the juvenile petition or criminal charges if the juvenile successfully completes the program;

- (7) Be designed and operated to further the goals stated in section [43-260.03](#) and comply with sections [43-260.04](#) to [43-260.07](#); and

- (8) Require information received by the program regarding the juvenile to remain confidential unless a release of information is signed upon admission to the program or is otherwise authorized by law.

43-260.05. Juvenile pretrial diversion program; optional services. A juvenile pretrial diversion program may:

- (1) Provide screening services to the court and county attorney or city attorney to help identify likely candidates for the program;

43-260.07. Juvenile pretrial diversion program; data; duties.

(1) On January 30 of each year, every county attorney or city attorney of a county or city which has a juvenile pretrial diversion program shall report to the Director of Juvenile Diversion Programs the information pertaining to the program required by rules and regulations adopted and promulgated by the Nebraska Commission on Law Enforcement and Criminal Justice.

(2) Juvenile pretrial diversion program data shall be maintained and compiled by the Director of Juvenile Diversion Programs.

43-261. Juvenile court petition; contents; filing.

(1)(a) A juvenile court petition and all subsequent proceedings shall be entitled In the Interest of, a Juvenile, inserting the juvenile's name in the blank. The written petition shall specify which subdivision of section [43-247](#) is alleged, state the juvenile's month and year of birth, set forth the facts verified by affidavit, and request the juvenile court to determine whether support will be ordered pursuant to section [43-290](#). (2) In all cases involving violation of a city or village ordinance, the city attorney or village prosecutor may file a petition in juvenile court. If such a petition is filed, for purposes of such proceeding, references in the Nebraska Juvenile Code to county attorney are construed to include a city attorney or village prosecutor.

43-262. Issuance of process; notice in lieu of summons. No summons or notice shall be required to be served on any person who shall voluntarily appear before the court and whose appearance is noted on the records thereof. In actions involving a juvenile who may invoke the jurisdiction of the court under the Nebraska Juvenile Code, the court, in its discretion, may cause the issuance of a notice in lieu of summons to the juvenile and to the juvenile's parent or the person who has the custody or control of the juvenile. Such notice in lieu of summons may be delivered by mail, shall be accompanied by a copy of the petition in cases when jurisdiction under subdivision

(1) or (2) of section 43-247 is alleged, and shall contain a statement that (1) the recipient is entitled by statute to have the summons or notice, as the case may be, served upon him or her by personnel of the sheriff's office or some other person under the direction of the court, (2) service by the sheriff's office has been dispensed with for the convenience of the recipient, (3) if the recipient appears in court for the hearing fixed in the notice, he or she shall be deemed to have waived issuance and service of a notice and the seventy-two hour waiting period, as the case may be, and (4) if he or she does not appear, a summons or notice, as the case may be, shall be served upon him or her by personnel of the sheriff's office or some other suitable person under the direction of the court.

43-263. Issuance of process; summons. Upon the filing of the petition, a summons with a copy of the petition attached shall issue requiring the person who has custody of the juvenile or with whom the juvenile may be staying to appear personally and, unless the court orders otherwise, to bring the juvenile before the court at the time and place stated. Service of the summons shall be effected not less than seventy-two hours prior to the hearing set therein, except that service may be waived by the parties. Every summons sent shall comply with the Nebraska Indian Child Welfare Act, if applicable.

43-264. Summons; service.

If a juvenile court petition is filed that alleges that the juvenile is a juvenile as described in subdivision (1), (2), (3)(b), or (4) of section [43-247](#), a summons with a copy of the petition attached shall be served as provided in section [43-263](#) on such juvenile and his or her parent, guardian, or custodian requiring the juvenile and such parent, guardian, or custodian to appear personally at the time and place stated. When so ordered by the court, personal service shall be obtained upon such juvenile notwithstanding any other provisions of the Nebraska Juvenile Code.

43-265. Summons; notice to parent, guardian, or relative required; appointment of guardian ad litem. If the person so summoned under section 43-263 is other than a parent or guardian of the juvenile, then the parent or guardian or both, if their residence is known, shall also be notified of the pendency of the case and of the time and place appointed; if there is neither a parent nor guardian, or if his or her residence is not known, then some relative, if there be one and his or her residence is known, shall be notified, except that in any case the court may appoint some suitable person guardian ad litem to act in behalf of the juvenile.

43-266. Immediate custody of juvenile; when. If it appears that the juvenile is in such condition or surroundings that his or her welfare requires that his or her custody be immediately assumed by the court, the court may, by endorsement upon the summons provided under section 43-263, order the officer serving it to take the juvenile into custody at once.

43-267. Subpoena; notice of subsequent hearing.

(1) As provided under sections 43-263 to 43-266, subpoenas may be issued requiring the appearance of any other person whose presence, in the opinion of the judge, is necessary.

(2) Notice of the time, date, place, and purpose of any juvenile court hearing subsequent to the initial hearing, for which a summons or notice has been served or waived, shall be given to all parties either in court, by mail, or in such other manner as the court may direct.

43-268. Summons, notice, subpoena; manner given; time.

(1) Service of summons shall be made by the delivery of a copy of the summons to the person summoned or by leaving one at his or her usual place of residence with some person of suitable age and discretion residing therein.

(2) Except as provided in section 43-264, notice, when required, shall be given in the manner provided for service of a summons in a civil action. Any published notice shall simply state that a proceeding concerning the juvenile is pending in the court and that an order making an adjudication and disposition will be entered therein. If the names of one or both parents or the guardian are unknown, he, she, or they may be notified as the parent or

parents, or guardian of (naming or describing the juvenile) found (stating address or place where the juvenile was found). Such notice shall be published once each week for three weeks, the last publication of which shall be at least five days before the time of hearing.

(3) Personal or residence service shall be effected at least seventy-two hours before the time set for the hearing, but upon cause shown the court shall grant additional time to prepare for a hearing. A guardian ad litem, one of the parents, the person having custody if there be no guardian ad litem, or the attorney for such juvenile may waive such service for the juvenile, if such juvenile concurs in open court duly noted on the records of the court. Registered or certified mail shall be mailed at least five days before the time of the hearing.

(4) Service of summons, notice, or subpoena may be made by any suitable person under the direction of the court.

43-269. Failure to comply with summons or subpoena; contempt. If the person summoned or subpoenaed as provided in sections 43-262 to 43-268 shall without reasonable cause fail to appear and abide the order of the court or bring the juvenile, he or she may be proceeded against as in the case of contempt of court.

43-270. Warrant; when issued. In case the summons cannot be served or the parties fail to obey the summons and, in any case when it shall be made to appear to the court that such summons would be ineffectual, a warrant may issue on the order of the court, either against the parent or guardian or the person having custody of the juvenile, or with whom the juvenile may be, or against the juvenile himself or herself.

43-271. Prompt hearing and disposition.

(1) (a) A juvenile taken into custody pursuant to sections 43-248, 43-250, and 43-253 shall be brought before the court for adjudication as soon as possible after the petition is filed. On the return of the summons or other process, or mailing of the notice in lieu of summons, or as soon thereafter as legally maybe, the court shall proceed to hear and dispose of the case as provided in section 43-279.

(b) The hearing as to a juvenile in custody of the probation officer or the court shall be held as soon as possible but, in all cases, within a six-month period after the petition is filed, and as to a juvenile not in such custody as soon as practicable but, in all cases, within a six-month period after the petition is filed. The computation of the six-month period provided for in this section shall be made as provided in section 29-1207, as applicable.

(2) Any juvenile taken into custody pursuant to sections 43-248, 43-250, and 43-253 may request a detention review hearing. The detention review hearing shall be conducted within forty-eight hours after the request.

43-272. Right to counsel; appointment; payment; guardian ad litem; appointment; when; duties.

(1) When any juvenile shall be brought without counsel before a juvenile court, the court shall advise such juvenile and his or her parent or guardian of their right to retain counsel and shall inquire of such juvenile and his or her parent or guardian as to whether they desire to retain counsel. The court shall inform such juvenile and his or her parent or guardian of such juvenile's right to counsel at county expense if none of them is able to afford counsel. If the juvenile or his or her parent or guardian desires to have counsel appointed for such juvenile, or the parent or guardian of such juvenile cannot be located, and the court ascertains that none of such persons are able to afford an attorney, the court shall forthwith appoint an attorney to represent such juvenile for all proceedings before the juvenile court, except that if an attorney is appointed to represent such juvenile and the court later determines that a parent of such juvenile is able to afford an attorney, the court shall order such parent or juvenile to pay for services of the attorney to be collected in the same manner as provided by section 43-290. If the parent willfully refuses to pay any such sum, the court may commit him or her for contempt, and execution may issue at the request of the appointed attorney or the county attorney or by the court

without a request.

(2) The court, on its own motion or upon application of a party to the proceedings, shall appoint a guardian ad litem for the juvenile:

(a) If the juvenile has no parent or guardian of his or her person or if the parent or guardian of the juvenile cannot be located or cannot be brought before the court;

(b) if the parent or guardian of the juvenile is excused from participation in all or any part of the proceedings;

(c) if the parent is a juvenile or an incompetent;

(d) if the parent is indifferent to the interests of the juvenile; or

(e) in any proceeding pursuant to the provisions of subdivision (3)(a) of section 43-247.

A guardian ad litem shall have the duty to protect the interests of the juvenile for whom he or she has been appointed guardian, and shall be deemed a parent of the juvenile as to those proceedings with respect to which his or her guardianship extends.

(3) The court shall appoint an attorney as guardian ad litem. A guardian ad litem shall act as his or her own counsel and as counsel for the juvenile, unless there are special reasons in a particular case why the guardian ad litem or the juvenile or both should have separate counsel. In such cases the guardian ad litem shall have the right to counsel, except that the guardian ad litem shall be entitled to appointed counsel without regard to his or her financial ability to retain counsel. Whether such appointed counsel shall be provided at the cost of the county shall be determined as provided in subsection (1) of this section.

43-272.01. Guardian ad litem; appointment; powers and duties; consultation; payment of costs.

(1) A guardian ad litem as provided for in subsections (2) and (3) of section [43-272](#) shall be appointed when a child is removed from his or her surroundings pursuant to subdivision (2) or (3) of section [43-248](#), subdivision (2) of section [43-250](#), or section [43-251](#). If removal has not occurred, a guardian ad litem shall be appointed at the commencement of all cases brought under subdivision (3)(a) or (7) of section [43-247](#) and section [28-707](#).

(2) In the course of discharging duties as guardian ad litem, the person so appointed shall consider, but not be limited to, the criteria provided in this subsection. The guardian ad litem:

(a) Is appointed to stand in lieu of a parent for a protected juvenile who is the subject of a juvenile court petition, shall be present at all hearings before the court in such matter unless expressly excused by the court, and may enter into such stipulations and agreements concerning adjudication and disposition deemed by him or her to be in the juvenile's best interests;

(b) Is not appointed to defend the parents or other custodian of the protected juvenile but shall defend the legal and social interests of such juvenile. Social interests shall be defined generally as the usual and reasonable expectations of society for the appropriate parental custody and protection and quality of life for juveniles without regard to the socioeconomic status of the parents or other custodians of the juvenile;

(c) May at any time after the filing of the petition move the court of jurisdiction to provide medical or psychological treatment or evaluation as set out in section [43-258](#). The guardian ad litem shall have access to all reports resulting from any examination ordered under section [43-258](#), and such reports shall be used for evaluating the status of the protected juvenile;

(d) Shall make every reasonable effort to become familiar with the needs of the protected juvenile which (i) shall include consultation with the juvenile within two weeks after the appointment and once every six months thereafter and inquiry of the most current caseworker, foster parent, or other custodian and (ii) may include inquiry of others directly involved with the juvenile or who may have information or knowledge about the circumstances which brought the juvenile court action or related cases and the development of the juvenile, including biological parents, physicians, psychologists, teachers, and clergy members;

(e) May present evidence and witnesses and cross-examine witnesses at all evidentiary hearings. In any proceeding under this section relating to a child of school age, certified copies of school records relating to attendance and academic progress of such child are admissible in evidence;

(f) Shall be responsible for making recommendations to the court regarding the temporary and permanent placement of the protected juvenile and shall submit a written report to the court at every dispositional or review hearing, or in the alternative, the court may provide the guardian ad litem with a checklist that shall be completed and presented to the court at every dispositional or review hearing;

(g) Shall consider such other information as is warranted by the nature and circumstances of a particular case; and

(h) May file a petition in the juvenile court on behalf of the juvenile, including a supplemental petition as provided in section [43-291](#).

(3) Nothing in this section shall operate to limit the discretion of the juvenile court in protecting the best interests of a juvenile who is the subject of a juvenile court petition.

(4) For purposes of subdivision (2)(d) of this section, the court may order the expense of such consultation, if any, to be paid by the county in which the juvenile court action is brought or the court may, after notice and hearing, assess the cost of such consultation, if any, in whole or in part to the parents of the juvenile. The ability of the parents to pay and the amount of the payment shall be determined by the court by appropriate examination.

43-272.02. Court appointed special advocate volunteer. The court may appoint a court appointed special advocate volunteer pursuant to the Court Appointed Special Advocate Act.

43-273. Appointed counsel and guardians ad litem; fees; allowance. Counsel and guardians ad litem appointed as provided in section 43-272 shall apply to the court before which the proceedings were had for fees for services performed. The court upon hearing the application shall fix reasonable fees. The county board of the county wherein the proceedings were had shall allow the account, bill, or claim presented by any attorney or guardian ad litem for services performed under section 43-272 in the amount determined by the court. No such account, bill, or claim shall be allowed by the county board until the amount thereof shall have been determined by the court.

43-274. County attorney; city attorney; preadjudication powers and duties; petition, pretrial diversion, or mediation; transfer; procedures.

(1) The county attorney or city attorney, having knowledge of a juvenile within his or her jurisdiction who appears to be a juvenile described in subdivision (1), (2), (3)(b), or (4) of section [43-247](#) and taking into consideration the criteria in section [43-276](#), may proceed as provided in this section.

(2) The county attorney or city attorney may offer pretrial diversion to the juvenile in accordance with a juvenile pretrial diversion program established pursuant to sections [43-260.02](#) to [43-260.07](#).

(3)(a) If a juvenile appears to be a juvenile described in subdivision (1), (2), (3)(b), or (4) of section [43-247](#) because of a nonviolent act or acts, the county attorney or city attorney may offer mediation to the juvenile and the victim of the juvenile's act. If both the juvenile and the victim agree to mediation, the juvenile, his or her parent, guardian, or custodian, and the victim shall sign a mediation consent form and select a mediator or approved center from the roster made available pursuant to section [25-2908](#). The county attorney or city attorney shall refer the juvenile and the victim to such mediator or approved center. The mediation sessions shall occur within thirty days after the date the mediation referral is made unless an extension is approved by the county attorney or city attorney. The juvenile or his or her parent, guardian, or custodian shall pay the mediation fees. The fee shall be determined by the mediator in private practice or by the approved center. A juvenile shall not be denied services at an approved center because of an inability to pay.

(b) Terms of the mediation agreement shall specify monitoring, completion, and reporting requirements. The county attorney or city attorney, the court, or the probation office shall be notified by the designated monitor if the juvenile does not complete the agreement within the agreement's specified time.

(c) Terms of the agreement may include one or more of the following:

- (i) Participation by the juvenile in certain community service programs;
- (ii) Payment of restitution by the juvenile to the victim;
- (iii) Reconciliation between the juvenile and the victim; and
- (iv) Any other areas of agreement.

(d) If no mediation agreement is reached, the mediator or approved center will report that fact to the county attorney or city attorney within forty-eight hours of the final mediation session excluding nonjudicial days.

(e) If a mediation agreement is reached and the agreement does not violate public policy, the agreement shall be approved by the county attorney or city attorney. If the agreement is not approved and the victim agrees to return to mediation (i) the juvenile may be referred back to mediation with suggestions for changes needed in the agreement to meet approval or (ii) the county attorney or city attorney may proceed with the filing of a criminal charge or juvenile court petition. If the juvenile agrees to return to mediation but the victim does not agree to return to mediation, the county attorney or city attorney may consider the juvenile's willingness to return to mediation when determining whether or not to file a criminal charge or a juvenile court petition.

(f) If the juvenile meets the terms of an approved mediation agreement, the county attorney or city attorney shall not file a criminal charge or juvenile court petition against the juvenile for the acts for which the juvenile was referred to mediation.

(4) The county attorney or city attorney shall file the petition in the court with jurisdiction as outlined in section [43-246.01](#).

(5) When a transfer from juvenile court to county court or district court is authorized because there is concurrent jurisdiction, the county attorney or city attorney may move to transfer the proceedings. Such motion shall be filed with the juvenile court petition unless otherwise permitted for good cause shown. The juvenile court shall schedule a hearing on such motion within fifteen days after the motion is filed. The county attorney or city attorney has the burden by a preponderance of the evidence to show why such proceeding should be transferred. The juvenile shall be represented by counsel at the hearing and may present the evidence as to why the proceeding should be retained. After considering all the evidence and reasons presented by both parties, the juvenile court shall retain the proceeding unless the court determines that a preponderance of the evidence shows that the proceeding should be transferred to the county court or district court. The court shall make a decision on the motion within thirty days after the hearing. The juvenile court shall set forth findings for the reason for its decision. If the proceeding is transferred from juvenile court to the county court or district court, the county attorney or city attorney shall file a criminal information in the county court or district court, as appropriate, and the accused shall be arraigned as provided for a person eighteen years of age or older in subdivision (1)(b) of section [29-1816](#).

[NOTE: Laws 2014, LB464, § 16. Operative Date is January 1, 2015]

43-275. Petition, complaint, or mediation consent form; filing; time. Whenever a juvenile is detained or placed in custody under the provisions of section 43-253, a petition, complaint, or mediation consent form must be filed within forty-eight hours excluding nonjudicial days.

43-276. County attorney; city attorney; criminal charge, juvenile court petition, pretrial diversion, mediation, or transfer of case; determination; considerations.

The county attorney or city attorney, in making the determination whether to file a criminal charge, file a juvenile court petition, offer juvenile pretrial diversion or mediation, or transfer a case to or from juvenile court, and the juvenile court, county court, or district court in making the determination whether to transfer a case, shall

consider: (1) The type of treatment such juvenile would most likely be amenable to; (2) whether there is evidence that the alleged offense included violence; (3) the motivation for the commission of the offense; (4) the age of the juvenile and the ages and circumstances of any others involved in the offense; (5) the previous history of the juvenile, including whether he or she had been convicted of any previous offenses or adjudicated in juvenile court; (6) the best interests of the juvenile; (7) consideration of public safety; (8) consideration of the juvenile's ability to appreciate the nature and seriousness of his or her conduct; (9) whether the best interests of the juvenile and the security of the public may require that the juvenile continue in secure detention or under supervision for a period extending beyond his or her minority and, if so, the available alternatives best suited to this purpose; (10) whether the victim agrees to participate in mediation; (11) whether there is a juvenile pretrial diversion program established pursuant to sections [43-260.02](#) to [43-260.07](#); (12) whether the juvenile has been convicted of or has acknowledged unauthorized use or possession of a firearm; (13) whether a juvenile court order has been issued for the juvenile pursuant to section [43-2,106.03](#); (14) whether the juvenile is a criminal street gang member; and (15) such other matters as the parties deem relevant to aid in the decision.

[NOTE: Operative Date is January 1, 2015]

43-277. Juvenile in custody; adjudication hearing; requirements. Except as provided in sections 43-254.01 and 43-277.01 and unless sooner released, a juvenile taken into custody or remaining in custody under sections 43-248, 43-250, 43-253, and 43-254 shall be brought before the juvenile court for an adjudication hearing as soon as possible but, in all cases, within a six-month period after a petition is filed. If the juvenile is not brought before the juvenile court within such period of time, he or she shall be released from custody, except that such hearing shall not be had until there is before the court the juvenile when charged under subdivision (1), (2), (3)(b), or (4) of section 43-247, and in all cases the juvenile's custodian or person with whom he or she may be, or his or her parent or guardian, or, if they fail to appear, and in all cases under subdivision (3)(a) of section 43-247, a guardian ad litem. The computation of the six-month period provided for in this section shall be made as provided in section 29-1207, as applicable.

43-277.01. Mental health hearing; requirements. All hearings concerning a juvenile court petition filed pursuant to subdivision (3)(c) of section 43-247 shall be closed to the public except at the request of the juvenile or the juvenile's parent or guardian. Such hearings shall be held in a courtroom or at any convenient and suitable place designated by the juvenile court judge. The proceeding may be conducted where the juvenile is currently residing if the juvenile is unable to travel.

43-278. Adjudication hearing; held within ninety days after petition is filed; additional reviews; telephonic or videoconference hearing; authorized.

Except as provided in sections [43-254.01](#) and [43-277.01](#), all cases filed under subdivision (3) of section [43-247](#) shall have an adjudication hearing not more than ninety days after a petition is filed. Upon a showing of good cause, the court may continue the case beyond the ninety-day period. The court shall also review every case filed under such subdivision which has been adjudicated or transferred to it for disposition not less than once every six months. All communications, notices, orders, authorizations, and requests authorized or required in the Nebraska Juvenile Code; all nonevidentiary hearings; and any evidentiary hearings approved by the court and by stipulation of all parties may be heard by the court telephonically or by videoconferencing in a manner that ensures the preservation of an accurate record. All of the orders generated by way of a telephonic or videoconference hearing shall be recorded as if the judge were conducting a hearing on the record.

43-279. Juvenile violator or juvenile in need of special supervision; rights of parties; proceedings.

(1) The adjudication portion of hearings shall be conducted before the court without a jury, applying the customary rules of evidence in use in trials without a jury. When the petition alleges the juvenile to be within the provisions of subdivision (1), (2), (3)(b), or (4) of section 43-247 and the juvenile or his or her parent, guardian, or custodian appears with or without counsel, the court shall inform the parties:

(a) Of the nature of the proceedings and the possible consequences or dispositions pursuant to sections 43-284 to 43-286, 43-289, and 43-290 that may apply to the juvenile's case following an adjudication of jurisdiction;

(b) Of such juvenile's right to counsel as provided in sections 43-272 and 43-273;

(c) Of the privilege against self-incrimination by advising the juvenile, parent, guardian, or custodian that the juvenile may remain silent concerning the charges against the juvenile and that anything said may be used against the juvenile;

(d) Of the right to confront anyone who testifies against the juvenile and to cross-examine any persons who appear against the juvenile;

(e) Of the right of the juvenile to testify and to compel other witnesses to attend and testify in his or her own behalf;

(f) Of the right of the juvenile to a speedy adjudication hearing; and

(g) Of the right to appeal and have a transcript for such purpose. After giving such warnings and admonitions, the court may accept an in-court admission by the juvenile of all or any part of the allegations in the petition if the court has determined from examination of the juvenile and those present that such admission is intelligently, voluntarily, and understandingly made and with an affirmative waiver of rights and that a factual basis for such admission exists. The court may base its adjudication provided in subsection (2) of this section on such admission.

(2) If the juvenile denies the petition or stands mute the court shall first allow a reasonable time for preparation if needed and then consider only the question of whether the juvenile is a person described by section 43-247. After hearing the evidence on such question, the court shall make a finding and adjudication, to be entered on the records of the court, whether or not the juvenile is a person described by subdivision (1), (2), (3)(b), or (4) of section 43-247 based upon proof beyond a reasonable doubt. If an Indian child is involved, the standard of proof shall be in compliance with the Nebraska Indian Child Welfare Act, if applicable.

(3) If the court shall find that the juvenile named in the petition is not within the provisions of section 43-247, it shall dismiss the case. If the court finds that the juvenile named in the petition is such a juvenile, it shall make and enter its findings and adjudication accordingly, designating which subdivision or subdivisions of section 43-247 such juvenile is within; the court shall allow a reasonable time for preparation if needed and then proceed to an inquiry into the proper disposition to be made of such juvenile.

43-279.01. Juvenile in need of assistance or termination of parental rights; rights of parties; appointment of counsel; court; powers; proceedings.

(1) When the petition alleges the juvenile to be within the provisions of subdivision (3)(a) of section [43-247](#) or when termination of parental rights is sought pursuant to subdivision (6) of section [43-247](#) and the parent, custodian, or guardian appears with or without counsel, the court shall inform the parties of the:

(a) Nature of the proceedings and the possible consequences or dispositions pursuant to sections [43-284](#), [43-285](#), and [43-288](#) to [43-295](#);

(b) Right of the parent to engage counsel of his or her choice at his or her own expense or to have counsel appointed if the parent is unable to afford to hire a lawyer;

(c) Right of a stepparent, custodian, or guardian to engage counsel of his or her choice and, if there are allegations against the stepparent, custodian, or guardian or when the petition is amended to include such allegations, to have counsel appointed if the stepparent, custodian, or guardian is unable to afford to hire a lawyer;

(d) Right to remain silent as to any matter of inquiry if the testimony sought to be elicited might tend to prove the party guilty of any crime;

(e) Right to confront and cross-examine witnesses;

(f) Right to testify and to compel other witnesses to attend and testify;

(g) Right to a speedy adjudication hearing; and

(h) Right to appeal and have a transcript or record of the proceedings for such purpose.

(2) The court shall have the discretion as to whether or not to appoint counsel for a person who is not a party to the proceeding. If counsel is appointed, failure of the party to maintain contact with his or her court-appointed counsel or to keep such counsel advised of the party's current address may result in the counsel being discharged by the court.

(3) After giving the parties the information prescribed in subsection (1) of this section, the court may accept an in-court admission, an answer of no contest, or a denial from any parent, custodian, or guardian as to all or any part of the allegations in the petition. The court shall ascertain a factual basis for an admission or an answer of no contest.

(4) In the case of a denial, the court shall allow a reasonable time for preparation if needed and then proceed to determine the question of whether the juvenile falls under the provisions of section [43-247](#) as alleged. After hearing the evidence, the court shall make a finding and adjudication to be entered on the records of the court as to whether the allegations in the petition have been proven by a preponderance of the evidence in cases under subdivision (3)(a) of section [43-247](#) or by clear and convincing evidence in proceedings to terminate parental rights. If an Indian child is involved, the standard of proof shall be in compliance with the Nebraska Indian Child Welfare Act, if applicable.

(5) If the court shall find that the allegations of the petition or motion have not been proven by the requisite standard of proof, it shall dismiss the case or motion. If the court sustains the petition or motion, it shall allow a reasonable time for preparation if needed and then proceed to inquire into the matter of the proper disposition to be made of the juvenile.

43-280. Adjudication; effect; use of in-court statements. No adjudication by the juvenile court upon the status of a juvenile shall be deemed a conviction nor shall the adjudication operate to impose any of the civil disabilities ordinarily resulting from conviction. The adjudication and the evidence given in the court shall not operate to disqualify such juvenile in any future civil or military service application or appointment. Any admission, confession, or statement made by the juvenile in court and admitted by the court, in a proceeding under section 43-279, shall be inadmissible against such juvenile in any criminal or civil proceeding but may be considered by a court as part of a presentence investigation involving a subsequent transaction.

43-281. Adjudication of jurisdiction; temporary placement for evaluation; restrictions on placement; copy of report or evaluation.

(1) Following an adjudication of jurisdiction and prior to final disposition, the court may place the juvenile with the Office of Juvenile Services or the Department of Health and Human Services for evaluation, except that on and after October 1, 2013, no juvenile adjudicated under subdivision (1), (2), (3)(b), or (4) of section [43-247](#) shall be placed with the office or the department. The office or department shall arrange and pay for an appropriate evaluation if the office or department determines that there are no parental funds or private or public insurance available to pay for such evaluation, except that on and after October 1, 2013, the office and the department shall not be responsible for such evaluations of any juvenile adjudicated under subdivision (1), (2), (3)(b), or (4) of section [43-247](#).

(2) On and after October 1, 2013, following an adjudication of jurisdiction under subdivision (1), (2), (3)(b), or (4) of section [43-247](#) and prior to final disposition, the court may order an evaluation to be arranged by the Office of Probation Administration. For a juvenile in detention, the court shall order that such evaluation be completed and the juvenile returned to the court within twenty-one days after the evaluation. For a juvenile who is not in detention, the evaluation shall be completed and the juvenile returned to the court within thirty days. The physician, psychologist, licensed mental health practitioner, licensed drug and alcohol counselor, or other provider responsible for completing the evaluation shall have up to ten days to complete the evaluation after receiving the referral authorizing the evaluation.

(3) A juvenile pending evaluation ordered under subsection (1) or (2) of this section shall not reside in a detention facility at the time of the evaluation or while waiting for the completed evaluation to be returned to the court unless detention of such juvenile is a matter of immediate and urgent necessity for the protection of such juvenile or the person or property of another or if it appears that such juvenile is likely to flee the jurisdiction of the court.

(4) The court shall provide copies of predisposition reports and evaluations of the juvenile to the juvenile's attorney and the county attorney or city attorney prior to any hearing in which the report or evaluation will be relied upon.

43-282. Juvenile court; transfer case and records to court of domicile. If a petition alleging a juvenile to be within the jurisdiction of the Nebraska Juvenile Code is filed in a county other than the county where the juvenile is presently living or domiciled, the court, at any time after adjudication and prior to final termination of jurisdiction, may transfer the proceedings to the county where the juvenile lives or is domiciled and the court having juvenile court jurisdiction therein shall thereafter have sole charge of such proceedings and full authority to enter any order it could have entered had the adjudication occurred therein.

All documents, social histories, and records, or certified copies thereof, on file with the court pertaining to the case shall accompany the transfer.

43-283. Dispositional hearing; rules of evidence. Strict rules of evidence shall not be applied at any dispositional hearing.

43-283.01. Preserve and reunify the family; reasonable efforts; requirements.

(1) In determining whether reasonable efforts have been made to preserve and reunify the family and in making such reasonable efforts, the juvenile's health and safety are the paramount concern.

(2) Except as provided in subsection (4) of this section, reasonable efforts shall be made to preserve and reunify families prior to the placement of a juvenile in foster care to prevent or eliminate the need for removing the juvenile from the juvenile's home and to make it possible for a juvenile to safely return to the juvenile's home.

(3) If continuation of reasonable efforts to preserve and reunify the family is determined to be inconsistent with the permanency plan determined for the juvenile in accordance with a permanency hearing under section [43-1312](#), efforts shall be made to place the juvenile in a timely manner in accordance with the permanency plan and to complete whatever steps are necessary to finalize the permanent placement of the juvenile.

(4) Reasonable efforts to preserve and reunify the family are not required if a court of competent jurisdiction has determined that:

(a) The parent of the juvenile has subjected the juvenile or another minor child to aggravated circumstances, including, but not limited to, abandonment, torture, chronic abuse, or sexual abuse;

(b) The parent of the juvenile has (i) committed first or second degree murder to another child of the parent, (ii) committed voluntary manslaughter to another child of the parent, (iii) aided or abetted, attempted, conspired, or solicited to commit murder, or aided or abetted voluntary manslaughter of the juvenile or another child of the parent, (iv) committed a felony assault which results in serious bodily injury to the juvenile or another minor child of the parent, or (v) been convicted of felony sexual assault of the other parent of the juvenile under section [28-319.01](#) or [28-320.01](#) or a comparable crime in another state; or

(c) The parental rights of the parent to a sibling of the juvenile have been terminated involuntarily.

(5) If reasonable efforts to preserve and reunify the family are not required because of a court determination made under subsection (4) of this section, a permanency hearing, as provided in section [43-](#)

[1312](#), shall be held for the juvenile within thirty days after the determination, reasonable efforts shall be made to place the juvenile in a timely manner in accordance with the permanency plan, and whatever steps are necessary to finalize the permanent placement of the juvenile shall be made.

(6) Reasonable efforts to place a juvenile for adoption or with a guardian may be made concurrently with reasonable efforts to preserve and reunify the family, but priority shall be given to preserving and reunifying the family as provided in this section.

43-284. Juvenile in need of assistance or special supervision; care and custody; payments for support; removal from home; restrictions.

When any juvenile is adjudged to be under subdivision (3), (4), or (8) of section [43-247](#), the court may permit such juvenile to remain in his or her own home subject to supervision or may make an order committing the juvenile to (1) the care of some suitable institution, (2) inpatient or outpatient treatment at a mental health facility or mental health program, (3) the care of some reputable citizen of good moral character, (4) the care of some association willing to receive the juvenile embracing in its objects the purpose of caring for or obtaining homes for such juveniles, which association shall have been accredited as provided in section [43-296](#), (5) the care of a suitable family, or (6) the care and custody of the Department of Health and Human Services, except that a juvenile who is adjudicated to be a juvenile described in subdivision (3)(b) or (4) of section [43-247](#) shall not be committed to the care and custody or supervision of the department on or after October 1, 2013.

Under subdivision (1), (2), (3), (4), or (5) of this section, upon a determination by the court that there are no parental, private, or other public funds available for the care, custody, education, and maintenance of a juvenile, the court may order a reasonable sum for the care, custody, education, and maintenance of the juvenile to be paid out of a fund which shall be appropriated annually by the county where the petition is filed until suitable provisions may be made for the juvenile without such payment.

The amount to be paid by a county for education pursuant to this section shall not exceed the average cost for education of a public school student in the county in which the juvenile is placed and shall be paid only for education in kindergarten through grade twelve.

The court may enter a dispositional order removing a juvenile from his or her home upon a written determination that continuation in the home would be contrary to the health, safety, or welfare of such juvenile and that reasonable efforts to preserve and reunify the family have been made if required under section [43-283.01](#).

43-284.01. Juvenile voluntarily relinquished; custody; alternative disposition; effect.

Any juvenile adjudged to be under subdivision (7) of section [43-247](#) shall remain in the custody of the Department of Health and Human Services or the licensed child placement agency to whom the juvenile has been relinquished unless the court finds by clear and convincing evidence that the best interests of the juvenile require that an alternative disposition be made. If the court makes such finding, then alternative disposition may be made as provided under section [43-284](#). Such alternative disposition shall relieve the department or licensed child placement agency of all responsibility with regard to such juvenile.

43-284.02. Ward of the department; appointment of guardian; payments allowed.

The Department of Health and Human Services may make payments as needed on behalf of a child who has been a ward of the department after the appointment of a guardian for the child. Such payments to the guardian may include maintenance costs, medical and surgical expenses, and other costs incidental to the care of the child. All such payments shall terminate on or before the child's nineteenth birthday unless the child is eligible for extended guardianship assistance from the department pursuant to sections [43-4511](#) and [43-4514](#). The child under guardianship shall be a child for whom the guardianship would not be possible without the financial aid provided under this section.

The Department of Health and Human Services shall adopt and promulgate rules and regulations for the administration of this section.

43-285. Care of juvenile; duties; authority; placement plan and report; when; standing; Foster Care Review Office or local foster care review board; participation authorized; immunity.

(1) When the court awards a juvenile to the care of the Department of Health and Human Services, an association, or an individual in accordance with the Nebraska Juvenile Code, the juvenile shall, unless otherwise ordered, become a ward and be subject to the legal custody and care of the department, association, or individual to whose care he or she is committed. Any such association and the department shall have authority, by and with the assent of the court, to determine the care, placement, medical services, psychiatric services, training, and expenditures on behalf of each juvenile committed to it. Any such association and the department shall be responsible for applying for any health insurance available to the juvenile, including, but not limited to, medical assistance under the Medical Assistance Act. Such custody and care shall not include the guardianship of any estate of the juvenile.

(2) Following an adjudication hearing at which a juvenile is adjudged to be under subdivision (3)(a) or (c) of section [43-247](#), the court may order the department to prepare and file with the court a proposed plan for the care, placement, services, and permanency which are to be provided to such juvenile and his or her family. The health and safety of the juvenile shall be the paramount concern in the proposed plan. The department shall include in the plan for a juvenile who is sixteen years of age or older and subject to the legal care and custody of the department a written independent living transition proposal which meets the requirements of section [43-1311.03](#) and, for eligible juveniles, the Young Adult Bridge to Independence Act. The juvenile court shall provide a copy of the plan to all interested parties before the hearing. The court may approve the plan, modify the plan, order that an alternative plan be developed, or implement another plan that is in the juvenile's best interests. In its order the court shall include a finding regarding the appropriateness of the programs and services described in the proposal designed to assist the juvenile in acquiring independent living skills. Rules of evidence shall not apply at the dispositional hearing when the court considers the plan that has been presented.

(3) Within thirty days after an order awarding a juvenile to the care of the department, an association, or an individual and until the juvenile reaches the age of majority, the department, association, or individual shall file with the court a report stating the location of the juvenile's placement and the needs of the juvenile in order to effectuate the purposes of subdivision (1) of section [43-246](#). The department, association, or individual shall file a report with the court once every six months or at shorter intervals if ordered by the court or deemed appropriate by the department, association, or individual. Every six months, the report shall provide an updated statement regarding the eligibility of the juvenile for health insurance, including, but not limited to, medical assistance under the Medical Assistance Act. The department, association, or individual shall file a report and notice of placement change with the court and shall send copies of the notice to all interested parties at least seven days before the placement of the juvenile is changed from what the court originally considered to be a suitable family home or institution to some other custodial situation in order to effectuate the purposes of subdivision (1) of section [43-246](#). The court, on its own motion or upon the filing of an objection to the change by an interested party, may order a hearing to review such a change in placement and may order that the change be stayed until the completion of the hearing. Nothing in this section shall prevent the court on an ex parte basis from approving an immediate change in placement upon good cause shown. The department may make an immediate change in placement without court approval only if the juvenile is in a harmful or dangerous situation or when the foster parents request that the juvenile be removed from their home. Approval of the court shall be sought within twenty-four hours after making the change in placement or as soon thereafter as possible. The department shall provide the juvenile's guardian ad litem with a copy of any report filed with the court by the department pursuant to this subsection.

(4) The court shall also hold a permanency hearing if required under section [43-1312](#).

(5) When the court awards a juvenile to the care of the department, an association, or an individual, then the department, association, or individual shall have standing as a party to file any pleading or motion, to be heard by the court with regard to such filings, and to be granted any review or relief requested in such filings consistent with the Nebraska Juvenile Code.

(6) Whenever a juvenile is in a foster care placement as defined in section [43-1301](#), the Foster Care Review Office or the designated local foster care review board may participate in proceedings concerning the juvenile as provided in section [43-1313](#) and notice shall be given as provided in section [43-1314](#).

(7) Any written findings or recommendations of the Foster Care Review Office or the designated local foster care review board with regard to a juvenile in a foster care placement submitted to a court having jurisdiction over such juvenile shall be admissible in any proceeding concerning such juvenile if such findings or recommendations have been provided to all other parties of record.

(8) The executive director and any agent or employee of the Foster Care Review Office or any member of any local foster care review board participating in an investigation or making any report pursuant to the Foster Care Review Act or participating in a judicial proceeding pursuant to this section shall be immune from any civil liability that would otherwise be incurred except for false statements negligently made.

43-286. Juvenile violator or juvenile in need of special supervision; disposition; violation of probation, supervision, or court order; procedure; discharge; procedure; notice; hearing; individualized reentry plan.

(1) When any juvenile is adjudicated to be a juvenile described in subdivision (1), (2), or (4) of section [43-247](#):

(a)(i) This subdivision applies until October 1, 2013. The court may continue the dispositional portion of the hearing, from time to time upon such terms and conditions as the court may prescribe, including an order of restitution of any property stolen or damaged or an order requiring the juvenile to participate in community service programs, if such order is in the interest of the juvenile's reformation or rehabilitation, and, subject to the further order of the court, may:

- (A) Place the juvenile on probation subject to the supervision of a probation officer;
- (B) Permit the juvenile to remain in his or her own home or be placed in a suitable family home, subject to the supervision of the probation officer; or
- (C) Cause the juvenile to be placed in a suitable family home or institution, subject to the supervision of the probation officer. If the court has committed the juvenile to the care and custody of the Department of Health and Human Services, the department shall pay the costs of the suitable family home or institution which are not otherwise paid by the juvenile's parents.

Under subdivision (1)(a)(i) of this section, upon a determination by the court that there are no parental, private, or other public funds available for the care, custody, and maintenance of a juvenile, the court may order a reasonable sum for the care, custody, and maintenance of the juvenile to be paid out of a fund which shall be appropriated annually by the county where the petition is filed until a suitable provision may be made for the juvenile without such payment.

(ii) This subdivision applies beginning October 1, 2013. The court may continue the dispositional portion of the hearing, from time to time upon such terms and conditions as the court may prescribe, including an order of restitution of any property stolen or damaged or an order requiring the juvenile to participate in community service programs, if such order is in the interest of the juvenile's reformation or rehabilitation, and, subject to the further order of the court, may:

- (A) Place the juvenile on probation subject to the supervision of a probation officer; or
- (B) Permit the juvenile to remain in his or her own home or be placed in a suitable family home or institution, subject to the supervision of the probation officer;

(b)(i) This subdivision applies to all juveniles committed to the Office of Juvenile Services prior to July 1, 2013. The court may commit such juvenile to the Office of Juvenile Services, but a juvenile under the age of fourteen years shall not be placed at the Youth Rehabilitation and Treatment Center-Geneva or the Youth Rehabilitation and Treatment Center-Kearney unless he or she has violated the terms of probation or has committed an additional offense and the court finds that the interests of the juvenile and the welfare of the community demand his or her commitment. This minimum age provision shall not apply if the act in question is murder or manslaughter.

(ii) This subdivision applies to all juveniles committed to the Office of Juvenile Services for placement at a youth rehabilitation and treatment center on or after July 1, 2013. When it is alleged that the juvenile has exhausted all levels of probation supervision and options for community-based services and section [43-251.01](#) has been satisfied, a motion for commitment to a youth rehabilitation and treatment center may be filed and proceedings held as follows:

(A) The motion shall set forth specific factual allegations that support the motion and a copy of such motion shall be served on all persons required to be served by sections [43-262](#) to [43-267](#); and

(B) The juvenile shall be entitled to a hearing before the court to determine the validity of the allegations. At such hearing the burden is upon the state by a preponderance of the evidence to show that:

(I) All levels of probation supervision have been exhausted;

(II) All options for community-based services have been exhausted; and

(III) Placement at a youth rehabilitation and treatment center is a matter of immediate and urgent necessity for the protection of the juvenile or the person or property of another or if it appears that such juvenile is likely to flee the jurisdiction of the court.

After the hearing, the court may commit such juvenile to the Office of Juvenile Services for placement at a youth rehabilitation and treatment center as a condition of an order of intensive supervised probation. Upon commitment by the court to the Office of Juvenile Services, the court shall immediately notify the Office of Juvenile Services of the commitment. Intensive supervised probation for purposes of this subdivision means that the Office of Juvenile Services shall be responsible for the care and custody of the juvenile until the Office of Juvenile Services discharges the juvenile from commitment to the Office of Juvenile Services. Upon discharge of the juvenile, the court shall hold a review hearing on the conditions of probation and enter any order allowed under subdivision (1)(a) of this section.

The Office of Juvenile Services shall notify those required to be served by sections [43-262](#) to [43-267](#), all interested parties, and the committing court of the pending discharge of a juvenile from the youth rehabilitation and treatment center sixty days prior to discharge and again in every case not less than thirty days prior to discharge. Upon notice of pending discharge by the Office of Juvenile Services, the court shall set a continued disposition hearing in anticipation of reentry. The Office of Juvenile Services shall work in collaboration with the Office of Probation Administration in developing an individualized reentry plan for the juvenile as provided in section [43-425](#). The Office of Juvenile Services shall provide a copy of the individualized reentry plan to the juvenile, the juvenile's attorney, and the county attorney or city attorney prior to the continued disposition hearing. At the continued disposition hearing, the court shall review and approve or modify the individualized reentry plan, place the juvenile under probation supervision, and enter any other order allowed by law. No hearing is required if all interested parties stipulate to the individualized reentry plan by signed motion. In such a case, the court shall approve the conditions of probation, approve the individualized reentry plan, and place the juvenile under probation supervision.

The Office of Juvenile Services is responsible for transportation of the juvenile to and from the youth rehabilitation and treatment center. The Office of Juvenile Services may contract for such services. A plan for a juvenile's

transport to return to the community shall be a part of the individualized reentry plan. The Office of Juvenile Services may approve family to provide such transport when specified in the individualized reentry plan; or

(c) Beginning July 1, 2013, and until October 1, 2013, the court may commit such juvenile to the Office of Juvenile Services for community supervision.

(2) When any juvenile is found by the court to be a juvenile described in subdivision (3)(b) of section [43-247](#), the court may enter such order as it is empowered to enter under subdivision (1)(a) of this section or until October 1, 2013, enter an order committing or placing the juvenile to the care and custody of the Department of Health and Human Services.

(3) When any juvenile is adjudicated to be a juvenile described in subdivision (1), (2), (3)(b), or (4) of section [43-247](#) because of a nonviolent act or acts and the juvenile has not previously been adjudicated to be such a juvenile because of a violent act or acts, the court may, with the agreement of the victim, order the juvenile to attend juvenile offender and victim mediation with a mediator or at an approved center selected from the roster made available pursuant to section [25-2908](#).

(4) When a juvenile is placed on probation and a probation officer has reasonable cause to believe that such juvenile has committed or is about to commit a substance abuse violation, a noncriminal violation, or a violation of a condition of his or her probation, the probation officer shall take appropriate measures as provided in section [43-286.01](#).

(5)(a) When a juvenile is placed on probation or under the supervision of the court and it is alleged that the juvenile is again a juvenile described in subdivision (1), (2), (3)(b), or (4) of section [43-247](#), a petition may be filed and the same procedure followed and rights given at a hearing on the original petition. If an adjudication is made that the allegations of the petition are true, the court may make any disposition authorized by this section for such adjudications.

(b) When a juvenile is placed on probation or under the supervision of the court for conduct under subdivision (1), (2), (3)(b), or (4) of section [43-247](#) and it is alleged that the juvenile has violated a term of probation or supervision or that the juvenile has violated an order of the court, a motion to revoke probation or supervision or to change the disposition may be filed and proceedings held as follows:

(i) The motion shall set forth specific factual allegations of the alleged violations and a copy of such motion shall be served on all persons required to be served by sections [43-262](#) to [43-267](#);

(ii) The juvenile shall be entitled to a hearing before the court to determine the validity of the allegations. At such hearing the juvenile shall be entitled to those rights relating to counsel provided by section [43-272](#) and those rights relating to detention provided by sections [43-254](#) to [43-256](#). The juvenile shall also be entitled to speak and present documents, witnesses, or other evidence on his or her own behalf. He or she may confront persons who have given adverse information concerning the alleged violations, may cross-examine such persons, and may show that he or she did not violate the conditions of his or her probation or supervision or an order of the court or, if he or she did, that mitigating circumstances suggest that the violation does not warrant revocation of probation or supervision or a change of disposition. The hearing shall be held within a reasonable time after the juvenile is taken into custody;

(iii) The hearing shall be conducted in an informal manner and shall be flexible enough to consider evidence, including letters, affidavits, and other material, that would not be admissible in an adversarial criminal trial;

(iv) The juvenile shall be given a preliminary hearing in all cases when the juvenile is confined, detained, or otherwise significantly deprived of his or her liberty as a result of his or her alleged violation of probation, supervision, or court order. Such preliminary hearing shall be held before an impartial person other than his or her probation officer or any person directly involved with the case. If, as a result of such preliminary hearing, probable cause is found to exist, the juvenile shall be entitled to a hearing before the court in accordance with this subsection;

(v) If the juvenile is found by the court to have violated the terms of his or her probation or supervision or an order of the court, the court may modify the terms and conditions of the probation, supervision, or other court order, extend the period of probation, supervision, or other court order, or enter any order of disposition that could have been made at the time the original order was entered; and

(vi) In cases when the court revokes probation, supervision, or other court order, it shall enter a written statement as to the evidence relied on and the reasons for revocation.

(6) Costs incurred on behalf of a juvenile under this section shall be paid as provided in section [43-290.01](#).

(7) When any juvenile is adjudicated to be a juvenile described in subdivision (4) of section [43-247](#), the juvenile court shall within thirty days of adjudication transmit to the Director of Motor Vehicles an abstract of the court record of adjudication.

43-286.01. Juveniles; substance abuse or noncriminal violations of probation; administrative sanctions; probation officer; duties; powers; county attorney; file action to revoke probation; when.

(1) For purposes of this section:

(a) Administrative sanction means additional probation requirements imposed upon a juvenile subject to the supervision of a probation officer by his or her probation officer, with the full knowledge and consent of such juvenile and such juvenile's parents or guardian, designed to hold such juvenile accountable for substance abuse or noncriminal violations of conditions of probation, including, but not limited to:

- (i) Counseling or reprimand by his or her probation officer;
- (ii) Increased supervision contact requirements;
- (iii) Increased substance abuse testing;
- (iv) Referral for substance abuse or mental health evaluation or other specialized assessment, counseling, or treatment;
- (v) Modification of a designated curfew for a period not to exceed thirty days;
- (vi) Community service for a specified number of hours pursuant to sections 29-2277 to 29-2279;
- (vii) Travel restrictions to stay within his or her residence or county of residence or employment unless otherwise permitted by the supervising probation officer;
- (viii) Restructuring court-imposed financial obligations to mitigate their effect on the juvenile subject to the supervision of a probation officer; and
- (ix) Implementation of educational or cognitive behavioral programming;

(b) Noncriminal violation means activities or behaviors of a juvenile subject to the supervision of a probation officer which create the opportunity for re-offending or which diminish the effectiveness of probation supervision resulting in a violation of an original condition of probation, including, but not limited to:

- (i) Moving traffic violations;
- (ii) Failure to report to his or her probation officer;
- (iii) Leaving the juvenile's residence, jurisdiction of the court, or the state without the permission of the court or his or her probation officer;
- (iv) Failure to regularly attend school, vocational training, other training, counseling, treatment, programming, or employment;
- (v) Noncompliance with school rules;
- (vi) Continued violations of home rules;

- (x) Curfew or electronic monitoring violations; and

(c) Substance abuse violation means activities or behaviors of a juvenile subject to the supervision of a probation officer associated with the use of chemical substances or related treatment services resulting in a violation of an original condition of probation, including, but not limited to:

- (iii) Failure to report for alcohol testing or drug testing;
- (iv) Failure to appear for or complete substance abuse or mental health treatment evaluations or inpatient or outpatient treatment; and
- (v) Tampering with alcohol or drug testing.

(2) Whenever a probation officer has reasonable cause to believe that a juvenile subject to the supervision of a probation officer has committed or is about to commit a substance abuse violation or noncriminal violation while on probation, but that such juvenile will not attempt to leave the jurisdiction and will not place lives or property in danger, the probation officer shall either:

(a) Impose one or more administrative sanctions with the approval of his or her chief probation officer or such chief's designee. The decision to impose administrative sanctions in lieu of formal revocation proceedings rests with the probation officer and his or her chief probation officer or such chief's designee and shall be based upon such juvenile's risk level, the severity of the violation, and the juvenile's response to the violation. If administrative sanctions are to be imposed, such juvenile shall acknowledge in writing the nature of the violation and agree upon the administrative sanction with approval of such juvenile's parents or guardian. Such juvenile has the right to decline to acknowledge the violation, and if he or she declines to acknowledge the violation, the probation officer shall submit a written report pursuant to subdivision (2)(b) of this section. A copy of the report shall be submitted to the county attorney of the county where probation was imposed; or

(b) Submit a written report to the adjudicating court with a copy to the county attorney of the county where probation was imposed, outlining the nature of the probation violation and request that formal revocation proceedings be instituted against the juvenile subject to the supervision of a probation officer.

(3) Whenever a probation officer has reasonable cause to believe that a juvenile subject to the supervision of a probation officer has violated or is about to violate a condition of probation other than a substance abuse violation or noncriminal violation and that such juvenile will not attempt to leave the jurisdiction and will not place lives or property in danger, the probation officer shall submit a written report to the adjudicating court, with a copy to the county attorney of the county where probation was imposed, outlining the nature of the probation violation.

(4) Whenever a probation officer has reasonable cause to believe that a juvenile subject to the supervision of a probation officer has violated or is about to violate a condition of his or her probation and that such juvenile will attempt to leave the jurisdiction or will place lives or property in danger, the probation officer shall take such juvenile into temporary custody without a warrant and may call on any peace officer for assistance as provided in section 43-248.

(5) Immediately after detention pursuant to subsection (4) of this section, the probation officer shall notify the county attorney of the county where probation was imposed and submit a written report of the reason for such detention and of any violation of probation. After prompt consideration of the written report, the county attorney shall:

- (a) Order the release of the juvenile from confinement subject to the supervision of a probation officer; or
- (b) File with the adjudicating court a motion or information to revoke the probation.

(6) Whenever a county attorney receives a report from a probation officer that a juvenile subject to the supervision of a probation officer has violated a condition of probation, the county attorney may file a motion or information to revoke probation.

(7) The probation administrator shall adopt and promulgate rules and regulations to carry out this section.

43-287. Impoundment of license or permit issued under Motor Vehicle Operator's License Act; other powers of court; copy of abstract to Department of Motor Vehicles; fine for excessive absenteeism from school; not eligible for ignition interlock permit.

(1) When a juvenile is adjudged to be a juvenile described in subdivision (1), (2), (3)(b), or (4) of section [43-247](#), the juvenile court may:

(a) If such juvenile holds any license or permit issued under the Motor Vehicle Operator's License Act, impound any such license or permit for thirty days; or

(b) If such juvenile does not have a permit or license issued under the Motor Vehicle Operator's License Act, prohibit such juvenile from obtaining any permit or any license pursuant to the act for which such juvenile would otherwise be eligible until thirty days after the date of such order.

(2) A copy of an abstract of the juvenile court's adjudication shall be transmitted to the Director of Motor Vehicles pursuant to sections [60-497.01](#) to [60-497.04](#) if a license or permit is impounded or a juvenile is prohibited from obtaining a license or permit under subsection (1) of this section. If a juvenile whose operator's license or permit has been impounded by a juvenile court operates a motor vehicle during any period that he or she is subject to the court order not to operate any motor vehicle or after a period of impoundment but before return of the license or permit, such violation shall be handled in the juvenile court and not as a violation of section [60-4,108](#).

(3) When a juvenile is adjudged to be a juvenile described in subdivision (3)(a) of section [43-247](#) for excessive absenteeism from school, the juvenile court may issue the parents or guardians of such juvenile a fine not to exceed five hundred dollars for each offense or order such parents or guardians to complete specified hours of community service. For community service ordered under this subsection, the juvenile court may require that all or part of the service be performed for a public school district or nonpublic school if the court finds that service in the school is appropriate under the circumstances.

(4) A juvenile who holds any license or permit issued under the Motor Vehicle Operator's License Act and has violated subdivision (3)(b) or (c) of section [28-306](#), subdivision (3)(b) or (c) of section [28-394](#), or section [28-1254](#), [60-6,196](#), [60-6,197](#), or [60-6,197.06](#) shall not be eligible for an ignition interlock permit.

43-288. Order allowing juvenile to return or remain at home; conditions and requirements. If the court's order of disposition permits the juvenile to remain in his or her own home as provided by section 43-284 or 43-286, the court may, as a condition or conditions to the juvenile's continuing to remain in his or her own home, or in cases under such sections when the juvenile is placed or detained outside his or her home, as a condition of the court allowing the juvenile to return home, require the parent, guardian, or other custodian to:

(1) Eliminate the specified conditions constituting or contributing to the problems which led to juvenile court action;

(2) Provide adequate food, shelter, clothing, and medical care and for other needs of the juvenile;

(3) Give adequate supervision to the juvenile in the home;

(4) Take proper steps to insure the juvenile's regular school attendance;

(5) Cease and desist from specified conduct and practices which are injurious to the welfare of the juvenile; and

(6) Resume proper responsibility for the care and supervision of the juvenile.

The terms and conditions imposed in any particular case shall relate to the acts or omissions of the juvenile, the parent, or other person responsible for the care of the juvenile which constituted or contributed to the problems which led to the juvenile court action in such case. The maximum duration of any such term or condition shall be one year unless the court finds that at the conclusion of that period exceptional circumstances require an extension of the period for an additional year.

43-289. Juvenile committed; release from confinement upon reaching age of majority; hospital treatment; custody in state institutions; discharge.

In no case shall a juvenile committed under the terms of the Nebraska Juvenile Code be confined after he or she reaches the age of majority. The court may, when the health or condition of any juvenile adjudged to be within the terms of such code shall require it, cause the juvenile to be placed in a public hospital or institution for treatment or special care or in an accredited and suitable private hospital or institution which will receive the juvenile for like purposes. Whenever any juvenile has been committed to the Department of Health and Human Services, the department shall follow the court's orders, if any, concerning the juvenile's specific needs for treatment or special care for his or her physical well-being and healthy personality. If the court finds any such juvenile to be a person with an intellectual disability, the court may, upon attaching a physician's certificate and a report as to the mental capacity of such person, commit such juvenile directly to an authorized and appropriate state or local facility or home.

The marriage of any juvenile committed to a state institution under the age of nineteen years shall not make such juvenile of the age of majority.

A juvenile committed to any such institution shall be subject to the control of the superintendent thereof, and the superintendent, with the advice and consent of the Department of Health and Human Services, shall adopt and promulgate rules and regulations for the promotion, paroling, and final discharge of residents such as shall be considered mutually beneficial for the institution and the residents. Upon final discharge of any resident, such department shall file a certified copy of the discharge with the court which committed the resident.

43-290. Costs of care and treatment; payment; procedure.

It is the purpose of this section to promote parental responsibility and to provide for the most equitable use and availability of public money.

Pursuant to a petition filed by a county attorney or city attorney having knowledge of a juvenile in his or her jurisdiction who appears to be a juvenile described in subdivision (1), (2), (3), or (4) of section [43-247](#), whenever the care or custody of a juvenile is given by the court to someone other than his or her parent, which shall include placement with a state agency, or when a juvenile is given medical, psychological, or psychiatric study or treatment under order of the court, the court shall make a determination of support to be paid by a parent for the juvenile at the same proceeding at which placement, study, or treatment is determined or at a separate proceeding. Such proceeding, which may occur prior to, at the same time as, or subsequent to adjudication, shall be in the nature of a disposition hearing.

At such proceeding, after summons to the parent of the time and place of hearing served as provided in sections [43-262](#) to [43-267](#), the court may order and decree that the parent shall pay, in such manner as the court may direct, a reasonable sum that will cover in whole or part the support, study, and treatment of the juvenile, which amount ordered paid shall be the extent of the liability of the parent. The court in making such order shall give due regard to the cost of the support, study, and treatment of the juvenile, the ability of the parent to pay, and the availability of money for the support of the juvenile from previous judicial decrees, social security benefits, veterans benefits, or other sources. Support thus received by the court shall be transmitted to the person, agency, or institution having financial responsibility for such support, study, or treatment and, if a state agency or institution, remitted by such state agency or institution quarterly to the Director of Administrative Services for credit to the proper fund.

Whenever medical, psychological, or psychiatric study or treatment is ordered by the court, whether or not the juvenile is placed with someone other than his or her parent, or if such study or treatment is otherwise provided as determined necessary by the custodian of the juvenile, the court shall inquire as to the availability of insured or uninsured health care coverage or service plans which include the juvenile. The court may order the parent to pay over any plan benefit sums received on coverage for the juvenile. The payment of any deductible under the health

care benefit plan covering the juvenile shall be the responsibility of the parent. If the parent willfully fails or refuses to pay the sum ordered or to pay over any health care plan benefit sums received, the court may proceed against him or her as for contempt, either on the court's own motion or on the motion of the county attorney or authorized attorney as provided in section [43-512](#), or execution shall issue at the request of any person, agency, or institution treating or maintaining such juvenile. The court may afterwards, because of a change in the circumstances of the parties, revise or alter the order of payment for support, study, or treatment.

If the juvenile has been committed to the care and custody of the Department of Health and Human Services, the department shall pay the costs for the support, study, or treatment of the juvenile which are not otherwise paid by the juvenile's parent.

If no provision is otherwise made by law for the support or payment for the study or treatment of the juvenile, compensation for the support, study, or treatment shall be paid, when approved by an order of the court, out of a fund which shall be appropriated by the county in which the petition is filed.

The juvenile court shall retain jurisdiction over a parent ordered to pay support for the purpose of enforcing such support order for so long as such support remains unpaid but not to exceed ten years from the nineteenth birthday of the youngest child for whom support was ordered.

43-290.01. Costs; payment.

(1) Payment of costs for juveniles described in or alleged to be described in subdivision (1), (2), (3)(b), or (4) of section [43-247](#), except as ordered by the court pursuant to section [43-290](#), shall be paid by:

(a) The county for the period of time prior to adjudication, except as provided in subdivision (1)(b) of this section. Such costs paid for by the county include, but are not limited to, the costs of detention, services, detention alternatives, treatment, voluntary services, and transportation;

(b) The Office of Probation Administration for:

(i) The period of time after adjudication until termination of court jurisdiction, including, but not limited to, the costs of evaluations, detention, services, placement that is not detention, detention alternatives, treatment, voluntary services, and transportation, other than transportation paid under subdivision (1)(c) of this section;

(ii) The time period prior to adjudication for a juvenile who is on probation and is alleged to have committed a new violation or is a juvenile who is subject to a motion to revoke probation; and

(iii) Preadjudication evaluations and preadjudication placements that are not detention; and

(c) The Office of Juvenile Services for any period of time from when the court commits the juvenile to the Office of Juvenile Services until the juvenile is discharged by the Office of Juvenile Services, including, but not limited to, the costs of evaluations, placement, services, detention including detention costs prior to placement, and transportation to and from the youth rehabilitation and treatment center.

(2) For payment of costs involved in the adjudication and disposition of juveniles, other than those described in subsection (1) or (3) of this section:

(a) The Department of Health and Human Services shall pay the costs incurred during an evaluation or placement with the department that is ordered by the court except as otherwise ordered by the court pursuant to section [43-290](#);

(b) Payment of costs for juveniles with a court adjudication or disposition under section [43-284](#): Upon a determination by the court that there are no parental, private, or other funds available for the care,

custody, education, and maintenance of the juvenile, the court may order a reasonable sum for the care, custody, education, and maintenance of the juvenile to be paid out of a fund appropriated annually by the county where the petition is filed until suitable provisions are made for the juvenile without such payment. The amount to be paid by a county for education shall not exceed the average cost for education of a public school student in the county in which the juvenile is placed and shall be paid only for education in kindergarten through grade twelve; and

(c) Other costs shall be as provided in section [43-290](#).

(3) Payment of costs of medical expenses of juveniles under the Nebraska Juvenile Code shall be as provided in section [43-290](#).

43-291. Termination of parental rights; proceedings. Facts may also be set forth in the original petition, a supplemental petition, or motion filed with the court alleging that grounds exist for the termination of parental rights. After a petition, a supplemental petition, or motion has been filed, the court shall cause to be endorsed on the summons and notice that the proceeding is one to terminate parental rights, shall set the time and place for the hearing, and shall cause summons and notice, with a copy of the petition, supplemental petition, or motion attached, to be given in the same manner as required in other cases before the juvenile court.

43-292. Termination of parental rights; grounds. The court may terminate all parental rights between the parents or the mother of a juvenile born out of wedlock and such juvenile when the court finds such action to be in the best interests of the juvenile and it appears by the evidence that one or more of the following conditions exist:

- (1) The parents have abandoned the juvenile for six months or more immediately prior to the filing of the petition;
- (2) The parents have substantially and continuously or repeatedly neglected and refused to give the juvenile or a sibling of the juvenile necessary parental care and protection;
- (3) The parents, being financially able, have willfully neglected to provide the juvenile with the necessary subsistence, education, or other care necessary for his or her health, morals, or welfare or have neglected to pay for such subsistence, education, or other care when legal custody of the juvenile is lodged with others and such payment ordered by the court;
- (4) The parents are unfit by reason of debauchery, habitual use of intoxicating liquor or narcotic drugs, or repeated lewd and lascivious behavior, which conduct is found by the court to be seriously detrimental to the health, morals, or well-being of the juvenile;
- (5) The parents are unable to discharge parental responsibilities because of mental illness or mental deficiency and there are reasonable grounds to believe that such condition will continue for a prolonged indeterminate period;
- (6) Following a determination that the juvenile is one as described in subdivision (3)(a) of section [43-247](#), reasonable efforts to preserve and reunify the family if required under section [43-283.01](#), under the direction of the court, have failed to correct the conditions leading to the determination;
- (7) The juvenile has been in an out-of-home placement for fifteen or more months of the most recent twenty-two months;
- (8) The parent has inflicted upon the juvenile, by other than accidental means, serious bodily injury;
- (9) The parent of the juvenile has subjected the juvenile or another minor child to aggravated circumstances, including, but not limited to, abandonment, torture, chronic abuse, or sexual abuse;
- (10) The parent has (a) committed murder of another child of the parent, (b) committed voluntary manslaughter of another child of the parent, (c) aided or abetted, attempted, conspired, or solicited to commit murder, or aided or abetted voluntary manslaughter of the juvenile or another child of the parent, or (d) committed a felony assault that resulted in serious bodily injury to the juvenile or another minor child of the parent; or
- (11) One parent has been convicted of felony sexual assault of the other parent under section [28-319.01](#) or [28-320.01](#) or a comparable crime in another state.

43-292.01. Termination of parental rights; appointment of guardian ad litem; when. When termination of the parent-juvenile relationship is sought under subdivision (5) of section 43-292, the court shall appoint a guardian ad litem for the alleged incompetent parent. The court may, in any other case, appoint a guardian ad litem, as deemed necessary or desirable, for any party. The guardian ad litem shall be paid a reasonable fee set by the court and paid from the general fund of the county.

43-292.02. Termination of parental rights; state; duty to file petition; when.

(1) A petition shall be filed on behalf of the state to terminate the parental rights of the juvenile's parents or, if such a petition has been filed by another party, the state shall join as a party to the petition, and the state shall concurrently identify, recruit, process, and approve a qualified family for an adoption of the juvenile, if:

(a) A juvenile has been in foster care under the responsibility of the state for fifteen or more months of the most recent twenty-two months; or

(b) A court of competent jurisdiction has determined the juvenile to be an abandoned infant or has made a determination that the parent has committed murder of another child of the parent, committed voluntary manslaughter of another child of the parent, aided or abetted, attempted, conspired, or solicited to commit murder, or aided or abetted voluntary manslaughter of the juvenile or another child of the parent, or committed a felony assault that has resulted in serious bodily injury to the juvenile or another minor child of the parent. For purposes of this subdivision, infant means a child eighteen months of age or younger.

(2) A petition shall not be filed on behalf of the state to terminate the parental rights of the juvenile's parents or, if such a petition has been filed by another party, the state shall not join as a party to the petition if the sole factual basis for the petition is that (a) the parent or parents of the juvenile are financially unable to provide health care for the juvenile or (b) the parent or parents of the juvenile are incarcerated. The fact that a qualified family for an adoption of the juvenile has been identified, recruited, processed, and approved shall have no bearing on whether parental rights shall be terminated.

(3) The petition is not required to be filed on behalf of the state or if a petition is filed the state shall not be required to join in a petition to terminate parental rights or to concurrently find a qualified family to adopt the juvenile under this section if:

(a) The child is being cared for by a relative;

(b) The Department of Health and Human Services has documented in the case plan or permanency plan, which shall be available for court review, a compelling reason for determining that filing such a petition would not be in the best interests of the juvenile; or

(c) The family of the juvenile has not had a reasonable opportunity to avail themselves of the services deemed necessary in the case plan or permanency plan approved by the court if reasonable efforts to preserve and reunify the family are required under section 43-283.01

43-292.03. Termination of parental rights; state; Department of Health and Human Services; duties.

(1) Within thirty days after the fifteen-month period under subsection (1) of section 43-292.02, the court shall hold a hearing on the record and shall make a determination on the record as to whether there is an exception under subsection (3) of section 43-292.02 in this particular case. If there is no exception, the state shall proceed as provided in subsection (1) of section 43-292.02.

(2) The Department of Health and Human Services shall submit on a timely basis, to the court in which the petition to place the juvenile in an out-of-home placement was filed and to the county attorney who filed the petition, a list of the name of each juvenile who has been in an out-of-home placement for fifteen or more months of the most recent twenty-two months.

43-293. Termination of parental rights; effect; adoption; consent. When the parental rights have been terminated under section 43-292 and the care of the juvenile is awarded to the Department of Health and Human

Services, the department shall have authority to consent to the legal adoption of such juvenile and no other consent shall be required to authorize any court having jurisdiction to enter a legal decree of adoption of such juvenile. When the care of such juvenile is awarded to an individual or association and the parental rights have been terminated by the juvenile court, such individual or association may consent, only when authorized by order of such juvenile court, to the legal adoption of such juvenile and no other consent shall be required to authorize any court having jurisdiction to enter a legal decree of adoption of such juvenile. An order terminating the parent-juvenile relationship shall divest the parent and juvenile of all legal rights, privileges, duties, and obligations with respect to each other and the parents shall have no rights of inheritance with respect to such juvenile. The order terminating parental rights shall be final and may be appealed in the same manner as other final judgments of a juvenile court.

43-294. Termination of parental rights; custodian; rights; obligations. The custodian appointed by a juvenile court shall have charge of the person of the juvenile and the right to make decisions affecting the person of the juvenile, including medical, dental, surgical, or psychiatric treatment, except that consent to a juvenile marrying or joining the armed forces of the United States may be given by a custodian, other than the Department of Health and Human Services, with approval of the juvenile court, or by the department, as to juveniles in its custody, without further court authority. The authority of a custodian appointed by a juvenile court shall terminate when the individual under legal custody reaches nineteen years of age, is legally adopted, or the authority is terminated by order of the juvenile court. When an adoption has been granted by a court of competent jurisdiction as to any such juvenile, such fact shall be reported immediately by such custodian to the juvenile court. If the adoption is denied the jurisdiction over the juvenile shall immediately revert to the court which authorized placement of the juvenile for adoption. Any association or individual receiving the care or custody of any such juvenile shall be subject to visitation or inspection by the Department of Health and Human Services, or any probation officer of such court or any person appointed by the court for such purpose, and the court may at any time require from such association or person a report or reports containing such information or statements as the judge shall deem proper or necessary to be fully advised as to the care, maintenance, and moral and physical training of the juvenile, as well as the standing and ability of such association or individual to care for such juvenile. The custodian so appointed by the court shall have standing as a party in that case to file any pleading or motion, to be heard by the court with regard to such filings, and to be granted any review or relief requested in such filings consistent with Chapter 43, article 2.

43-295. Juvenile court; continuing jurisdiction; exception. Except when the juvenile has been legally adopted, the jurisdiction of the court shall continue over any juvenile brought before the court or committed under the Nebraska Juvenile Code and the court shall have power to order a change in the custody or care of any such juvenile if at any time it is made to appear to the court that it would be for the best interests of the juvenile to make such change.

43-296. Associations receiving juveniles; supervision by Department of Health and Human Services; certificate; reports; statements.

All associations receiving juveniles under the Nebraska Juvenile Code shall be subject to the same visitation, inspection, and supervision by the Department of Health and Human Services as are public charitable institutions of this state, and it shall be the duty of the department to pass annually upon the fitness of every such association as may receive or desire to receive juveniles under the provisions of such code. Every such association shall annually, on or before September 15, make a report to the department showing its condition, management, and competency to adequately care for such juveniles as are or may be committed to it and such other facts as the department may require. Upon receiving such report, the department shall provide an electronic copy of such report to the Health and Human Services Committee of the Legislature on or before September 15 of 2012, 2013, and 2014. Upon the department being satisfied that such association is competent and has adequate facilities to care for such juveniles, it shall issue to such association a certificate to that effect, which certificate shall continue in force for one year unless sooner revoked by the department. No juvenile shall be committed to any such association which has not received such a certificate within the fifteen months immediately preceding the commitment. The court may at any time require from any association receiving or desiring to receive juveniles under the provisions of the Nebraska Juvenile Code such reports, information, and statements as the judge shall deem proper and

necessary for his or her action, and the court shall in no case be required to commit a juvenile to any association whose standing, conduct, or care of juveniles or ability to care for the same is not satisfactory to the court.

43-297. Juveniles in need of assistance; placement with association or institution; agreements; effect. It shall be lawful for the parent, guardian, or other person having the right to dispose of a juvenile defined in subdivision (3)(a) of section 43-247 to enter into an agreement with any association or institution incorporated under any public or private law of this state or any other state, for the purpose of aiding, caring for, or placing such juveniles in homes and, subject to approval as provided in this section, to surrender such juveniles to such association or institution, to be taken and cared for by such association or institution, or put into a family home. Such agreement may contain any and all proper stipulations to that end and may authorize the association or institution by its attorney or agent to appear in any proceeding for the legal adoption of such juvenile, and consent to such juvenile's adoption; and the order of the court, made upon such consent, shall be binding upon the juvenile and his or her parents or guardian, or other person, the same as if such person were personally in court and consented thereto, whether made party to the proceeding or not. All the publication or notice necessary for the adoption of any such juveniles shall be that the institution or parties having charge of such juveniles by court decree, or to whom a relinquishment of the juvenile was given, shall know that such legal adoption is being made.

43-297.01. Office of Probation Administration; duties; initial placement and level of care; court order; review; notice of placement change; hearing; exception.

(1) Following an adjudication, whenever any juvenile is placed on juvenile probation subject to the supervision of a probation officer, the Office of Probation Administration is deemed to have placement and care responsibility for the juvenile.

(2) The court shall order the initial placement and level of care for the juvenile placed on juvenile probation. Prior to determining the placement and level of care for a juvenile, the court may solicit a recommendation from the Office of Probation Administration. The status of each juvenile placed out-of-home shall be reviewed periodically, but not less than once every six months by the court in person, by video, or telephonically. Periodic reviews shall assess the juvenile's safety and the continued necessity and appropriateness of placement, ensure case plan compliance, and monitor the juvenile's progress. The court shall determine whether an out-of-home placement made by the office is in the best interests of the juvenile. The office shall provide all interested parties with a copy of any report filed with the court by the office pursuant to this subsection.

(3) The Office of Probation Administration may transition a juvenile to a less restrictive placement or to a placement which has the same level of restriction as the current placement. In order to make a placement change under this section, the office shall file a notice of placement change with the court and shall send copies of the notice to all interested parties at least seven days before the change of placement. The court, on its own motion, or upon the filing of an objection to the change by an interested party, may order a hearing to review such a change in placement and may order that the change be stayed pending the outcome of the hearing on the objection.

(4) The Office of Probation Administration may make an immediate change in placement without court approval only if the juvenile is in a harmful or dangerous situation. Approval of the court shall be sought within twenty-four hours after making the change in placement or as soon thereafter as possible. The office shall provide all interested parties with a copy of any report filed with the court by the office pursuant to this subsection.

(5) Nothing in this section prevents the court on an ex parte basis from approving an immediate change in placement upon good cause shown.

43-298. Commitment of juvenile; religious preference considered. The court in committing juveniles under the Nebraska Juvenile Code shall place them as far as practicable in the care and custody of some individual holding the same religious belief as the parents of the juvenile or with some association which is controlled by persons of like religious faith of the parents of the juvenile.

43-299. Code, how construed. Nothing in the Nebraska Juvenile Code shall be construed to repeal any portion of the act to aid the youth rehabilitation and treatment centers for juveniles.

43-2,100. Department of Health and Human Services; acceptance of juveniles for observation and treatment; authorized. The Department of Health and Human Services may receive any juvenile for observation and treatment from any public institution other than a state institution or from any private or charitable institution or person having legal custody thereof upon such terms as such department may deem proper.

43-2,101. Costs of transporting juvenile to department; payment by county; when. Unless otherwise ordered by the court pursuant to section 43-290, each county shall bear all the expenses incident to the transportation of each juvenile from such county to the Department of Health and Human Services, together with such fees and costs as are allowed by law in similar cases. The fees, costs, and expenses shall be paid from the county treasury upon itemized vouchers certified by the judge of the juvenile court.

43-2,106. Proceeding in county court sitting as juvenile court; jurisdiction; appeals. When a juvenile court proceeding has been instituted before a county court sitting as a juvenile court, the original jurisdiction of the county court shall continue until the final disposition thereof and no appeal shall stay the enforcement of any order entered in the county court. After appeal has been filed, the appellate court, upon application and hearing, may stay any order, judgment, or decree on appeal if suitable arrangement is made for the care and custody of the juvenile. The county court shall continue to exercise supervision over the juvenile until a hearing is had in the appellate court and the appellate court enters an order making other disposition. If the appellate court adjudges the juvenile to be a juvenile meeting the criteria established in subdivision (1), (2), (3), or (4) of section 43-247, the appellate court shall affirm the disposition made by the county court unless it is shown by clear and convincing evidence that the disposition of the county court is not in the best interest of such juvenile. Upon determination of the appeal, the appellate court shall remand the case to the county court for further proceedings consistent with the determination of the appellate court. In the event of an appeal of a proceeding for termination of parental rights, the matter shall be reviewed by the Court of Appeals or the Supreme Court within the same time and in the same manner prescribed by law for review of an order or judgment of the district court, except that such termination order or judgment shall be advanced for argument before the appellate court and the appellate court, in order to expedite the preferred disposition of the case and the juvenile, shall render the judgment and write an opinion as speedily as possible.

43-2,106.01. Judgments or final orders; appeal; parties; cost.

(1) Any final order or judgment entered by a juvenile court may be appealed to the Court of Appeals in the same manner as an appeal from district court to the Court of Appeals. The appellate court shall conduct its review in an expedited manner and shall render the judgment and write its opinion, if any, as speedily as possible.

(2) An appeal may be taken by:

- (a) The juvenile;
- (b) The guardian ad litem;
- (c) The juvenile's parent, custodian, or guardian. For purposes of this subdivision, custodian or guardian shall include, but not be limited to, the Department of Health and Human Services, an association, or an individual to whose care the juvenile has been awarded pursuant to the Nebraska Juvenile Code; or
- (d) The county attorney or petitioner, except that in any case determining delinquency issues in which the juvenile has been placed legally in jeopardy, an appeal of such issues may only be taken by exception proceedings pursuant to sections [29-2317](#) to [29-2319](#).

(3) In all appeals from the county court sitting as a juvenile court, the judgment of the appellate court shall be certified without cost to the juvenile court for further proceedings consistent with the determination of the appellate court.

43-2,106.02. Power of court to vacate or modify judgments or orders. The separate juvenile court and the county court sitting as a juvenile court shall have the power to vacate or modify its own judgments or orders during or after the term at which such judgments or orders were made in the same manner as provided for actions filed in the district court.

43-2,106.03. Rehabilitative services; hearing; court order; use.

Any time after the disposition of a juvenile described in subdivision (1), (2), (3)(b), or (4) of section [43-247](#), upon the motion of any party or the court on its own motion, a hearing may be held regarding the amenability of the juvenile to the rehabilitative services that can be provided under the Nebraska Juvenile Code. The court may enter an order, based upon evidence presented at the hearing, finding that a juvenile is not amenable to rehabilitative services that can be provided under the Nebraska Juvenile Code. The reasons for such a finding shall be stated in the order. Such an order shall be considered by the county attorney in making a future determination under section [43-276](#) regarding such juvenile and by the court when considering a future transfer motion under section [29-1816](#) or [43-274](#) or any future charge or petition regarding such juvenile.

43-2,107. Court; control conduct of a person; notice; hearing; temporary order; violation of order; penalty. On application of a party or on the court's own motion, the court may restrain or otherwise control the conduct of a person if a petition has been filed under the Nebraska Juvenile Code and the court finds that such conduct is or may be detrimental or harmful to the juvenile. Notice of the application or motion and an opportunity to be heard thereon shall be given to the person against whom such application or motion is directed, except that the court may enter a temporary order restraining or otherwise controlling the conduct of a person for the protection of a juvenile without prior notice if it appears to the court that it is necessary to issue such order forthwith. Such temporary order shall be effective not to exceed ten days and shall not be binding against any person unless he or she has received a copy of such order. Any individual who violates an order restraining or otherwise controlling his or her conduct under this section shall be guilty of a Class II misdemeanor and may be proceeded against as described in sections 42-928 and 42-929.

43-2,108. Juvenile court; files; how kept; certain reports and records not open to inspection without order of court; exception.

(1) The juvenile court judge shall keep a minute book in which he or she shall enter minutes of all proceedings of the court in each case, including appearances, findings, orders, decrees, and judgments, and any evidence which he or she feels it is necessary and proper to record. Juvenile court legal records shall be deposited in files and shall include the petition, summons, notice, certificates or receipts of mailing, minutes of the court, findings, orders, decrees, judgments, and motions.

(2) Except as provided in subsections (3) and (4) of this section, the medical, psychological, psychiatric, and social welfare reports and the records of juvenile probation officers as they relate to individual proceedings in the juvenile court shall not be open to inspection, without order of the court. Such records shall be made available to a district court of this state or the District Court of the United States on the order of a judge thereof for the confidential use of such judge or his or her probation officer as to matters pending before such court but shall not be made available to parties or their counsel; and such district court records shall be made available to a county court or separate juvenile court upon request of the county judge or separate juvenile judge for the confidential use of such judge and his or her probation officer as to matters pending before such court, but shall not be made available by such judge to the parties or their counsel.

(3) As used in this subsection, confidential record information shall mean all docket records, other than the pleadings, orders, decrees, and judgments; case files and records; reports and records of probation officers; and information supplied to the court of jurisdiction in such cases by any individual or any public or private institution, agency, facility, or clinic, which is compiled by, produced by, and in the possession of any court. In all cases under subdivision (3)(a) of section [43-247](#), access to all confidential record information in such cases shall be granted only as follows: (a) The court of jurisdiction may, subject to applicable federal and state regulations, disseminate

such confidential record information to any individual, or public or private agency, institution, facility, or clinic which is providing services directly to the juvenile and such juvenile's parents or guardian and his or her immediate family who are the subject of such record information; (b) the court of jurisdiction may disseminate such confidential record information, with the consent of persons who are subjects of such information, or by order of such court after showing of good cause, to any law enforcement agency upon such agency's specific request for such agency's exclusive use in the investigation of any protective service case or investigation of allegations under subdivision (3)(a) of section [43-247](#), regarding the juvenile or such juvenile's immediate family, who are the subject of such investigation; and (c) the court of jurisdiction may disseminate such confidential record information to any court, which has jurisdiction of the juvenile who is the subject of such information upon such court's request.

(4) The court shall provide copies of predispositional reports and evaluations of the juvenile to the juvenile's attorney and the county attorney or city attorney prior to any hearing in which the report or evaluation will be relied upon.

(5) Nothing in subsection (3) of this section shall be construed to restrict the dissemination of confidential record information between any individual or public or private agency, institute, facility, or clinic, except any such confidential record information disseminated by the court of jurisdiction pursuant to this section shall be for the exclusive and private use of those to whom it was released and shall not be disseminated further without order of such court.

(6)(a) Any records concerning a juvenile court petition filed pursuant to subdivision (3)(c) of section [43-247](#) shall remain confidential except as may be provided otherwise by law. Such records shall be accessible to (i) the juvenile except as provided in subdivision (b) of this subsection, (ii) the juvenile's counsel, (iii) the juvenile's parent or guardian, and (iv) persons authorized by an order of a judge or court.

(b) Upon application by the county attorney or by the director of the facility where the juvenile is placed and upon a showing of good cause therefor, a judge of the juvenile court having jurisdiction over the juvenile or of the county where the facility is located may order that the records shall not be made available to the juvenile if, in the judgment of the court, the availability of such records to the juvenile will adversely affect the juvenile's mental state and the treatment thereof.

43-2,108.01. Sealing of records; juveniles eligible.

43-1311.01. Child removed from home; notice to noncustodial parent and certain relatives; when; information provided; department; duties.

the removal of the child from his or her home, within thirty days after removal, to any noncustodial parent and to all grandparents, adult siblings, adult aunts, adult uncles, adult cousins, and adult relatives suggested by the child or the child's parents, except when that relative's history of family or domestic violence makes notification inappropriate. If the child is an Indian child as defined in section 43-1503, the child's extended family members as defined in such section shall be notified. Such notification shall include all of the following information:

- (a) The child has been or is being removed from the custody of the parent or parents of the child;

(1)(a) Reasonable efforts shall be made to place a child and the child's siblings in the same foster care placement or adoptive placement, unless such placement is contrary to the safety or well-being of any of the siblings. This requirement applies even if the custody orders of the siblings are made at separate times.

(b) If the siblings are not placed together in a joint-sibling placement, the Department of Health and Human Services shall provide the siblings and the court with the reasons why a joint-sibling placement would be contrary to the safety or well-being of any of the siblings.

(2) When siblings are not placed together in a joint-sibling placement, the department shall make a reasonable effort to provide for frequent sibling visitation or ongoing interaction between the child and the child's siblings unless the department provides the siblings and the court with reasons why such sibling visitation or ongoing interaction would be contrary to the safety or well-being of any of the siblings. The court shall determine the type and frequency of sibling visitation or ongoing interaction to be implemented by the department.

(3) Parties to the case may file a motion for joint-sibling placement, sibling visitation, or ongoing interaction between siblings.

(4) The court shall periodically review and evaluate the effectiveness and appropriateness of the joint-sibling placement, sibling visitation, or ongoing interaction between siblings.

(5) If an order is entered for termination of parental rights of siblings who are subject to this section, unless the court has suspended or terminated joint-sibling placement, sibling visitation, or ongoing interaction between siblings, the department shall make reasonable efforts to make a joint-sibling placement or do all of the following to facilitate frequent sibling visitation or ongoing interaction between the child and the child's siblings when the child is adopted or enters a permanent placement: (a) Include in the training provided to prospective adoptive parents information regarding the importance of sibling relationships to an adopted child and counseling methods for maintaining sibling relationships; (b) provide prospective adoptive parents with information regarding

the child's siblings; and (c) encourage prospective adoptive parents to plan for facilitating post-adoption contact between the child and the child's siblings.

(6) Any information regarding court-ordered or authorized joint-sibling placement, sibling visitation, or ongoing interaction between siblings shall be provided by the department to the parent or parents if parental rights have not been terminated unless the court determines that doing so would be contrary to the safety or well-being of the child and to the fosterparent, relative caretaker, guardian, prospective adoptive parent, and child as soon as reasonably possible following the entry of the court order or authorization as necessary to facilitate the sibling time.

43-1311.03. Written independent living transition proposal; development; contents; transition team; department; duties; information regarding Young Adult Bridge to Independence Act; notice; contents.

The transition proposal shall be personalized based on the child's needs. The transition proposal shall include, but not be limited to, the following needs:

- (a) Education;

The transition team shall be comprised of the child, the child's caseworker, the child's guardian ad litem, individuals selected by the child, and individuals who have knowledge of services available to the child.

(3) The transition proposal shall be considered a working document and shall be, at the least, updated for and reviewed at every permanency or review hearing by the court.

(4) The final transition proposal prior to the child's leaving foster care shall specifically identify how the need for housing will be addressed.

(5) If the child is interested in pursuing higher education, the transition proposal shall provide for the process in applying for any applicable state, federal, or private aid.

(6) A child adjudicated to be a juvenile described in subdivision (3)(a) of section [43-247](#) and who is in an out-of-home placement shall receive information regarding the Young Adult Bridge to Independence Act and the bridge to independence program available under the act. The department shall create a clear and developmentally appropriate written notice discussing the rights of eligible young adults to participate in the program. The notice shall include information about eligibility and requirements to participate in the program, the extended services and support that young adults are eligible to receive under the program, and how young adults can be a part of the program. The notice shall also include information about the young adult's right to request a client-directed attorney to represent the young adult pursuant to section [43-4510](#) and the benefits and role of an attorney. If the child is removed from his or her home, the department shall make reasonable efforts to accomplish joint-sibling placement or sibling visitation or ongoing interaction between the siblings as provided in section [43-1311.02](#).

(3) Each child in foster care under the supervision of the state shall have a permanency hearing by a court, no later than twelve months after the date the child enters foster care and annually thereafter during the continuation of foster care. The court's order shall include a finding regarding the appropriateness of the permanency plan determined for the child and shall include whether, and if applicable when, the child will be:

- (a) Returned to the parent;
- (b) Referred to the state for filing of a petition for termination of parental rights;
- (c) Placed for adoption;

43-1313. Review of dispositional order; when; procedure. When a child is in foster care, the court having jurisdiction over such child for the purposes of foster care placement shall review the dispositional order for such child at least once every six months. The court may reaffirm the order or direct other disposition of the child. Any review hearing by a court having jurisdiction over such child for purposes of foster care placement shall be conducted on the record as provided in sections [43-283](#) and [43-284](#), and any recommendations of the office or

designated local board concerning such child shall be included in the record. 43-1314. Court review or hearing; right to participate; notice.

(1) Except as otherwise provided in the Nebraska Indian Child Welfare Act, notice of the court review or hearing and the right of participation in all court reviews and hearings pertaining to a child in a foster care placement shall be provided by the court having jurisdiction over such child for the purposes of foster care placement. Notice of all court reviews and hearings shall be mailed or personally delivered to the counsel or party, if the party is not represented by counsel, five full days prior to the review or hearing. The use of ordinary mail shall constitute sufficient compliance. Notice to the foster parent, preadoptive parent, or relative providing care shall not be construed to require that such foster parent, preadoptive parent, or relative is a necessary party to the review or hearing.

(3) The court shall inquire into the well-being of the foster child by asking questions, if present at the hearing, of any willing foster parent, preadoptive parent, or relative providing care for the child.

43-1314.01. Six-month case reviews; office; duties.

(3) The office may assist the Department of Health and Human Services as to eligibility under Title IV-E for state wards and eligibility for Supplemental Security Income, Supplemental Security Disability Income, Veterans Administration, or aid to families with dependent children benefits, for child support orders of the court, and for medical insurance other than Medicaid.

43-1314.02. Caregiver information form; development; provided to caregiver.

(1) The court shall provide a caregiver information form or directions on downloading such form from the Supreme Court Internet web site to the foster parent, preadoptive parent, guardian, or relative providing care for the child when giving notice of a court review described in section [43-1314](#). The form is to be dated and signed by the caregiver and shall, at a minimum, request the following:

(2) A caregiver information form shall be developed by the Supreme Court. Such form shall be made a part of the record in each court that reviews the child's foster care proceedings.

43-1315. Status and permanency plan review; placement order. In reviewing the foster care status and permanency plan of a child and in determining its order for disposition, the court shall continue placement outside the home upon a written determination that return of the child to his or her home would be contrary to the welfare of such child and that reasonable efforts to preserve and reunify the family, if required under section 43-283.01, have been made. In making this determination, the court shall consider the goals of the foster care placement and the safety and appropriateness of the foster care plan or permanency plan established pursuant to section 43-1312.

43-1316. Status review; child's needs; determination. The court shall, when reviewing the foster care status of a child, determine whether the individual physical, psychological, and sociological needs of the child are being met. 43-1319. Funds of Department of Health and Human Services; use. Funds of the Department of Health and Human Services shall be used to defray the reasonable expenses incurred in the recruitment, training, and recognition of foster care providers and volunteers, including expenses incurred for community forums, public information sessions, and similar administrative functions.

43-1320. Foster parents; liability protection; Foster Parent Liability and Property Damage Fund; created; use; investment; unreimbursed liability and damage; claim.

(1) The Legislature finds and declares that foster parents are a valuable resource providing an important service to the citizens of Nebraska. The Legislature recognizes that the current insurance crisis has adversely affected some foster parents in several ways. Foster parents have been unable to obtain liability insurance coverage over and above homeowner's or tenant's coverage for actions filed against them by the foster child, the child's parents, or the child's legal guardian. In addition, the monthly payment made to foster parents is not sufficient to cover the cost of obtaining extended coverage and there is no mechanism in place by which foster parents can recapture the cost. Foster parents' personal resources are at risk, and therefore the Legislature desires to provide relief to address these problems.

(2) The Department of Health and Human Services shall provide for self-insuring the foster parent program pursuant to section 81-8,239.01 or shall provide and pay for liability and property damage insurance for participants in a family foster parent program who have been licensed or approved to provide care or who have been licensed or approved by a legally established Indian tribal council operating within the state to provide care.

(3) There is hereby created the Foster Parent Liability and Property Damage Fund. The fund shall be administered by the Department of Health and Human Services and shall be used to provide funding for self-insuring the foster parent program pursuant to section 81-8,239.01 or to purchase any liability and property damage insurance policy provided pursuant to subsection (2) of this section and reimburse foster parents for unreimbursed liability and property damage incurred or caused by a foster child as the result of acts covered by the insurance policy. Claims for unreimbursed liability and property damage incurred or caused by a foster child may be submitted in the manner provided in the State Miscellaneous Claims Act. Each claim shall be limited to the amount of any deductible applicable to the insurance policy provided pursuant to subsection (2) of this section, and there may be a fifty-dollar deductible payable by the foster parent per claim. The department shall adopt and promulgate rules and regulations to carry out this section. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

43-1321. Foster Care Review Office Cash Fund; created; use; investment.

There is hereby created the Foster Care Review Office Cash Fund. The fund shall be administered by the Foster Care Review Office. The office shall remit revenue from the following sources to the State Treasurer for credit to the fund:

(1) Registration and other fees received for training, seminars, or conferences fully or partially sponsored or hosted by the office;

(2) Payments to offset printing, postage, and other expenses for books, documents, or other materials printed or published by the office; and

(3) Money received by the office as gifts, grants, reimbursements, or appropriations from any source intended for the purposes of the fund.

The fund shall be used for the administration of the Foster Care Review Office. The State Treasurer shall transfer any funds in the Foster Care Review Board Cash Fund on July 1, 2012, to the Foster Care Review Office Cash Fund. Any money in the fund available for investment shall be invested by the state investment officer pursuant to the Nebraska Capital Expansion Act and the Nebraska State Funds Investment Act.

(b) Termination of parental rights which shall mean any action resulting in the termination of the parent-child relationship;

(c) Preadoptive placement which shall mean the temporary placement of an Indian child in a foster home or institution after the termination of parental rights, but prior to or in lieu of adoptive placement; and

(d) Adoptive placement which shall mean the permanent placement of an Indian child for adoption, including any action resulting in a final decree of adoption.

When an Indian child is a ward of a tribal court, the Indian tribe shall retain exclusive jurisdiction, notwithstanding the residence or domicile of the child.

(2) In any state court proceeding for the foster care placement of, or termination of parental rights to, an Indian child not domiciled or residing within the reservation of the Indian child's tribe, the court, in the absence of good cause to the contrary, shall transfer such proceeding to the jurisdiction of the tribe, absent objection by either parent, upon the petition of either parent or the Indian custodian or the Indian child's tribe, except that such transfer shall be subject to declination by the tribal court of such tribe.

(3) In any state court proceeding for the foster care placement of, or termination of parental rights to, an Indian child, the Indian custodian of the child and the Indian child's tribe shall have a right to intervene at any point in the proceeding.

(4) The State of Nebraska shall give full faith and credit to the public acts, records, and judicial proceedings of any Indian tribe applicable to Indian child custody proceedings to the same extent that the state gives full faith and credit to the public acts, records, and judicial proceedings of any other entity.

43-1505. Foster care placement; termination of parental rights; procedures; rights.

(1) In any involuntary proceeding in a state court, when the court knows or has reason to know that an Indian child is involved, the party seeking the foster care placement of, or termination of parental rights to, an Indian child shall notify the parent or Indian custodian and the Indian child's tribe, by certified or registered mail with return receipt requested, of the pending proceedings and of their right of intervention. If the identity or location of the parent or Indian custodian and the tribe cannot be determined, such notice shall be given to the secretary in like manner, who may provide the requisite notice to the parent or Indian custodian and the tribe. No foster care placement or termination of parental rights proceedings shall be held until at least ten days after receipt of notice by the parent or Indian custodian and the tribe or the secretary. The parent or Indian custodian or the tribe shall, upon request, be granted up to twenty additional days to prepare for such proceeding.

(2) In any case in which the court determines indigency, the parent or Indian custodian shall have the right to court-appointed counsel in any removal, placement, or termination proceeding. The court may, in its discretion, appoint counsel for the child upon a finding that such appointment is in the best interest of the child. When state law makes no provision for appointment of counsel in such proceedings, the court shall promptly notify the secretary upon appointment of counsel and request from the secretary, upon certification of the presiding judge, payment of reasonable fees and expenses out of funds which may be appropriated.

(3) Each party to a foster care placement or termination of parental rights proceeding under state law involving an Indian child shall have the right to examine all reports or other documents filed with the court upon which any decision with respect to such action may be based.

(4) Any party seeking to effect a foster care placement of, or termination of parental rights to, an Indian child under state law shall satisfy the court that active efforts have been made to provide remedial services and rehabilitative programs designed to prevent the breakup of the Indian family and that these efforts have proved unsuccessful.

(5) No foster care placement may be ordered in such proceeding in the absence of a determination, supported by clear and convincing evidence, including testimony of qualified expert witnesses, that the continued custody of the child by the parent or Indian custodian is likely to result in serious emotional or physical damage to the child.

(6) No termination of parental rights may be ordered in such proceeding in the absence of a determination, supported by evidence beyond a reasonable doubt, including testimony of qualified expert witnesses, that the continued custody of the child by the parent or Indian custodian is likely to result in serious emotional or physical damage to the child.

43-1506. Voluntary proceeding; consent; when valid; withdrawal of consent.

(1) When any parent or Indian custodian voluntarily consents to a foster care placement or to termination of parental rights, such consent shall not be valid unless executed in writing and recorded before a judge of a court of competent jurisdiction and accompanied by the presiding judge's certificate that the terms and consequences of the consent were fully explained in detail and were fully understood by the parent or Indian custodian. The court shall also certify that either the parent or Indian custodian fully understood the explanation in English or that it was interpreted into a language that the parent or Indian custodian understood. Any consent given prior to, or within ten days after, birth of the Indian child shall not be valid.

(2) Any parent or Indian custodian may withdraw consent to a foster care placement under state law at any time and, upon such withdrawal, the child shall be returned to the parent or Indian custodian.

(3) In any voluntary proceedings for termination of parental rights to, or adoptive placement of, an Indian child, the consent of the parent may be withdrawn for any reason at any time prior to the entry of a final decree of termination or adoption, as the case may be, and the child shall be returned to the parent.

(4) After the entry of a final decree of adoption of an Indian child in any state court, the parent may withdraw consent thereto upon the grounds that consent was obtained through fraud or duress and may petition the court to vacate such decree. Upon a finding that such consent was obtained through fraud or duress, the court shall vacate such decree and return the child to the parent. No adoption which has been effective for at least two years may be invalidated under the provisions of this subsection unless otherwise permitted under state law.

43-1507. Petition to invalidate actions in violation of law. Any Indian child who is the subject of any action for foster care placement or termination of parental rights under state law, any parent or Indian custodian

from whose custody such child was removed, and the Indian child's tribe may petition any court of competent jurisdiction to invalidate such action upon a showing that such action violated any provision of sections 43-1504 to 43-1506.

43-1508. Placement guidelines; records.

(1) In any adoptive placement of an Indian child under state law, a preference shall be given, in the absence of good cause to the contrary, to a placement with:

- (a) A member of the child's extended family;
- (b) Other members of the Indian child's tribe; or
- (c) Other Indian families.

(2) Any child accepted for foster care or preadoptive placement shall be placed in the least restrictive setting which most approximates a family and in which his or her special needs, if any, may be met. The child shall also be placed within reasonable proximity to his or her home, taking into account any special needs of the child. In any foster care or preadoptive placement, a preference shall be given, in the absence of good cause to the contrary, to a placement with:

- (a) A member of the Indian child's extended family;
- (b) A foster home licensed, approved, or specified by the Indian child's tribe;
- (c) An Indian foster home licensed or approved by an authorized non-Indian licensing

authority; or

(d) An institution for children approved by an Indian tribe or operated by an Indian organization which has a program suitable to meet the Indian child's needs.

(3) In the case of a placement under subsection (1) or (2) of this section, if the Indian child's tribe shall establish a different order of preference by resolution, the agency or court effecting the placement shall follow such order so long as the placement is the least restrictive setting appropriate to the particular needs of the child, as provided in subsection (2) of this section. When appropriate, the preference of the Indian child or parent shall be considered, except that, when a consenting parent evidences a desire for anonymity, the court or agency shall give weight to such desire in applying the preferences.

(4) The standards to be applied in meeting the preference requirements of this section shall be the prevailing social and cultural standards of the Indian community in which the parent or extended family resides or with which the parent or extended family members maintain social and cultural ties.

(5) A record of each such placement, under state law, of an Indian child shall be maintained by the state, evidencing the efforts to comply with the order of preference specified in this section. Such record shall be made available at any time upon the request of the secretary or the Indian child's tribe.

43-1509. Return of custody; removal from foster care; procedures.

(1) Notwithstanding any other state law to the contrary, whenever a final decree of adoption of an Indian child has been vacated or set aside or the adoptive parents voluntarily consent to the termination of their parental rights to the child, a biological parent or prior Indian custodian may petition for return of custody and the court shall grant such petition unless there is a showing, in a proceeding subject to the provisions of section 43-1505, that such return of custody is not in the best interests of the child.

(2) Whenever an Indian child is removed from a foster care home or institution for the purpose of further foster care, preadoptive, or adoptive placement, such placement shall be in accordance with the Nebraska Indian Child Welfare Act, except in the case in which an Indian child is being returned to the parent or Indian custodian from whose custody the child was originally removed.

43-1510. Adopted individual; access to information. Upon application by an Indian individual who has reached the age of eighteen and who was the subject of an adoptive placement, the court which entered the final decree shall inform such individual of the tribal affiliation, if any, of the individual's biological parents and provide such other information as may be necessary to protect any rights flowing from the individual's tribal relationship.

43-1511. Agreements with state agencies; authorized.

(1) The appropriate departments and agencies of this state are authorized to enter into agreements with Indian tribes respecting care and custody of Indian children and jurisdiction over child custody proceedings, including agreements which may provide for orderly transfer of jurisdiction on a case-by-case basis and agreements which provide for concurrent jurisdiction between the state and Indian tribes.

(2) Such agreements may be revoked by either party upon one hundred and eighty days' written notice to the other party. Such revocation shall not affect any action or proceeding over which a court has already assumed jurisdiction, unless the agreement provides otherwise.

43-1512. Improper removal from custody; effect. When any petitioner in an Indian child custody proceeding before a state court has improperly removed the child from custody of the parent or Indian custodian or has improperly retained custody after a visit or other temporary relinquishment of custody, the court shall decline jurisdiction over such petition and shall forthwith return the child to his or her parent or Indian custodian unless returning the child to his or her parent or custodian would subject the child to a substantial and immediate danger or threat of such danger.

43-1513. Higher federal standard of protection; when applicable. In any case when federal law applicable to a child custody proceeding provides a higher standard of protection to the rights of the parent or Indian custodian of an Indian child than the rights provided under the Nebraska Indian Child Welfare Act, the state court shall apply the federal standard.

43-1514. Emergency removal or placement of child; appropriate action. Nothing in the Nebraska Indian Child Welfare Act shall be construed to prevent the emergency removal of an Indian child who is a resident of or is domiciled on a reservation, but temporarily located off the reservation, from his or her parent or Indian custodian or the emergency placement of such child in a foster home or institution, under applicable state law, in order to prevent imminent physical damage or harm to the child. The state authority, official, or agency involved shall insure that the emergency removal or placement terminates immediately when such removal or placement is no longer necessary to prevent imminent physical damage or harm to the child and shall expeditiously initiate a child custody proceeding subject to the provisions of the Nebraska Indian Child Welfare Act, transfer the child to the jurisdiction of the appropriate Indian tribe, or restore the child to the parent or Indian custodian, as may be appropriate.

43-1515. Applicability of act; exceptions. None of the provisions of the Nebraska Indian Child Welfare Act, except subsection (1) of section 43-1504 and section 43-1511, shall affect a proceeding under state law for foster care placement, termination of parental rights, preadoptive placement, or adoptive placement which was initiated or completed prior to one hundred and eighty days after November 8, 1978, but shall apply to any subsequent proceeding in the same matter or subsequent proceedings affecting the custody or placement of the same child.

43-1516. Adoptive placement; information made available. Any state court entering a final decree or order in any Indian child adoptive placement after September 6, 1985, shall provide the secretary with a copy of such decree or order together with such other information as may be necessary to show:

- (1) The name and tribal affiliation of the child;
- (2) The names and addresses of the biological parents;
- (3) The names and addresses of the adoptive parents; and

(4) The identity of any agency having files or information relating to such adoptive placement.

When the court records contain an affidavit of the biological parent or parents that their identity remain confidential, the court shall include such affidavit with the other information.

ARTICLE IV. JURISDICTION

A. Except as provided in Article IV, Section H, and Article V, Section B, paragraph two and three, concerning private and independent adoptions, and in interstate placements in which the public child-placing agency is not a party to a custody proceeding, the sending state shall retain jurisdiction over a child with respect to all matters of custody and disposition of the child which it would have had if the child had remained in the sending state. Such jurisdiction shall also include the power to order the return of the child to the sending state.

B. When an issue of child protection or custody is brought before a court in the receiving state, such court shall confer with the court of the sending state to determine the most appropriate forum for adjudication.

C. In cases that are before courts and subject to this compact, the taking of testimony for hearings before any judicial officer may occur in person or by telephone, audio-video conference, or such other means as approved by the rules of the Interstate Commission; and Judicial officers may communicate with other judicial officers and persons involved in the interstate process as may be permitted by their Canons of Judicial Conduct and any rules promulgated by the Interstate Commission.

D. In accordance with its own laws, the court in the sending state shall have authority to terminate its jurisdiction if:

1. The child is reunified with the parent in the receiving state who is the subject of allegations or findings of abuse or neglect, only with the concurrence of the public child-placing agency in the receiving state; or

F. Nothing in this article shall defeat a claim of jurisdiction by a receiving state court sufficient to deal with an act of truancy, delinquency, crime, or behavior involving a child as defined by the laws of the receiving state committed by the child in the receiving state which would be a violation of its laws.

G. Nothing in this article shall limit the receiving state's ability to take emergency jurisdiction for the protection of the child.

H. The substantive laws of the state in which an adoption will be finalized shall solely govern all issues relating to the adoption of the child and the court in which the adoption proceeding is filed shall have subject matter jurisdiction regarding all substantive issues relating to the adoption, except:

1. when the child is a ward of another court that established jurisdiction over the child prior to the placement; or
2. when the child is in the legal custody of a public agency in the sending state; or
3. when a court in the sending state has otherwise appropriately assumed jurisdiction over the child, prior to the submission of the request for approval of placement.

I. A final decree of adoption shall not be entered in any jurisdiction until the placement is authorized as an "approved placement" by the public child-placing agency in the receiving state.

ARTICLE V. PLACEMENT EVALUATION

A. Prior to sending, bringing, or causing a child to be sent or brought into a receiving state, the public child-placing agency shall provide a written request for assessment to the receiving state.

B. For placements by a private child-placing agency, a child may be sent or brought, or caused to be sent or brought, into a receiving state, upon receipt and immediate review of the required content in a request for approval of a placement in both the sending and receiving state public child-placing agency. The required content to accompany a request for approval shall include all of the following:

1. A request for approval identifying the child, the birth parent(s), the prospective adoptive parent(s), and the supervising agency, signed by the person requesting approval; and
2. The appropriate consents or relinquishments signed by the birth parents in accordance with the laws of the sending state, or, where permitted, the laws of the state where the adoption will be finalized; and
3. Certification by a licensed attorney or authorized agent of a private adoption agency that the consent or relinquishment is in compliance with the applicable laws of the sending state, or where permitted the laws of the state where finalization of the adoption will occur; and

4. A home study; and

5. An acknowledgment of legal risk signed by the prospective adoptive parents.

C. The sending state and the receiving state may request additional information or documents prior to finalization of an approved placement, but they may not delay travel by the prospective adoptive parents with the child if the required content for approval has been submitted, received, and reviewed by the public child-placing agency in both the sending state and the receiving state.

D. Approval from the public child-placing agency in the receiving state for a provisional or approved placement is required as provided for in the rules of the Interstate Commission.

E. The procedures for making and the request for an assessment shall contain all information and be in such form as provided for in the rules of the Interstate Commission.

F. Upon receipt of a request from the public child-placing agency of the sending state, the receiving state shall initiate an assessment of the proposed placement to determine its safety and suitability. If the proposed placement is a placement with a relative, the public child-placing agency of the sending state may request a determination for a provisional placement.

G. The public child-placing agency in the receiving state may request from the public child-placing agency or the private child-placing agency in the sending state, and shall be entitled to receive supporting or additional information necessary to complete the assessment or approve the placement.

H. The public child-placing agency in the receiving state shall approve a provisional placement and complete or arrange for the completion of the assessment within the timeframes established by the rules of the Interstate Commission.

I. For a placement by a private child-placing agency, the sending state shall not impose any additional requirements to complete the home study that are not required by the receiving state, unless the adoption is finalized in the sending state.

J. The Interstate Commission may develop uniform standards for the assessment of the safety and suitability of interstate placements.

ARTICLE VI. PLACEMENT AUTHORITY

A. Except as otherwise provided in this compact, no child subject to this compact shall be placed into a receiving state until approval for such placement is obtained.

B. If the public child-placing agency in the receiving state does not approve the proposed placement then the child shall not be placed. The receiving state shall provide written documentation of any such determination in accordance with the rules promulgated by the Interstate Commission. Such determination is not subject to judicial review in the sending state.

C. If the proposed placement is not approved, any interested party shall have standing to seek an administrative review of the receiving state's determination.

1. The administrative review and any further judicial review associated with the determination shall be conducted in the receiving state pursuant to its applicable administrative procedures act.

2. If a determination not to approve the placement of the child in the receiving state is overturned upon review, the placement shall be deemed approved, provided, however, that all administrative or judicial remedies have been exhausted or the time for such remedies has passed.

ARTICLE VII. PLACING AGENCY RESPONSIBILITY

A. For the interstate placement of a child made by a public child-placing agency or state court:

1. The public child-placing agency in the sending state shall have financial responsibility for:

a. the ongoing support and maintenance for the child during the period of the placement, unless otherwise provided for in the receiving state; and

b. as determined by the public child-placing agency in the sending state, services for the child beyond the public services for which the child is eligible in the receiving state.

43-1011. Interstate Compact for Juveniles.

ARTICLE I. PURPOSE

The compacting states to this Interstate Compact recognize that each state is responsible for the proper supervision or return of juveniles, delinquents and status offenders who are on probation or parole and who have absconded, escaped or run away from supervision and control and in so doing have endangered their own safety and the safety of others. The compacting states also recognize that each state is responsible for the safe return of juveniles who have run away from home and in doing so have left their state of residence. The compacting states also recognize that Congress, by enacting the Crime Control Act, 4 U.S.C. Section 112 (1965), has authorized and encouraged compacts for cooperative efforts and mutual assistance in the prevention of crime.

It is the purpose of this compact, through means of joint and cooperative action among the compacting states to: (A) ensure that the adjudicated juveniles and status offenders subject to this compact are provided adequate supervision and services in the receiving state as ordered by the adjudicating judge or parole authority in the sending state; (B) ensure that the public safety interests of the citizens, including the victims of juvenile offenders, in both the sending and receiving states are adequately protected; (C) return juveniles who have run away, absconded or escaped from supervision or control or have been accused of an offense to the state requesting their

return; (D) make contracts for the cooperative institutionalization in public facilities in member states for delinquent youth needing special services; (E) provide for the effective tracking and supervision of juveniles; (F) equitably allocate the costs, benefits and obligations of the compacting states; (G) establish procedures to manage the movement between states of juvenile offenders released to the community under the jurisdiction of courts, juvenile departments, or any other criminal or juvenile justice agency which has jurisdiction over juvenile offenders; (H) insure immediate notice to jurisdictions where defined offenders are authorized to travel or to relocate across state lines; (I) establish procedures to resolve pending charges (detainers) against juvenile offenders prior to transfer or release to the community under the terms of this compact; (J) establish a system of uniform data collection on information pertaining to juveniles subject to this compact that allows access by authorized juvenile justice and criminal justice officials; and regular reporting of Compact activities to heads of state executive, judicial, and legislative branches and juvenile and criminal justice administrators; (K) monitor compliance with rules governing interstate movement of juveniles and initiate interventions to address and correct noncompliance; (L) coordinate training and education regarding the regulation of interstate movement of juveniles for officials involved in such activity; and (M) coordinate the implementation and operation of the compact with the Interstate Compact for the Placement of Children, the Interstate Compact for Adult Offender Supervision and other compacts affecting juveniles particularly in those cases where concurrent or overlapping supervision issues arise. It is the policy of the compacting states that the activities conducted by the Interstate Commission created herein are the formation of public policies and therefore are public business. Furthermore, the compacting states shall cooperate and observe their individual and collective duties and responsibilities for the prompt return and acceptance of juveniles subject to the provisions of this compact. The provisions of this compact shall be reasonably and liberally construed to accomplish the purposes and policies of the compact.

(3) Within sixty days prior to discharge from a youth rehabilitation and treatment center, or as soon as possible if the juvenile's remaining time at the youth rehabilitation and treatment center is less than sixty days, an evidence-based risk screening and needs assessment should be conducted on the juvenile in order to determine the juvenile's risk of reoffending and the juvenile's individual needs upon reentering the community.

They shall establish supervision strategies based on risk levels of the juvenile and supervise accordingly, with ongoing reassessment to assist in determining eligibility for release from probation. The Office of Probation Administration shall develop a formal matrix of graduated sanctions to be utilized prior to requesting the county attorney to file for probation revocation. 43-2403. Legislative findings; purposes of act. The Legislature hereby finds that the incarceration of juveniles in adult jails, lockups, and correctional facilities is contrary to the best interests and well-being of juveniles and frequently inconsistent with state and federal law requiring intervention by the least restrictive method. The Legislature further finds that the lack of available alternatives within local communities is a significant factor in the incarceration of juveniles in such adult jails, lockups, and correctional facilities.

To address such lack of available alternatives to the incarceration of juveniles, the Legislature declares it to be the policy of the State of Nebraska to aid in the establishment of programs or services for juveniles under the jurisdiction of the juvenile or criminal justice system and to finance such programs or services with appropriations from the General Fund and with funds acquired by participation in the federal act. The purposes of the Juvenile Services Act shall be to (1) assist in the provision of appropriate preventive, diversionary, and dispositional alternatives for juveniles, (2) encourage coordination of the elements of the juvenile services system, and (3) provide an opportunity for local involvement in developing community programs for juveniles so that the following objectives may be obtained:

- (a) Preservation of the family unit whenever the best interests of the juvenile are served and such preservation does not place the juvenile at imminent risk;
- (b) Limitation on intervention to those actions which are necessary and the utilization of the least restrictive yet most effective and appropriate resources;
- (c) Encouragement of active family participation in whatever treatment is afforded a juvenile whenever the best interests of the juvenile require it;

43-3502. Definitions.

For purposes of the Nebraska County Juvenile Services Plan Act, the definitions shall be the same as those in sections 43-245 and 43-403.

43-3503. Legislative intent; county powers and duties.

(1) It is the intent of the Legislature to encourage counties to develop a continuum of nonsecure detention services for the purpose of enhancing, developing, and expanding the availability of such services to juveniles requiring nonsecure detention.

(2) A county may enhance, develop, or expand nonsecure detention services as needed with private or public providers. Grants from the Commission Grant Program and aid from the Community-based Juvenile Services Aid Program under the Juvenile Services Act and the federal Juvenile Justice and Delinquency Prevention Act of 1974 may be used to fund nonsecure detention services. Each county shall routinely review services provided by contract providers and modify services as needed.

43-3504. County juvenile services plan; multi county plan; regional plan.

(1) Each county shall develop a county juvenile services plan by January 1, 2003. Two or more counties may establish a multi county juvenile services plan. Such plan should include input from individuals comprising a local juvenile justice advisory committee as provided for in subdivision (1) of section 43-3505 or a similar committee or group of individuals. The plan shall be submitted to the Nebraska Commission on Law Enforcement and Criminal Justice and shall include:

(a) Identification of the risk factors for delinquency that exist in the county or counties and service needs;

(b) Identification of juvenile services available within the county or counties, including, but not limited to, programs for assessment and evaluation, the prevention of delinquent behavior, diversion, detention, shelter care, intensive juvenile probation services, restitution, family support services, and community centers for the care and treatment of juveniles in need of services;

(c) Identification of juvenile services within close proximity of the county or counties that may be utilized if community-based programs are not available within the county or counties;

(d) Identification of the facilities the county primarily uses for juvenile secure detention and for nonsecure detention, including the costs associated with use of such facilities; and

(e) A coordination plan and an enhancement, development, and expansion plan of community services within the county, counties, or region to help prevent delinquency by providing intervention services when behavior that leads to delinquency is first exhibited. Examples of intervention services include, but are not limited to, alternative schools, school truancy programs, volunteer programs, family preservation and counseling, drug and alcohol counseling, diversion programs, and Parents Anonymous.

(2) Following or in conjunction with the development of a county juvenile services plan, each county may develop regional service plans and establish regional juvenile services boards when appropriate. The regional service plan shall be submitted to the Nebraska Commission on Law Enforcement and Criminal Justice.

(3) Plans developed under this section shall be updated no less than every five years after the date the plan is submitted to the commission.

43-3505. County; powers; local juvenile justice advisory committee. Each county may:

(1) Establish a local juvenile justice advisory committee for the purpose of meeting quarterly to discuss trends and issues related to juvenile offenders and service needs. Such committee should include representation from the courts, law enforcement, community service providers, schools, detention or shelter care, county elected and administrative officials, probation officials, health and human services representatives, and state officials or agency representatives. The committee should discuss state and local policy initiatives, use of detention and other regional services, commitment to state custody, and impacts of policy initiatives and trends on county juvenile justice systems. Notwithstanding any other provision of law regarding the confidentiality of records, information from the various representative agencies can be shared about juveniles under their supervision for the purposes of this subdivision. The information shared shall be in the form of statistical data which does not disclose the identity of any particular individual;

(3) Compile, review, and forward county level data collected pursuant to section 43-3506.

County level data on juveniles shall be maintained and compiled by the Nebraska Commission on Law Enforcement and Criminal Justice on arrest rates; petition rates; detention rates and utilization; offender profile data, such as offense, race, age, and sex; and admissions to staff secure and temporary holdover facilities.

43-3507. Legislative findings.

(1) The Legislature finds that there is a need for additional secure detention and detention services, including transportation services, for juveniles in the state. The need can be met by enhancing and expanding the existing secure detention facilities and detention services as needed in the future and by constructing new juvenile detention facilities to serve the southeastern, central, and west central areas of the state.

(2) The Legislature further finds that in order for probation officers to adequately perform the function of providing juvenile intake services statewide, existing probation staff resources need to be expanded and, additionally, program services that enhance a juvenile's successful reintegration into the community need to readily be available and at the disposal of juvenile probation.

(3) The Legislature further finds that juvenile diversion programs should be available throughout the state as a means of providing consequences without the formal involvement of the courts.

The pilot program shall be evaluated by the University of Nebraska Medical Center's College of Public Health. The project may be expanded by the Office of Probation Administration. The purpose of the pilot program is to (a) provide access to services in the community for juveniles placed on probation, (b) prevent unnecessary commitment of juveniles to the Department of Health and Human Services and to the Office of Juvenile Services, (c) eliminate barriers preventing juveniles from receiving needed services, (d) prevent unnecessary penetration of juveniles further into the juvenile justice system, (e) enable the juvenile's needs to be met in the least intrusive and least restrictive manner while maintaining the safety of the juvenile and the community, (f) reduce the duplication of resources within the juvenile justice system through intense coordinated case management and supervision, and (g) use evidence-based practices and responsive case management to improve outcomes for adjudicated juveniles.

(2) On or before July 1, 2013, the Department of Health and Human Services shall apply for reimbursement under Title IV-E of the federal Social Security Act, as amended, for reimbursable costs associated with the Nebraska Juvenile Service Delivery Project. The reimbursed funds received by the department shall be remitted to the State Treasurer for credit to the Probation Program Cash Fund for reimbursement of expenses incurred by the Office of Probation Administration pursuant to the Nebraska Juvenile Service Delivery Project.

43-4102. Nebraska Juvenile Service Delivery Project; expansion; funding; information-sharing process; established.

(1) It is the intent of the Legislature that the Nebraska Juvenile Service Delivery Project, established as a pilot program under section [43-4101](#) within the Office of Probation Administration, be expanded statewide in a three-step, phase-in process beginning July 1, 2013, with full implementation by July 1, 2014. The expansion of the project will result in the Office of Probation Administration taking over the duties of the Office of Juvenile Services with respect to its previous functions of community supervision and parole of juvenile law violators and of evaluations for such juveniles. The Office of Juvenile Services shall continue for the purpose of operating the youth rehabilitation and treatment centers and the care and custody of the juveniles placed at such centers. Expansion of the project shall be funded by the transfer of funds from the Department of Health and Human Services and the Office of Juvenile Services used to fully fund community-based services and juvenile parole to the Office of Probation Administration.

(2) There shall be established through the use of technology an information-sharing process to support and enhance the exchange of information between the Department of Health and Human Services, the Office of Probation Administration, and the Nebraska Commission on Law Enforcement and Criminal Justice. It is the intent of the Legislature to appropriate two hundred fifty thousand dollars from the General Fund to the Office of Probation Administration to facilitate the information-sharing process.

(3) Costs incurred on behalf of juveniles under the Nebraska Juvenile Service Delivery Project shall be paid as provided in section [43-290.01](#).

(a) Such child received aid from the state in or for the month in which court proceedings leading to such determination were initiated;

(b) such child would have received assistance in or for such month if application had been made therefore; or

(c) such child had been living with such a relative specified in this subsection at any time within six months prior to the month in which such proceedings were initiated and would have received such aid in or for the month that such proceedings were initiated if in such month the child had been living with, and removed from the home of, such a relative and application had been made therefor.

(3) A physically or medically handicapped child shall mean a child who, by reason of a physical defect or infirmity, whether congenital or acquired by accident, injury, or disease, is or may be expected to be totally or partially incapacitated for education or for remunerative occupation.

Health and Human Services, and any totally or partially unemployed parent or needy caretaker who fails or refuses without good cause to participate in the employment preparation or training program or who refuses without good cause to accept employment in which he or she is able to engage which will increase his or her ability to maintain himself or herself and his or her family shall be deemed by such refusal to have rendered his or her children ineligible for further aid until he or she has complied with this section. The requirements of this section shall also apply to any dependent child unless he or she is under age sixteen or attending, full time, an elementary, secondary, or vocational school.

43-504.02. Repealed. Laws 1967, c. 250, s. 1.

43-508. Department of Health and Human Services; cooperation with state institutions. The Department of Health and Human Services shall cooperate with the state institutions for delinquent and mentally and physically handicapped children to ascertain the conditions of the home and the character and habits of the parents of a child, before his or her discharge from a state institution, and make recommendations as to the advisability of returning the child to his or her home. In case the department deems it unwise to have any such child returned to his or her former home, such state institution may, with the consent of the department, place such child into the care of the department.

43-509. Religious faith of children; preservation. The religious faith of children coming under the jurisdiction of public welfare officials shall be preserved and protected.

43-510. Children eligible for assistance. In order to be eligible for assistance, a child must be a bona fide resident of the State of Nebraska.

43-511. Benefits extended to children in rural districts. The Department of Health and Human Services shall extend the assistance and services herein provided for to all children in rural districts throughout this state, in order that the same benefits and facilities shall be available to children in such districts as in urban areas.

43-512. Application for assistance; procedure; maximum monthly allowance; payment; transitional benefits; terms, defined.

(1) Any dependent child as defined in section [43-504](#) or any relative or eligible caretaker of such a dependent child may file with the Department of Health and Human Services a written application for financial assistance for such child on forms furnished by the department.

(2) The department, through its agents and employees, shall make such investigation pursuant to the application as it deems necessary or as may be required by the county attorney or authorized attorney. If the investigation or the application for financial assistance discloses that such child has a parent or stepparent who is

able to contribute to the support of such child and has failed to do so, a copy of the finding of such investigation and a copy of the application shall immediately be filed with the county attorney or authorized attorney.

(3) The department shall make a finding as to whether the application referred to in subsection (1) of this section should be allowed or denied. If the department finds that the application should be allowed, the department shall further find the amount of monthly assistance which should be paid with reference to such dependent child. Except as may be otherwise provided, payments shall be made by state warrant, and the amount of payments shall not exceed three hundred dollars per month when there is but one dependent child and one eligible caretaker in any home, plus an additional seventy-five dollars per month on behalf of each additional eligible person. No payments shall be made for amounts totaling less than ten dollars per month except in the recovery of overpayments.

(4) The amount which shall be paid as assistance with respect to a dependent child shall be based in each case upon the conditions disclosed by the investigation made by the department. An appeal shall lie from the finding made in each case to the chief executive officer of the department or his or her designated representative. Such appeal may be taken by any taxpayer or by any relative of such child. Proceedings for and upon appeal shall be conducted in the same manner as provided for in section [68-1016](#).

(5)(a) For the purpose of preventing dependency, the department shall adopt and promulgate rules and regulations providing for services to former and potential recipients of aid to dependent children and medical assistance benefits. The department shall adopt and promulgate rules and regulations establishing programs and cooperating with programs of work incentive, work experience, job training, and education. The provisions of this section with regard to determination of need, amount of payment, maximum payment, and method of payment shall not be applicable to families or children included in such programs. Income and assets described in section [68-1201](#) shall not be included in determination of need under this section.

(b) If a recipient of aid to dependent children becomes ineligible for aid to dependent children as a result of increased hours of employment or increased income from employment after having participated in any of the programs established pursuant to subdivision (a) of this subsection, the recipient may be eligible for the following benefits, as provided in rules and regulations of the department in accordance with sections 402, 417, and 1925 of the federal Social Security Act, as amended, Public Law 100-485, in order to help the family during the transition from public assistance to independence:

(i) An ongoing transitional payment that is intended to meet the family's ongoing basic needs which may include food, clothing, shelter, utilities, household goods, personal care items, and general incidental expenses during the five months following the time the family becomes ineligible for assistance under the aid to dependent children program, if the family's earned income is at or below one hundred eighty-five percent of the federal poverty level at the time the family becomes ineligible for the aid to dependent children program. Payments shall be made in five monthly payments, each equal to one-fifth of the aid to dependent children payment standard for the family's size at the time the family becomes ineligible for the aid to dependent children program. If during the five-month period, (A) the family's earnings exceed one hundred eighty-five percent of the federal poverty level, (B) the family members are no longer working, (C) the family ceases to be Nebraska residents, (D) there is no longer a minor child in the family's household, or (E) the family again becomes eligible for the aid to dependent children program, the family shall become ineligible for any remaining transitional benefits under this subdivision;

(ii) Child care as provided in subdivision (1)(c) of section [68-1724](#); and

(iii) Except as may be provided in accordance with subsection (2) of section [68-1713](#) and subdivision (1)(c) of section [68-1724](#), medical assistance for up to twelve months after the month the recipient becomes employed and is no longer eligible for aid to dependent children.

(6) For purposes of sections [43-512](#) to [43-512.18](#):

(a) Authorized attorney shall mean an attorney, employed by the county subject to the approval of the county board, employed by the department, or appointed by the court, who is authorized to investigate and

prosecute child, spousal, and medical support cases. An authorized attorney shall represent the state as provided in section [43-512.03](#);

(b) Child support shall be defined as provided in section [43-1705](#);

(c) Medical support shall include all expenses associated with the birth of a child, cash medical support as defined in section [42-369](#), health care coverage as defined in section [44-3,144](#), and medical and hospital insurance coverage or membership in a health maintenance organization or preferred provider organization;

(d) Spousal support shall be defined as provided in section [43-1715](#);

(e) State Disbursement Unit shall be defined as provided in section [43-3341](#); and

(f) Support shall be defined as provided in section [43-3313](#).

43-512.01. County attorney or authorized attorney; duty to take action against nonsupporting parent or stepparent when. It shall be the duty of the county attorney or authorized attorney when a copy of the finding of investigation or the application for financial assistance has been filed with him or her as provided in section 43-512, or when an application has been made pursuant to section 43-512.02, to immediately take action against the nonsupporting parent or stepparent of the dependent child. It shall be the duty of the county attorney or authorized attorney to initiate a child support enforcement action. If the county attorney initiates an action, he or she shall file either a criminal complaint for nonsupport under section 28-706 or a civil complaint against the nonsupporting parent or stepparent under section 43-512.03. If the attorney who initiates a child support enforcement action is an authorized attorney, he or she shall file a civil complaint against the nonsupporting parent or stepparent pursuant to section 43-512.03.

43-512.02. Child, spousal, and medical support collection; paternity determination; services available; application; fees; costs.

(1) Any child or any relative, lawful custodian, guardian, or next friend of a child may file with the county attorney, authorized attorney, or other office designated by the Department of Health and Human Services an application for the same child, spousal, and medical support collection or paternity determination services as are provided to dependent children and their relatives under sections 43-512 to 43-512.10 by the department, the county attorney, the authorized attorney, and the clerk of the district court.

(2) If an office other than the office of the county attorney or authorized attorney is authorized by the department to accept such applications and if the application discloses that such child has a parent or stepparent who is able to contribute to the support of such child and has failed to do so, a copy of the application shall immediately be filed with the county attorney or authorized attorney.

(3) (a) The department shall determine an application fee to be charged to each individual who applies for services available in this section which shall not exceed the fee amount allowed by Title IV-D of the federal Social Security Act, as amended. The fee shall be collected from the individual or paid by the department on the individual's behalf. The county attorney or authorized attorney may recover the fee from the parent or stepparent who owes child, spousal, or medical support and reimburse the applicant. The governmental entity which is actually collecting the delinquent support payments shall collect the fee and send it to the department.

(b) The department may establish a schedule of amounts to be charged to recover any costs incurred in excess of any fees collected to cover administrative costs of providing the full scope of services required by state law. The department shall by regulation establish a schedule of amounts to be paid for such services based upon the actual costs incurred in providing such services. The schedule shall be made available to all applicants for such services. Any amount charged to recover costs may be collected from the parent or stepparent who owes child, spousal, or medical support or from the individual who has applied for enforcement services, either directly from such individual or from the child or spousal support collected, but only if the individual has been notified that the county attorney or authorized attorney will recover costs from an individual who receives enforcement services. The department shall not impose an application fee for services in any case in which the department is authorized to continue to collect and distribute support payments after a family ceases to receive aid to dependent children payments.

43-512.03. County attorney or authorized attorney; duties; enumerated; department; powers; actions; real party in interest; representation; section, how construed.

(1) The county attorney or authorized attorney shall:

(a) On request by the Department of Health and Human Services as described in subsection (2) of this section or when the investigation or application filed under section [43-512](#) or [43-512.02](#) justifies, file a complaint against a nonsupporting party in the district, county, or separate juvenile court praying for an order for child or medical support in cases when there is no existing child or medical support order. After notice and hearing, the court shall adjudicate the child and medical support liability of either party and enter an order accordingly;

(b) Enforce child, spousal, and medical support orders by an action for income withholding pursuant to the Income Withholding for Child Support Act;

(c) In addition to income withholding, enforce child, spousal, and medical support orders by other civil actions or administrative actions, citing the defendant for contempt, or filing a criminal complaint;

(d) Establish paternity and collect child and medical support on behalf of children born out of wedlock; and

(e) Carry out sections [43-512.12](#) to [43-512.18](#).

(2) The department may periodically review cases of individuals receiving enforcement services and make referrals to the county attorney or authorized attorney.

(3) In any action brought by or intervened in by a county attorney or authorized attorney under the Income Withholding for Child Support Act, the License Suspension Act, the Uniform Interstate Family Support Act, or sections [42-347](#) to [42-381](#), [43-290](#), [43-512](#) to [43-512.18](#), [43-1401](#) to [43-1418](#), and [43-3328](#) to [43-3339](#), such attorneys shall represent the State of Nebraska.

(4) The State of Nebraska shall be a real party in interest in any action brought by or intervened in by a county attorney or authorized attorney for the purpose of establishing paternity or securing, modifying, suspending, or terminating child or medical support or in any action brought by or intervened in by a county attorney or authorized attorney to enforce an order for child, spousal, or medical support.

(5) Nothing in this section shall be construed to interpret representation by a county attorney or an authorized attorney as creating an attorney-client relationship between the county attorney or authorized attorney and any party or witness to the action, other than the State of Nebraska, regardless of the name in which the action is brought.

43-512.04. Child support or medical support; separate action allowed; procedure; presumption; decree; contempt.

(1) An action for child support or medical support may be brought separate and apart from any action for dissolution of marriage. The complaint initiating the action shall be filed with the clerk of the district court and may be heard by the county court or the district court as provided in section 25-2740. Such action for support may be filed on behalf of a child:

(a) Whose paternity has been established (i) by prior judicial order in this state, (ii) by a prior determination of paternity made by any other state as described in subsection (1) of section 43-1406, or (iii) by the marriage of his or her parents as described in section 42-377 or subsection (2) of section 43-1406;

(b) Whose paternity is presumed as described in section 43-1409 or subsection (2) of section 43-1415.

(2) The father, not having entered into a judicially approved settlement or being in default in the performance of the same, may be made a respondent in such action. The mother of the child may also be made a respondent in such an action. Such action shall be commenced by a complaint of the mother of the child, the father of the child whose paternity has been established, the guardian or next friend of the child, the county attorney, or an authorized attorney.

(3) The complaint shall set forth the basis on which paternity was previously established or presumed, if the respondent is the father, and the fact of non-support and shall ask that the father, the mother, or both parents be ordered to provide for the support of the child. Summons shall issue against the father, the mother, or both parents and be served as in other civil proceedings, except that such summons may be directed to the sheriff of any county in the state and may be served in any county. The method of trial shall be the same as in actions formerly cognizable in equity, and jurisdiction to hear and determine such actions for support is hereby vested in the district court of the district or the county court of the county where the child is domiciled or found or, for cases under the Uniform Interstate Family Support Act if the child is not domiciled or found in Nebraska, where the parent of the child is domiciled.

(4) In such proceeding, if the defendant is the presumed father as described in subdivision (1)(b) of this section, the court shall make a finding whether or not the presumption of paternity has been rebutted. The presumption of paternity created by acknowledgment as described in section 43-1409 may be rebutted as part of an equitable proceeding to establish support by genetic testing results which exclude the alleged father as being the biological father of the child. A court in such a proceeding may order genetic testing as provided in sections 43-1414 to 43-1418.

(5) If the court finds that the father, the mother, or both parents have failed adequately to support the child, the court shall issue a decree directing him, her, or them to do so, specifying the amount of such support, the manner in which it shall be furnished, and the amount, if any, of any court costs and attorney's fees to be paid by the father, the mother, or both parents. Income withholding shall be ordered pursuant to the Income Withholding for Child Support Act. The court may require the furnishing of bond to insure the performance of the decree in the same manner as is provided for in section 42-358.05 or 43-1405. Failure on the part of the defendant to perform the terms of such decree shall constitute contempt of court and may be dealt with in the same manner as other contempts. The court may also order medical support and the payment of expenses as described in section 43-1407.

43-512.05. Child, spousal, and medical support payments; district court clerks; furnish information; cooperative agreements; reimbursement for costs incurred.

(1) It shall be the duty of the clerks of the district courts to furnish the Department of Health and Human Services monthly statistical information and any other information required by the department to properly account for child, spousal, and medical support payments. The clerk of each district court shall negotiate and enter into a written agreement with the department in order to receive reimbursement for the costs incurred in carrying out sections 43-512 to 43-512.10 and 43-512.12 to 43-512.18.

(2) The department and the governing board of the county, county attorney, or authorized attorney may enter into a written agreement regarding the determination of paternity and child, spousal, and medical support enforcement for the purpose of implementing such sections. Paternity shall be established when it can be determined that the collection of child support is feasible.

(3) The department shall adopt and promulgate rules and regulations regarding the rate and manner of reimbursement for costs incurred in carrying out such sections, taking into account relevant federal law, available federal funds, and any appropriations made by the Legislature. Any reimbursement funds shall be added to the budgets of those county officials who have performed the services as called for in the cooperative agreements and carried over from year to year as required by law.

43-512.06. Locating absent parents; determining income and employer; access to information; assistance; purpose.

(1) Notwithstanding any other provisions of law regarding confidentiality of records, every department and agency of state, county, and city government and every employer or other payor as defined in section 43-1709 shall assist and cooperate with the Department of Health and Human Services in locating absent parents,

determining an absent parent's income and health insurance information, and identifying an absent parent's employer only for the purposes of establishing and collecting child, spousal, and medical support and of conducting reviews under sections 43-512.12 to 43-512.18. Such information shall be used for no other purpose. An action may be filed in district court to enforce this subsection.

(2) Notwithstanding any other provision of law regarding confidentiality of records, every public, private, or municipal utility shall, upon request, furnish to any county attorney, authorized attorney, or the Department of Health and Human Services a subscriber's name, social security number, and mailing and residence addresses only for the purposes of establishing and collecting child, spousal, and medical support and of conducting reviews under sections 43-512.12 to 43-512.18. Such information shall be used for no other purpose. An action may be filed in district court to enforce this subsection. For purposes of this subsection, utility shall mean any entity providing electrical, gas, water, telephone, garbage disposal, or waste disposal service, including, but not limited to, any district or corporation organized under Chapter 70.

43-512.07 Assignment of child, spousal, or medical support payments; when; duration; notice; unpaid court-ordered support; how treated.

(1) Any action, payment, aid, or assistance listed in this subsection shall constitute an assignment by operation of law to the Department of Health and Human Services of any right to spousal or medical support, when ordered by the court, and to child support, whether or not ordered by the court, which a person may have in his or her own behalf or on behalf of any other person for whom such person receives such payments, aid, or assistance:

(a) Application for and acceptance of one or more aid to dependent children payments by a parent, another relative, or a custodian;

(b) Receipt of aid by or on behalf of any dependent child as defined in section [43-504](#); or

(c) Receipt of aid from child welfare funds.

The assignment under this section is the right to support payments that become due while the person is receiving payments, aid, or assistance listed in this subsection. The department shall be entitled to retain such child, spousal, or other support up to the amount of payments, aid, or assistance provided to a recipient. For purposes of this section, the right to receive child support shall belong to the child and the assignment shall be effective as to any such support even if the recipient of the payments, aid, or assistance is not the same as the payee of court-ordered support.

(2) After notification of the State Disbursement Unit receiving the child, spousal, or other support payments made pursuant to a court order that the person for whom such support is ordered is a recipient of payments, aid, or assistance listed in subsection (1) of this section, the department shall also give notice to the payee named in the court order at his or her last-known address.

(3) Upon written or other notification from the department or from another state of such assignment of child, spousal, or other support payments, the State Disbursement Unit shall transmit the support payments received to the department or the other state without the requirement of a subsequent order by the court. The State Disbursement Unit shall continue to transmit the support payments for as long as the payments, aid, or assistance listed in subsection (1) of this section continues.

(4) Any court-ordered child, spousal, or other support remaining unpaid for the months during which such payments, aid, or assistance was made shall constitute a debt and a continuing assignment at the termination of payments, aid, or assistance listed in subsection (1) of this section, collectible by the department or other state as reimbursement for such payments, aid, or assistance. The continuing assignment shall only apply to support payments made during a calendar period which exceed the specific amount of support ordered for that period. When payments, aid, or assistance listed in subsection (1) of this section have ceased and upon notice by the department or the other state, the State Disbursement Unit shall continue to transmit to the department or the other

state any support payments received in excess of the amount of support ordered for that specific calendar period until notified by the department or the other state that the debt has been paid in full.

43-512.08. Intervention in matters relating to child, spousal, or medical support; when authorized.

The county attorney or authorized attorney, acting for or on behalf of the State of Nebraska, may intervene without leave of the court in any proceeding for dissolution of marriage, paternity, separate maintenance, or child, spousal, or medical support for the purpose of securing an order for child, spousal, or medical support, modifying an order for child or medical support, or modifying an order for child support as the result of a review of such order under sections 43-512.12 to 43-512.18. Such proceedings shall be limited only to the determination of child or medical support. Except in cases in which the intervention is the result of a review under such sections, the county attorney or authorized attorney shall so act only when it appears that the children are not otherwise represented by counsel.

43-512.09. Garnishment for collection of child support or medical support; where filed. A garnishment for the collection of child support or medical support may be filed in any jurisdiction where any property or credits of the defendant may be found irrespective of the residence of the creditors or the place where the debt is payable.

43-512.10. Sections, how construed. Sections 43-512 to 43-512.10 and 43-512.12 to 43-512.18 shall be interpreted so as to facilitate the determination of paternity, child, spousal, and medical support enforcement, and the conduct of reviews under such sections.

43-512.11. Work and education programs; department; report. The Department of Health and Human Services shall submit electronically an annual report, not later than February 1 of each year, to the Legislature regarding the effectiveness of programs established pursuant to subdivision (5)(a) of section [43-512](#). The report shall include, but not be limited to:

- (1) The number of program participants;
- (2) The number of program participants who become employed, whether such employment is full time or part time or subsidized or unsubsidized, and whether the employment was retained for at least thirty days;
- (3) Supportive services provided to participants in the program;
- (4) Grant reductions realized; and
- (5) A cost and benefit statement for the program.

43-512.12. Title IV-D child support order; review by Department of Health and Human Services; when.

(1) Child support orders in cases in which a party has applied for services under Title IV-D of the federal Social Security Act, as amended, shall be reviewed by the Department of Health and Human Services to determine whether to refer such orders to the county attorney or authorized attorney for filing of an application for modification. An order shall be reviewed by the department upon its own initiative or at the request of either parent when such review is required by Title IV-D of the federal Social Security Act, as amended. After review the department shall refer an order to a county attorney or authorized attorney when the verifiable financial information available to the department indicates:

(a) The present child support obligation varies from the Supreme Court child support guidelines pursuant to section [42-364.16](#) by more than the percentage, amount, or other criteria established by Supreme Court rule, and the variation is due to financial circumstances which have lasted at least three months and can reasonably be expected to last for an additional six months; or

(b) Health care coverage meeting the requirements of subsection (2) of section [42-369](#) is available to either party and the children do not have health care coverage other than the medical assistance program under the Medical Assistance Act. Health care coverage cases may be modified within three years of entry of the order.

(2) Orders that are not addressed under subsection (1) of this section shall not be reviewed by the department if it has not been three years since the present child support obligation was ordered unless the requesting party demonstrates a substantial change in circumstances that is expected to last for the applicable time period established by subdivision (1)(a) of this section. Such substantial change in circumstances may include, but is not limited to, change in employment, earning capacity, or income or receipt of an ongoing source of income from a pension, gift, or lottery winnings. An order may be reviewed after one year if the department's determination after the previous review was not to refer to the county attorney or authorized attorney for filing of an application for modification because financial circumstances had not lasted or were not expected to last for the time periods established by subdivision (1)(a) of this section.

43-512.13. Title IV-D child support order; review; notice requirements; additional review.

(1) When review of a child support order pursuant to section 43-512.12 has been requested by one of the parents or initiated by the Department of Health and Human Services, the department shall send notice of the pending review to each parent affected by the order at the parent's last-known mailing address thirty days before the review is conducted. Such review shall require the parties to submit financial information as provided in sections 43-512.14 and 43-512.17.

(2) After the department completes the review of the child support order in accordance with section 43-512.12, it shall send notice to each parent of the determination to refer or not refer the order to the county attorney or authorized attorney for filing of an application for modification of the order in the district court. Each parent shall be allowed thirty days to submit to the department a written request for a review of such determination. The parent requesting review shall submit the request in writing to the department, stating the reasons for the request and providing written evidence to support the request. The department shall review the available verifiable financial information and make a final determination whether or not to refer the order to the county attorney or authorized attorney for filing of an application for modification of the child support order. Written notice of such final determination shall be sent to each parent affected by the order at the parent's last-known mailing address. A final determination under this subsection shall not be considered a contested case for purposes of the Administrative Procedure Act.

43-512.14. Title IV-D child support order; financial information; duty to provide; failure; effect; referral of order; effect. Each parent requesting review shall provide the financial information as provided in section 43-512.17 to the Department of Health and Human Services upon request of the department. The parent requesting review shall also provide an affidavit regarding the financial circumstances of the nonrequesting parent upon the request of the department. Failure by a nonrequesting parent to provide adequate financial information shall create a rebuttable presumption that such parent's income has changed for purposes of section 43-512.12.

Referral of an order to a county attorney or authorized attorney under this section shall create a rebuttable presumption that there has been a material change in financial circumstances of one of the parents such that the child support obligation shall be increased at least ten percent if there is inadequate financial information regarding the noncustodial parent or that the child support obligation shall be decreased at least ten percent if there is inadequate financial information regarding the custodial parent. Such referral shall also be sufficient to rebut the presumption specified in section 42-364.16, and the court, after notice and an opportunity to be heard, may order a decrease or an increase of at least ten percent in the child support obligation as provided in this section.

43-512.15. Title IV-D child support order; modification; when; procedures.

(1) The county attorney or authorized attorney, upon referral from the Department of Health and Human Services, shall file a complaint to modify a child support order unless the attorney determines in the exercise of independent professional judgment that:

(a) The variation from the Supreme Court child support guidelines pursuant to section [42-364.16](#) is based on material misrepresentation of fact concerning any financial information submitted to the attorney;

(b) The variation from the guidelines is due to a voluntary reduction in net monthly income. For purposes of this section, a person who has been incarcerated for a period of one year or more in a county or city jail or a federal or state correctional facility shall be considered to have an involuntary reduction of income unless (i) the incarceration is a result of a conviction for criminal nonsupport pursuant to section [28-706](#) or a conviction for a violation of any federal law or law of another state substantially similar to section [28-706](#), (ii) the incarcerated individual has a documented record of willfully failing or neglecting to provide proper support which he or she knew or reasonably should have known he or she was legally obligated to provide when he or she had sufficient resources to provide such support, or (iii) the incarceration is a result of a conviction for a crime in which the child who is the subject of the child support order was victimized; or

(c) When the amount of the order is considered with all the other undisputed facts in the case, no variation from the criteria set forth in subdivisions (1)(a) and (b) of section [43-512.12](#) exists.

(2) The department, a county attorney, or an authorized attorney shall not in any case be responsible for reviewing or filing an application to modify child support for individuals incarcerated as described in subdivision (1)(b) of this section.

(3) The proceedings to modify a child support order shall comply with section [42-364](#), and the county attorney or authorized attorney shall represent the state in the proceedings.

(4) After a complaint to modify a child support order is filed, any party may choose to be represented personally by private counsel. Any party who retains private counsel shall so notify the county attorney or authorized attorney in writing.

43-512.16. Title IV-D child support order; review of health insurance provisions. The county attorney or authorized attorney shall review the health care coverage provisions contained in any child support order which is subject to review under section [43-512.12](#) and shall include in any application for modification a request that the court order health care coverage or cash medical support as provided in subsection (2) of section [42-369](#).

43-512.17. Title IV-D child support order; financial information; disclosure; contents. Any financial information provided to the Department of Health and Human Services, the county attorney, or the authorized attorney by either parent for the purpose of facilitating a modification proceeding under sections [43-512.12](#) to [43-512.18](#) may be disclosed to the other parties to the case or to the court. Financial information shall include the following:

- (1) An affidavit of financial status provided by the party requesting review;
- (2) An affidavit of financial status of the nonrequesting party provided by the nonrequesting party or by the requesting party at the request of the county attorney or authorized attorney;
- (3) Supporting documentation such as state and federal income tax returns, paycheck stubs, W-2 forms, 1099 forms, bank statements, and other written evidence of financial status; and
- (4) Information relating to health care coverage as provided in subsection (2) of section [42-369](#).

43-512.18. Title IV-D child support order; communication technology; use authorized. A court may use any available technology that would allow the parties to communicate with each other to conduct a hearing or any proceeding required pursuant to sections [43-512.12](#) to [43-512.17](#).

43-513. Aid to dependent children; standard of need; adjustment; limitation. The standard of need for aid to dependent children payments shall be adjusted on July 1 of every second year beginning July 1, 1997. The adjustment shall be made on the basis of the rate of growth of the Consumer Price Index as determined by the United States Department of Labor, Bureau of Labor Statistics, for the two previous calendar years. The aid to dependent children payment shall not be greater than the amount specified by section [43-512](#).

43-513.01. Judgment for child support; death of judgment debtor. A judgment for child support shall not abate upon the death of the judgment debtor.

43-514. Payments; to whom made. Payments of assistance with respect to any dependent child shall be made to any person or persons in whose home the residence of such child is maintained.

43-515. Department of Health and Human Services; investigations; approval or disapproval of application; notice. In each case the Department of Health and Human Services shall make such investigation and reinvestigations as may be necessary to determine family circumstances and eligibility for assistance payments. Each applicant and recipient shall be notified in writing as to the approval or disapproval of any application, as to the amount of payments awarded, as to any change in the amount of payments awarded, and as to the discontinuance of payments.

43-516. Department of Health and Human Services; participants in aid to dependent children; collect data and information.

The Department of Health and Human Services shall collect the following data and information yearly:

- (1) The total number of participants in the aid to dependent children program described in section [43-512](#) pursuing an associate degree;
- (2) Graduation rates of such participants, the number of participants that are making satisfactory progress in their educational pursuits, and the length of time participants participate in education to fulfill their work requirement under the program;
- (3) The monthly earnings, educational level attained, and employment status of such participants at six months and at twelve months after terminating participation in the aid to dependent children program; and
- (4) A summary of activities performed by the department to promote postsecondary educational opportunities to participants in the aid to dependent children program.

43-517. Department of Health and Human Services; report; public record.

(1) The Department of Health and Human Services shall provide a report to the Governor and the Legislature no later than December 1 each year regarding the data and information collected pursuant to section [43-516](#), including a summary of such data and information. The report submitted to the Legislature shall be submitted electronically.

(2) The data and information collected under such section shall be considered a public record under section [84-712.01](#).

43-522. State assistance funds; how expended; medical care. The Department of Health and Human Services shall expend state assistance funds allocated for medically handicapped children to supplement other state, county, and municipal, benevolent, fraternal, and charitable expenditures, to extend and improve, especially in rural areas and in areas suffering from severe economic distress, services for locating physically and medically handicapped children and for providing medical, surgical, correction, and other services and care, and facilities for diagnosis, hospitalization, and aftercare, for children who are physically or medically handicapped or who are suffering from conditions which lead to medical handicaps. Expenditures and services shall be uniformly distributed so far as possible or practicable under conditions and circumstances which may be found to exist.

43-523. Department of Health and Human Services; reports. The Department of Health and Human Services shall make such reports to the Department of Health and Human Services of the United States in such form and containing such information as such department may from time to time require, and the department shall comply with such provisions as necessary to assure the correctness of such reports.

43-524. Department of Health and Human Services; duty to cooperate with other welfare agencies. The Department of Health and Human Services shall cooperate with medical, health, nursing, and welfare groups and organizations and with any agency in the state charged with providing for local rehabilitation of physically handicapped children.

43-525. Child welfare services; state assistance funds; expenditure. The Department of Health and Human Services shall expend state assistance funds allocated for child welfare services in establishing, extending, and strengthening, especially in rural areas, child welfare services mentioned in sections 43-501 to 43-526, for which other funds are not specifically or sufficiently made available by such sections or other laws of this state.

43-526. State agencies; distribution of funds; uniformity; assumption of obligations; limit. The state agencies provided for herein shall distribute and cause said funds to be used in as uniform and equal a manner as practicable for the benefit of the children to be assisted by such services, taking into consideration the health, moral surroundings, sanitary conditions, parental responsibility, mentality and other circumstances of each case. 43-529. Aid to dependent children; needs of persons with whom child is living; payment; requirements.

(1) Payments with respect to any dependent child, including payments to meet the needs of the relative with whom such child is living, such relative's spouse, and the needs of any other individual living in the same home as such child and relative if such needs are taken into account in making the determination for eligibility of such child to receive aid to families with dependent children, may be made on behalf of such child, relative, and other person to either (a) another individual who, in accordance with standards set by the Department of Health and Human Services, is interested in or concerned with the welfare of such child or relative, or (b) directly to a person or entity furnishing food, living accommodations, or other goods, services, or items to or for such child, relative, or other person, or (c) both such individual and such person or entity.

(2) No such payments shall be made unless all of the following conditions are met: (a) The department has determined that the relative of such child with respect to whom such payments are made has such inability to manage funds that making payments to him or her would be contrary to the welfare of the child and that it is therefore necessary to provide such aid with respect to such child and relative through payments described above to another interested individual, (b) the department has made arrangements for undertaking and continuing special efforts to develop greater ability on the part of the relative to manage funds in such a manner as to protect the welfare of the family, and (c) the department has approved a plan that provides for a periodic review to ascertain whether conditions justifying such payments still exist, with provision for termination of such payments if such conditions no longer exist and for judicial appointment of a guardian or conservator if it appears that the need for such special payments is continuing or is likely to continue beyond a period specified by the department.

43-530 and 43-531. [Repealed]

43-532 through 43-534. (See Table of Contents for "Family Policy Act.")

43-535. Families; training and treatment programs; legislative findings.

The Legislature hereby finds and declares that the family is the backbone of Nebraska and it is in the best interests of Nebraska to solidify, preserve, strengthen, and maintain the family unit. Often when a family member is afflicted with substance abuse or mental health problems all family members are affected and the family unit itself becomes fragmented and begins to deteriorate. It is the intent of the Legislature, through the appropriations prescribed in Laws 1988, LB 846, to use a portion of the funds to implement programs to train qualified personnel and to establish creative programs in the areas of family-centered counseling and the prevention and treatment of substance abuse or mental health problems within such families consistent with the findings and principles of sections [43-532](#) to [43-534](#). The personnel training and treatment programs shall be designed to aid each family member and the family unit by using counseling and any other necessary creative treatment programs which are the least intrusive and least restrictive on the family unit yet serve to repair and strengthen such unit.

43-536. Child care reimbursement; market rate survey; adjustment of rate; participation in quality rating and improvement system; effect.

In determining the rate of reimbursement for child care, the Department of Health and Human Services shall conduct a market rate survey of the child care providers in the state. The department shall adjust the reimbursement rate for child care every odd-numbered year at a rate not less than the sixtieth percentile and not to exceed the seventy-fifth percentile of the current market rate survey, except that (1) nationally accredited child care providers may be reimbursed at higher rates and (2) an applicable child care or early childhood education program, as defined in section [71-1954](#), that is participating in the quality rating and improvement system and has received a rating of step three or higher under the Step Up to Quality Child Care Act may be reimbursed at higher rates based upon the program's quality scale rating under the quality rating and improvement system.

XV. MISCELLANEOUS PROVISIONS REGARDING CHILDREN COMMITTED TO DHHS AND THE PLACEMENT OF CHILDREN

43-701. License; when required; issuance; revocation. Except as otherwise provided in the Nebraska Indian Child Welfare Act, no person, other than a parent, shall (1) place, (2) assist in placing, (3) advertise a child for placement, or (4) give the care and custody of any child to any person or association for adoption or otherwise, except for temporary or casual care, unless such person shall be duly licensed by the Department of Health and Human Services under such rules and regulations as the department shall prescribe. 43-706. Abuse or neglect by custodian; filing of complaint. Whenever the Department of Health and Human Services has reason to believe that any person having the care or custody of a child placed out, and not legally adopted, is an improper person for such care or custody, or subjects such child to cruel treatment, or neglect, or immoral surroundings, it shall cause a complaint to be filed in the proper juvenile court.

43-707. Protection of children; Department of Health and Human Services; powers and duties.

The Department of Health and Human Services shall have the power and it shall be its duty:

(1) To promote the enforcement of laws for the protection and welfare of children born out of wedlock, mentally and physically handicapped children, and dependent, neglected, and delinquent children, except laws the administration of which is expressly vested in some other state department or division, and to take the initiative in all matters involving such children when adequate provision therefor has not already been made;

Nothing in sections 43-701 to 43-709 shall be construed as limiting the power of a parent or guardian to determine what treatment or correction shall be provided for a child or the agency or agencies to be employed for such purposes.

43-709. Violation; penalty. Any person or agency who or which shall violate any of the provisions of sections 43-701 to 43-709 shall be guilty of a Class III misdemeanor, and this penalty shall apply to officers and employees of agencies.

43-901. Repealed. Laws 1996, LB 1155, s. 121.

The department is authorized to place such children in suitable families for adoption, foster care, or guardianship or, in the discretion of the department, on a written contract.

(2) The contract shall provide (a) for the children's education in the public schools or otherwise, (b) for teaching them some useful occupation, and (c) for kind and proper treatment as members of the family in which they are placed.

(3) Whenever any child who has been committed to the department becomes self-supporting, the department shall declare that fact and the legal custody and care of the department shall cease. Thereafter the child shall be entitled to his or her own earnings. Legal custody and care of and services by the department shall never extend beyond the age of majority, except that (a) services by the department to a child shall continue until the child reaches the age of twenty-one if the child is in the bridge to independence program as provided in the Young

(4) Whenever the parents of any ward, whose parental rights have not been terminated, have become able to support and educate their child, the department shall restore the child to his or her parents if the home of such parents would be a suitable home. The legal custody and care of the department shall then cease.

(5) Whenever permanent free homes for the children cannot be obtained, the department may provide subsidies to adoptive and guardianship families subject to a hearing and court approval. The department may also provide and pay for the maintenance of the children in foster care, in boarding homes, or in institutions for care of children.

43-906. Adoption; consent. Except as otherwise provided in the Nebraska Indian Child Welfare Act, the Department of Health and Human Services, or its duly authorized agent, may consent to the adoption of children committed to it upon the order of a juvenile court if the parental rights of the parents or of the mother of a child born out of wedlock have been terminated and if no father of a child born out of wedlock has timely asserted his paternity rights under section 43-104.02, or upon the relinquishment to such department by their parents or the mother and, if required under sections 43-104.08 to 43-104.25, the father of a child born out of wedlock. The parental rights of parents of a child born out of wedlock shall be determined pursuant to sections 43-104.05 and 43-104.08 to 43-104.25.

43-907. Assets; custody; records; expenditures; investments. Unless a guardian shall have been appointed by a court of competent jurisdiction, the Department of Health and Human Services shall take custody of and exercise general control over assets owned by children under the charge of the department. Children owning assets shall at all times pay for personal items. Assets over and above a maximum of one thousand dollars and current income shall be available for reimbursement to the state for the cost of care. Assets may be deposited in a checking account, invested in United States bonds, or deposited in a savings account insured by the United States Government. All income received from the investment or deposit of assets shall be credited to the individual child whose assets were invested or deposited. The department shall make and maintain detailed records showing all receipts, investments, and expenditures of assets owned by children under the charge of the department.

43-908. Child reaching age of majority; disposition of assets. An attempt shall be made by the Department of Health and Human Services to locate children who arrive at the age of majority for the purpose of delivering and transferring to any such child such funds or property as he or she may own. In the event that such child cannot be located within five years after the child arrives at the age of majority, any funds or assets owned by him or her shall be transferred to the state treasury of the State of Nebraska.

81-603. Formal grievance process for families involved in child welfare system or juvenile justice system; duties; report.

The Department of Health and Human Services shall implement a formal grievance process for families involved in the child welfare system or juvenile justice system. Such grievance process shall ensure that families are not dissuaded from utilizing the grievance process for fear of reprisal from the department, providers, or foster parents. A report of each grievance allegation and the determination of and any action to be taken by the department shall be provided to the Inspector General for Nebraska Child Welfare within ten days after such determination is made.

XVI. EARLY INTERVENTION ACT

43-2501. Act, how cited. Sections [43-2501](#) to [43-2516](#) shall be known and may be cited as the Early Intervention Act.

43-2502. Legislative intent. It is the intent of the Legislature to assist in securing early intervention services to infants or toddlers with disabilities and their families in accordance with the federal early intervention program and whenever possible in concert with the family policy objectives prescribed in sections [43-532](#) to [43-534](#) and federal and state initiatives. Such services are necessary to:

- (1) Enhance the development of infants and toddlers with disabilities;
- (2) Reduce the costs to our society by minimizing the need for special services, including special education and related services, after such infants or toddlers reach school age;
- (3) Minimize the likelihood of institutionalization of persons with disabilities and maximize their potential for independent living in society;
- (4) Enhance the capacity of families to meet the needs of their infants or toddlers with disabilities;
- (5) Strengthen, promote, and empower families to determine the most appropriate use of resources to address the unique and changing needs of families and their infants or toddlers with disabilities; and
- (6) Enhance the capacity of state and local agencies and service providers to identify, evaluate, and meet the needs of historically underrepresented populations, particularly minority, low-income, and rural populations.

43-2502.01. General findings and declarations. The Legislature hereby finds and declares that:

- (1) All families have strengths;
- (2) families strengthen communities;
- (3) families are the primary decisionmakers for their children; and
- (4) all families have needs that change over time and require the support of their communities.

43-2502.02. Legislative findings. The Legislature further finds that:

- (1) Many state initiatives for improving or reforming the current service delivery systems for children and their families have been identified and are currently underway within Nebraska;
- (2) there is a need to facilitate coordination and promote communication across these efforts to identify common visions and approaches and to establish linkages across health, social services, family support services, mental health, and education initiatives at the state and community levels; and (3) these initiatives need continued support and nurturing in order to empower communities and families and to provide and promote an integrated service delivery system.

43-2502.03. Legislative declarations. The Legislature declares that it shall be the policy of the State of Nebraska to promote the development of a statewide system of comprehensive, coordinated, family-centered, community-based, and culturally competent services for children and their families to assure that services help build strong families and provide appropriate environments prenatally and for children from birth through their early years in programs and services which are:

- (1) Family-centered, recognizing that parents have the primary responsibility for their children's development and learning and that programs must recognize and support the role of parents through family-friendly criteria in planning their structure, services, staffing, and delivery;

(2) Comprehensive, recognizing that services must include attention to all aspects of the child and family and address needed health and nutrition, education, family support, and social services. Such a service system should allow families to choose the services they need with minimal costs and requirements;

(3) Coordinated, recognizing that collaboration among the state agencies and variety of private and community programs and services is required to assure that comprehensive child and family needs are met and that the most efficient use is made of public resources, community services, and informal support systems of families;

(4) Quality, recognizing that outcomes for children in the early years are strengthened when programs and services display indicators of quality, including developmentally appropriate practices, extensive family involvement, trained staff, and culturally responsive approaches;

(5) Inclusive, recognizing that all children benefit when they have optimum opportunities to interact with peer groups of children with diverse backgrounds and characteristics; and

(6) Equitable, recognizing that program practices strive for potential achievement of all children including children from minority groups, with disabilities, from less advantaged backgrounds, and from less populated geographic areas.

43-2502.04. Declaration of policy. The Legislature further declares that it shall be the policy of the State of Nebraska, through the implementation of the Early Intervention Act, to promote, facilitate, and support:

(1) Healthy families, enhancing the well-being of each family member as well as that of the family as a unit and encouraging family independence and decisionmaking about the future of their children;

(2) Service systems which are responsive, flexible, integrated, and accessible to children and their families;

(3) Community ownership, recognizing that families live and children grow up in communities, that programs are implemented in communities, and that all families need supportive communities; and

(4) Maximum impact of prevention and early intervention, encouraging and supporting active parent and family partnership in all programs and services.

43-2503. Purposes of act. The purposes of the Early Intervention Act shall be to:

(1) Develop and implement a statewide system of comprehensive, coordinated, family-centered, community-based, and culturally competent early intervention services for infants or toddlers with disabilities and their families through the collaboration of the Department of Health and Human Services, the State Department of Education, and all other relevant agencies or organizations at the state, regional, and local levels;

(2) Establish and implement a billing system for accessing federal medicaid funds;

(3) Establish and implement services coordination through a community team approach;

(4) Facilitate the coordination of payment for early intervention services from federal, state, local, and private sources including public and private insurance coverage; and

(5) Enhance Nebraska's capacity to provide quality early intervention services and expand and improve existing early intervention services being provided to eligible infants or toddlers with disabilities and their families.

43-2504. Repealed. Laws 1993, LB 520, § 31.

43-2505. Terms, defined. For purposes of the Early Intervention Act:

- (1) Collaborating agencies means the Department of Health and Human Services and the State Department of Education;
- (2) Developmental delay has the definition found in [section 79-1118.01](#);

On or before October 1, 2015, the Department of Health and Human Services and the State Department of Education shall jointly revise the statewide billing system to streamline and simplify the claims process, to update reimbursement rates, and to incorporate services included in the state plan amendment submitted pursuant to subsection (4) of section [68-911](#). After the reimbursement rates have been updated pursuant to this section, such rates shall be reviewed at least once every five years. School districts, educational service units, or approved cooperatives providing special education and related services shall be required to participate in the statewide billing system. Eleven and fifty-four hundredths percent of federal medicaid funds received by school districts pursuant to such billing system shall be considered reimbursement for the costs to school districts associated with the implementation and administration of such a system, and such costs shall be included in the medicaid reimbursement rates to be established for each service. From the amount provided pursuant to section [43-2515](#) to aid in carrying out the Early Intervention Act, the Department of Health and Human Services shall retain, for the purposes of implementing and administering the statewide billing system and early intervention services coordination services, an amount equal to the lesser of the actual cost of implementing and administering the statewide billing system and early intervention services coordination services or (1) for fiscal year 2014-15, two hundred forty-two thousand dollars, (2) for fiscal year 2015-16, three hundred thousand dollars, or (3) for fiscal year 2016-17 and each fiscal year thereafter, the amount retained for such purposes for the prior year increased by five percent.

The General Fund appropriation to the State Department of Education for state special education aid for the then-current fiscal year shall be decreased by an amount equal to the amount that would have been reimbursed with state general funds to the school districts through the special education reimbursement process for special education services for children five years of age and older that was paid to school districts or approved cooperatives with federal medicaid funds.

For fiscal years through fiscal year 2015-16, it is the intent of the Legislature that an amount equal to the amount that would have been reimbursed with state general funds to the school districts, certified to the budget administrator, be appropriated from the General Fund to aid in carrying out the provisions of the Early Intervention Act and other related early intervention services.

For 2015 and each year thereafter, on or before December 1, the Department of Health and Human Services and the State Department of Education shall jointly certify to the budget administrator of the budget division of the Department of Administrative Services the aggregate amount to be included in the local system formula resources pursuant to subdivision (16) of section [79-1018.01](#) for all local systems for aid to be calculated pursuant to the Tax Equity and Educational Opportunities Support Act for the next school fiscal year.

For fiscal year 2016-17 and each fiscal year thereafter, it is the intent of the Legislature that, in addition to other state and federal funds used to carry out the Early Intervention Act, funds equal to the lesser of the amount certified to the budget administrator or the amount appropriated or transferred for such purposes pursuant to this

section for the immediately preceding fiscal year increased by five percent be appropriated from the General Fund to aid in carrying out the provisions of the Early Intervention Act and other related early intervention services.

- (1) Child shall mean a child under the age of eighteen years born out of wedlock;
- (2) Child born out of wedlock shall mean a child whose parents were not married to each other at the time of its birth, except that a child shall not be considered as born out of wedlock if its parents were married at the time of its conception but divorced at the time of its birth. The definition of legitimacy or illegitimacy for other purposes shall not be affected by the provisions of such sections; and
- (3) Support shall include reasonable education.

43-1402. Child support; liability of parents. The father of a child whose paternity is established either by judicial proceedings or by acknowledgment as hereinafter provided shall be liable for its support to the same extent and in the same manner as the father of a child born in lawful wedlock is liable for its support. The mother of a child shall also be liable for its support. The liability of each parent may be determined, enforced, and discharged in accordance with the methods hereinafter provided.

43-1403. Support by county; conditions. In case of the neglect or inability of the parents, or either of them, to support a child, it shall be supported by the county chargeable therewith under the provisions of Chapter 68. Nothing in this section shall be construed to make a child ineligible to receive relief to which it might otherwise be entitled under any law enacted for the relief of children.

43-1404. Child support; liability of parents; discharge. The liability of the father or mother of a child for its support shall be discharged by compliance with the terms of a judicial decree for support or the terms of a judicially approved settlement or by the adoption of the child by some other person or persons.

A settlement provided for in section 43-1404 means a voluntary agreement between the father of the child and the mother or some person authorized to act in her behalf, or between the father and the next friend or guardian of the child, whereby the father promises to make adequate provision for the support of the child. In the event that such a settlement is made it shall be binding on all parties and shall bar all other remedies of the mother and child and the legal representatives of the child so long as it shall be performed by the father, if said settlement is approved by the court having jurisdiction to compel the support of the child. The court shall approve such settlement only if it shall find and determine that adequate provision is made for the support of the child and that the father shall have offered clear evidence of his willingness and ability to perform the agreement. The court, in its discretion, may require the father to furnish bond with proper sureties conditioned upon the performance of the settlement.

43-1406. Determination of paternity by other state; full faith and credit; legitimacy of child.

- (1) A determination of paternity made by any other state, whether established through voluntary acknowledgment, genetic testing, or administrative or judicial processes, shall be given full faith and credit by this state.
- (2) A child whose parents marry is legitimate.

43-1407. Expenses of mother; liability of father; enforcement; payment by medical assistance program; recovery; procedure.

- (1) The father of a child shall also be liable for the reasonable expenses of (a) the child that are associated with the birth of the child and (b) the mother of such child during the period of her pregnancy, confinement, and recovery. Such liability shall be determined and enforced in the same manner as the liability of the father for the support of the child.

(2) In cases in which any medical expenses associated with the birth of the child and the mother of such child during the period of her pregnancy, confinement, and recovery are paid by the medical assistance program, the county attorney or authorized attorney, as defined in section 43-1704, may petition the court for a judgment for all or a portion of the reasonable medical expenses paid by the medical assistance program. Any medical expenses associated with the birth of such child and the mother of such child during the period of her pregnancy, confinement, and recovery that are approved and paid by the medical assistance program shall be presumed to be medically reasonable. If the father challenges any such expenses as not medically reasonable, he has the burden of proving that such expenses were not medically reasonable.

(3) A civil proceeding to recover medical expenses pursuant to this section may be instituted within four years after the child's birth. Summons shall issue and be served as in other civil proceedings, except that such summons may be directed to the sheriff of any county in the state and may be served in any county

(1) During the period immediately before or after the in-hospital birth of a child whose mother was not married at the time of either conception or birth of the child or at any time between conception and birth of the child, the person in charge of such hospital or his or her designated representative shall provide to the child's mother and alleged father, if the alleged father is readily identifiable and available, the documents and written instructions for such mother and father to complete a notarized acknowledgment of paternity. Such acknowledgment, if signed by both parties and notarized, shall be filed with the Department of Health and Human Services at the same time at which the certificate of live birth is filed.

Nothing in this section shall be deemed to require the person in charge of such hospital or his or her designee to seek out or otherwise locate an alleged father who is not readily identifiable or available.

(2) The acknowledgment shall be executed on a form prepared by the department. Such form shall be in essentially the same form provided by the department and used for obtaining signatures required by section 71-640.02. The acknowledgment shall include, but not be limited to, (a) a statement by the mother consenting to the acknowledgment of paternity and a statement that the alleged father is the biological father of the child, (b) a statement by the alleged father that he is the biological father of the child, (c) written information regarding parental rights and responsibilities, and (d) the social security numbers of the parents.

(3) The form provided for in subsection (2) of this section shall also contain instructions for completion and filing with the department if it is not completed and filed with a birth certificate as provided in subsection (1) of this section.

(4) The department shall accept completed acknowledgment forms and make available to county attorneys or authorized attorneys a record of acknowledgments it has received, as provided in subsection (1) of section 71-612. The department may prepare photographic, electronic, or other reproductions of acknowledgments. Such reproductions, when certified and approved by the department, shall be accepted as the original records, and the documents from which permanent reproductions have been made may be disposed of as provided by rules and regulations of the department.

(5) The department may by regulation establish a nominal payment and procedure for payment by the department for each acknowledgment filed with the department. The amount of such payments and the entities receiving such payments shall be within the limits allowed by Title IV-D of the federal Social Security Act, as amended.

43-1409. Notarized acknowledgment of paternity; rebuttable presumption; admissibility; rescission. The signing of a notarized acknowledgment, whether under section 43-1408.01 or otherwise, by the alleged father shall create a rebuttable presumption of paternity as against the alleged father. The signed, notarized acknowledgment is subject to the right of any signatory to rescind the acknowledgment within the earlier of (1) sixty days or (2) the date of an administrative or judicial proceeding relating to the child, including a proceeding to establish a support order in which the signatory is a party. After the rescission period a signed, notarized acknowledgment is considered a legal finding which may be challenged only on the basis of fraud, duress, or material mistake of fact with the burden of proof upon the challenger, and the legal responsibilities, including the child support obligation, of any signatory arising from the acknowledgment shall not be suspended during the challenge, except for good cause shown. Such a signed and notarized acknowledgment or a certified copy or certified reproduction thereof shall be admissible in evidence in any proceeding to establish support.

43-1410. Child support; decree or approved settlement; effect after death of parent. Any judicially approved settlement or order of support made by a court having jurisdiction in the premises shall be binding on the legal representatives of the father or mother in the event of his or her death, to the same extent as other contractual obligations and judicial judgments or decrees.

43-1411. Paternity; action to establish; venue; limitation; summons. A civil proceeding to establish the paternity of a child may be instituted, in the court of the district where the child is domiciled or found or, for cases under the Uniform Interstate Family Support Act, where the alleged father is domiciled, by (1) the mother or the alleged father of such child, either during pregnancy or within four years after the child's birth, unless (a) a valid consent or relinquishment has been made pursuant to sections 43-104.08 to 43-104.25 or section 43-105 for purposes of adoption or (b) a county court or separate juvenile court has jurisdiction over the custody of the child or jurisdiction over an adoption matter with respect to such child pursuant to sections 43-101 to 43-116 or (2) the guardian or next friend of such child or the state, either during pregnancy or within eighteen years after the child's birth. Summons shall issue and be served as in other civil proceedings, except that such summons may be directed to the sheriff of any county in the state and may be served in any county.

43-1411.01. Paternity or parental support; jurisdiction; termination of parental rights; provisions applicable.

(1) An action for paternity or parental support under sections [43-1401](#) to [43-1418](#) may be initiated by filing a complaint with the clerk of the district court as provided in section [25-2740](#). Such proceeding may be heard by the county court or the district court as provided in section [25-2740](#). A paternity determination under sections [43-1411](#) to [43-1418](#) may also be decided in a county court or separate juvenile court if the county court or separate juvenile court already has jurisdiction over the child whose paternity is to be determined.

(2) Whenever termination of parental rights is placed in issue in any case arising under sections [43-1401](#) to [43-1418](#), the Nebraska Juvenile Code and the Parenting Act shall apply to such proceedings.

Source: Laws 1997, LB 229, § 38; Laws 1998, LB 1041, § 46; Laws 2004, LB 1207, § 40; Laws 2008, LB1014, § 46; Laws 2013, LB561, § 44.

43-1412. Paternity; action to establish; procedure; public hearings prohibited; evidence; default judgment; decree; payment of costs and fees.

(1) The method of trial shall be the same as that in other civil proceedings, except that the trial shall be by the court without a jury unless a jury is requested (a) by the alleged father, in a proceeding instituted by the mother or the guardian or next friend, or (b) by the mother, in a proceeding instituted by the alleged father. It being contrary to public policy that such proceedings should be open to the general public, no one but the parties, their counsel, and others having a legitimate interest in the controversy shall be admitted to the courtroom during the trial of the case. The alleged father and the mother shall be competent to testify. The uncorroborated testimony (i) of the mother, in a proceeding instituted by the mother or the guardian or next friend, or (ii) of the alleged father, in a proceeding instituted by the alleged father, shall not alone be sufficient to support a verdict or finding that the

alleged father is actually the father. Refusal by the alleged father to comply with an order of the court for genetic testing shall be deemed corroboration of the allegation of paternity. A signed and notarized acknowledgment of paternity or a certified copy or certified reproduction thereof shall be admissible in evidence in any proceeding to establish paternity without the need for foundation testimony or other proof of authenticity or accuracy.

If it is determined in this proceeding that the alleged father is actually the father of the child, a judgment shall be entered declaring the alleged father to be the father of the child.

(2) A default judgment shall be entered upon a showing of service and failure of the defendant to answer or otherwise appear.

(3) If a judgment is entered under this section declaring the alleged father to be the father of the child, the court shall retain jurisdiction of the cause and enter such order of support, including the amount, if any, of any court costs and attorney's fees which the court in its discretion deems appropriate to be paid by the father, as may be proper under the procedure and in the manner specified in section 43-512.04. If it is not determined in the proceeding that the alleged father is actually the father of the child, the court shall, if it finds that the action was frivolous, award court costs and attorney's fees incurred by the alleged father, with such costs and fees to be paid by the plaintiff.

(4) All judgments under this section declaring the alleged father to be the father of the child shall include the father's social security number. The social security number of the declared father of the child shall be furnished to the clerk of the district court in a document accompanying the judgment.

43-1412.01. Legal determination of paternity set aside; when; guardian ad litem; court orders.

An individual may file a complaint for relief and the court may set aside a final judgment, court order, administrative order, obligation to pay child support, or any other legal determination of paternity if a scientifically reliable genetic test performed in accordance with sections [43-1401](#) to [43-1418](#) establishes the exclusion of the individual named as a father in the legal determination. The court shall appoint a guardian ad litem to represent the interest of the child. The filing party shall pay the costs of such test. A court that sets aside a determination of paternity in accordance with this section shall order completion of a new birth record and may order any other appropriate relief, including setting aside an obligation to pay child support. No support order may be retroactively modified, but may be modified with respect to any period during which there is a pending complaint for relief from a determination of paternity under this section, but only from the date that notice of the complaint was served on the nonfiling party. A court shall not grant relief from determination of paternity if the individual named as father (1) completed a notarized acknowledgment of paternity pursuant to section [43-1408.01](#), (2) adopted the child, or (3) knew that the child was conceived through artificial insemination.

43-1413. Child born out of wedlock; term substituted for other terms. In any local law, ordinance or resolution, or in any public or judicial proceeding, or in any process, notice, order, decree, judgment, record or other public document or paper, the terms bastard or illegitimate child shall not be used but the term child born out of wedlock shall be used in substitution therefor and with the same force and effect.

43-1414. Genetic testing; procedure; confidentiality; violation; penalty.

(1) In any proceeding to establish paternity, the court may, on its own motion, or shall, on a timely request of a party, after notice and hearing, require the child, the mother, and the alleged father to submit to genetic testing to be performed on blood or any other appropriate genetic testing material. Failure to comply with such requirement for genetic testing shall constitute contempt and may be dealt with in the same manner as other contempts. If genetic testing is required, the court shall direct that inherited characteristics be determined by appropriate testing procedures and shall appoint an expert in genetic testing and qualified as an examiner of genetic markers to analyze and interpret the results and to report to the court. The court shall determine the number of experts required.

(2) In any proceeding to establish paternity, the Department of Health and Human Services, county attorneys, and authorized attorneys have the authority to require the child, the mother, and the alleged father to submit to genetic testing to be performed on blood or any other appropriate genetic testing material. All genetic testing shall be performed by a laboratory accredited by the College of American Pathologists or any other national accrediting body or public agency which has requirements that are substantially equivalent to or more comprehensive than those of the college.

(3) Except as authorized under sections 43-1414 to 43-1418, a person shall not disclose information obtained from genetic paternity testing that is done pursuant to such sections.

(4) If an alleged father who is tested as part of an action under such sections is found to be the child's father, the testing laboratory shall retain the genetic testing material of the alleged father, mother, and child for no longer than the period of years prescribed by the national standards under which the laboratory is accredited. If a man is found not to be the child's father, the testing laboratory shall destroy the man's genetic testing material in the presence of a witness after such material is used in the paternity action. The witness may be an individual who is a party to the destruction of the genetic testing material. After the man's genetic testing material is destroyed, the testing laboratory shall make and keep a written record of the destruction and have the individual who witnessed the destruction sign the record. The testing laboratory shall also expunge its records regarding the genetic paternity testing performed on the genetic testing material in accordance with the national standards under which the laboratory is accredited. The testing laboratory shall retain the genetic testing material of the mother and child for no longer than the period of years prescribed by the national standards under which the laboratory is accredited. After a testing laboratory destroys an individual's genetic testing material as provided in this subsection, it shall notify the adult individual, or the parent or legal guardian of a minor individual, by certified mail that the genetic testing material was destroyed.

(5) A testing laboratory is required to protect the confidentiality of genetic testing material, except as required for a paternity determination. The court and its officers shall not use or disclose genetic testing material for a purpose other than the paternity determination.

(6) A person shall not buy, sell, transfer, or offer genetic testing material obtained under sections 43-1414 to 43-1418.

(7) A testing laboratory shall annually have an independent audit verifying the contracting laboratory's compliance with this section. The audit shall not disclose the names of, or otherwise identify, the test subjects required to submit to testing during the previous year. The testing laboratory shall forward the audit to the department.

(8) Any person convicted of violating this section shall be guilty of a Class IV misdemeanor for the first offense and a Class III misdemeanor for the second or subsequent offense.

(9) For purposes of sections 43-1414 to 43-1418, an expert in genetic testing means a person who has formal doctoral training or postdoctoral training in human genetics.

43-1415. Results of genetic tests; admissible evidence; rebuttable presumption.

(1) The results of the tests, including the statistical probability of paternity, shall be admissible evidence and, except as provided in subsection (2) of this section, shall be weighed along with other evidence of paternity.

(2) When the results of tests, whether or not such test were ordered pursuant to section 43-1414, show a probability of paternity of ninety-nine percent or more, there exists a rebuttable presumption of paternity.

(3) Such evidence may be introduced by verified written report without the need for foundation testimony or other proof of authenticity or accuracy unless there is a timely written request for personal testimony of the expert at least thirty days prior to trial.

43-1416. Genetic tests; chain of custody; competent evidence. The chain of custody of blood or tissue specimens shall be competent evidence and admissible by stipulation or by a verified written report, without the need for foundation testimony or other proof of authenticity, unless a timely written request for testimony is made at least thirty days prior to trial.

43-1417. Additional genetic testing; when. If the result of genetic testing or the expert's analysis of inherited characteristics is disputed, the court, upon reasonable request of a party, shall order that additional testing be done by the same laboratory or an independent laboratory at the expense of the party requesting additional testing.

43-1418. Genetic testing; costs. In cases where the court orders genetic testing at the request of a party, the requesting party shall initially pay such expense. In cases where the court orders genetic testing in the absence of a request of any party, the assessment of the cost of such testing shall be determined by the court. Whenever the disputing party prevails, the costs shall be borne by the other party.

XVIII GRANDPARENT VISITATION

43-1801. Grandparent, defined. As used in sections 43-1801 to 43-1803, unless the context otherwise requires, grandparent shall mean the biological or adoptive parent of a minor child's biological or adoptive parent. Such term shall not include a biological or adoptive parent of any minor child's biological or adoptive parent whose parental rights have been terminated.

43-1802. Visitation; conditions; order; modification.

- (1) A grandparent may seek visitation with his or her minor grandchild if:
 - (a) The child's parent or parents are deceased;
 - (b) The marriage of the child's parents has been dissolved or petition for the dissolution of such marriage has been filed, is still pending, but no decree has been entered; or
 - (c) The parents of the minor child have never been married but paternity has been legally established.
- (2) In determining whether a grandparent shall be granted visitation, the court shall require evidence concerning the beneficial nature of the relationship of the grandparent to the child. The evidence may be presented by affidavit and shall demonstrate that a significant beneficial relationship exists, or has existed in the past, between the grandparent and the child and that it would be in the best interests of the child to allow such relationship to continue. Reasonable rights of visitation may be granted when the court determines by clear and convincing evidence that there is, or has been, a significant beneficial relationship between the grandparent and the child, that it is in the best interests of the child that such relationship continue, and that such visitation will not adversely interfere with the parent-child relationship.
- (3) The court may modify an order granting or denying such visitation upon a showing that there has been a material change in circumstances which justifies such modification and that the modification would serve the best interests of the child.

43-1803. Venue; petition; contents; service.

- (1) If the minor child's parent or parents are deceased or have never been married, a grandparent seeking visitation shall file a petition in the district court in the county in which the minor child resides. If the marriage of the parents of a minor child has been dissolved or a petition for the dissolution of such marriage has been filed, is still pending, but no decree has been entered, a grandparent seeking visitation shall file a petition for such visitation in the district court in the county in which the dissolution was had or the proceedings are taking place. The county court or the district court may hear the proceedings as provided in section 25-2740. The form of the petition and all other pleadings required by this section shall be prescribed by the Supreme Court. The petition shall include the following:
 - (a) The name and address of the petitioner and his or her attorney;
 - (b) The name and address of the parent, guardian, or other party having custody of the child or children;
 - (c) The name and address of any parent not having custody of the child or children if applicable;
 - (d) The name and year of birth of each child with whom visitation is sought;
 - (e) The relationship of petitioner to such child or children;
 - (f) An allegation that the parties have attempted to reconcile their differences, but the differences are irreconcilable and such parties have no recourse but to seek redress from the court; and
 - (g) A statement of the relief sought.
- (2) When a petition seeking visitation is filed, a copy of the petition shall be served upon the parent or parents or other party having custody of the child and upon any parent not having custody of such child by personal service or in the manner provided in section 25-517.02.

XIX. GUARDIANSHIP OF MINORS

30-2605. Status of guardian of minor; general. A person becomes a guardian of a minor by acceptance of a testamentary appointment or upon appointment by the court. The guardianship status continues until terminated, without regard to the location from time to time of the guardian and minor ward.

30-2606. Testamentary appointment of guardian of minor; notice. The parent of a minor may appoint by will a guardian of an unmarried minor. Subject to the right of the minor under section 30-2607, a testamentary appointment becomes effective upon filing the guardian's acceptance in the court in which the will is probated if, before acceptance, both parents are dead or the surviving parent is adjudged incapacitated. If both parents are dead, an effective appointment by the parent who died later has priority. This state recognizes a testamentary appointment effected by filing the guardian's acceptance under a will probated in another state which is the testator's domicile. Upon acceptance of appointment, written notice of acceptance must be given by the guardian to the minor and to the person having his care, or to his nearest adult relation.

30-2607. Objection by minor of fourteen or older to testamentary appointment. A minor of fourteen or more years may prevent an appointment of his testamentary guardian from becoming effective, or may cause a previously accepted appointment to terminate, by filing with the court in which the will is probated a written objection to the appointment before it is accepted or within thirty days after notice of its acceptance. An objection may be withdrawn. An objection does not preclude appointment by the court in a proper proceeding of the testamentary nominee, or any other suitable person.

30-2608. Natural guardians; court appointment of guardian of minor; standby guardian; conditions for appointment; child born out of wedlock; additional considerations; filings.

(a) The father and mother are the natural guardians of their minor children and are duly entitled to their custody and to direct their education, being themselves competent to transact their own business and not otherwise unsuitable. If either dies or is disqualified for acting, or has abandoned his or her family, the guardianship devolves upon the other except as otherwise provided in this section.

(b) In the appointment of a parent as a guardian when the other parent has died and the child was born out of wedlock, the court shall consider the wishes of the deceased parent as expressed in a valid will executed by the deceased parent. If in such valid will the deceased parent designates someone other than the other natural parent as guardian for the minor children, the court shall take into consideration the designation by the deceased parent. In determining whether or not the natural parent should be given priority in awarding custody, the court shall also consider the natural parent's acknowledgment of paternity, payment of child support, and whether the natural parent is a fit, proper, and suitable custodial parent for the child.

(c) The court may appoint a standby guardian for a minor whose parent is chronically ill or near death. The appointment of a guardian under this subsection does not suspend or terminate the parent's parental rights of custody to the minor. The standby guardian's authority would take effect, if the minor is left without a remaining parent, upon (1) the death of the parent, (2) the mental incapacity of the parent, or (3) the physical debilitation and consent of the parent.

(d) The court may appoint a guardian for a minor if all parental rights of custody have been terminated or suspended by prior or current circumstances or prior court order. The juvenile court may appoint a guardian for a child adjudicated to be under subdivision (3)(a) of section [43-247](#) as provided in section [43-1312.01](#). A guardian appointed by will as provided in section [30-2606](#) whose appointment has not been prevented or nullified under section [30-2607](#) has priority over any guardian who may be appointed by the court, but the court may proceed with an appointment upon a finding that the testamentary guardian has failed to accept the testamentary appointment within thirty days after notice of the guardianship proceeding.

(e) The petition and all other court filings for a guardianship proceeding shall be filed with the clerk of the county court. The party shall state in the petition whether such party requests that the proceeding be heard by the county court or, in cases in which a separate juvenile court already has jurisdiction over the child in need of a guardian under the Nebraska Juvenile Code, such separate juvenile court. Such proceeding is considered a county court proceeding even if heard by a separate juvenile court judge, and an order of the separate juvenile court in such guardianship proceeding has the force and effect of a county court order. The testimony in a guardianship proceeding heard before a separate juvenile court judge shall be preserved as in any other separate juvenile court proceeding. The clerks of the district courts shall transfer all guardianship petitions and other guardianship filings which were filed with such clerks prior to August 28, 1999, to the clerk of the county court where the separate juvenile court which heard the proceeding is situated. The clerk of such county court shall file and docket such petitions and other filings.

30-2609. Court appointment of guardian of minor; venue. The venue for guardianship proceedings for a minor is in the place where the minor resides or is present or where property is located if he is a nonresident of this state.

30-2610. Court appointment of guardian of minor; qualification; priority of minor's nominee. The court may appoint as guardian any person whose appointment would be in the best interests of the minor. The court shall appoint a person nominated by the minor, if the minor is fourteen years of age or older, unless the court finds the appointment contrary to the best interests of the minor.

30-2611. Court appointment of guardian of minor; procedure.

(a) Notice of the time and place of hearing of a petition for the appointment of a guardian of a minor is to be given by the petitioner in the manner prescribed by section 30-2220 to:

- (1) the minor, if he is fourteen or more years of age;
- (2) the person who has had the principal care and custody of the minor during the sixty days preceding the date of the petition; and
- (3) any living parent of the minor.

(b) Upon hearing, if the court finds that a qualified person seeks appointment, venue is proper, the required notices have been given, the requirements of section 30-2608 have been met, and the welfare and best interests of the minor will be served by the requested appointment, it shall make the appointment. In other cases the court may dismiss the proceedings, or make any other disposition of the matter that will best serve the interest of the minor.

(c) If necessary, the court may appoint a temporary guardian, with the status of an ordinary guardian of a minor, but the authority of a temporary guardian shall not last longer than six months. In an emergency, the court may appoint a temporary guardian of a minor without notice, pending notice and hearing.

(d) If, at any time in the proceeding, the court determines that the interests of the minor are or may be inadequately represented, it may appoint an attorney to represent the minor, giving consideration to the preference of the minor if the minor is fourteen years of age or older.

30-2612. Consent to service by acceptance of appointment; notice. By accepting a testamentary or court appointment as guardian, a guardian submits personally to the jurisdiction of the court in any proceeding relating to the guardianship that may be instituted by any interested person. Notice of any proceeding shall be delivered to the guardian, or mailed to him by ordinary mail at his address as listed in the court records and to his address as then known to the petitioner. Letters of guardianship must indicate whether the guardian was appointed by will or by court order.

30-2613. Powers and duties of guardian of minor.

(1) A guardian of a minor has the powers and responsibilities of a parent who has not been deprived of custody of his or her minor and unemancipated child, except that a guardian is not legally obligated to provide from his or her own funds for the ward and is not liable to third persons by reason of the parental relationship for acts of the ward. In particular, and without qualifying the foregoing, a guardian has the following powers and duties:

(a) He or she must take reasonable care of his or her ward's personal effects and commence protective proceedings if necessary to protect other property of the ward.

(b) He or she may receive money payable for the support of the ward to the ward's parent, guardian or custodian under the terms of any statutory benefit or insurance system, or any private contract, devise, trust, conservatorship or custodianship. He or she also may receive money or property of the ward paid or delivered by virtue of section 30-2603. Any sums so received shall be applied to the ward's current needs for support, care and education, except as provided in subsections (2) and (3) of this section. He or she must exercise due care to conserve any excess for the ward's future needs unless a conservator has been appointed for the estate of the ward, in which case such excess shall be paid over at least annually to the conservator. Sums so received by the guardian are not to be used for compensation for his or her services except as approved by order of court. A guardian may institute proceedings to compel the performance by any person of a duty to support the ward or to pay sums for the welfare of the ward.

(c) The guardian is empowered to facilitate the ward's education, social, or other activities and to authorize medical or other professional care, treatment, or advice. A guardian is not liable by reason of this consent for injury to the ward resulting from the negligence or acts of third persons unless it would have been illegal for a parent to have consented. A guardian may consent to the marriage or adoption of his or her ward.

(d) A guardian must report the condition of his or her ward and of the ward's estate which has been subject to his or her possession or control, as ordered by court on petition of any person interested in the minor's welfare or as required by court rule, and upon termination of the guardianship settle his or her accounts with the ward or his or her legal representatives and pay over and deliver all of the estate and effects remaining in his or her hands or due from him or her on settlement to the person or persons who shall be lawfully entitled thereto.

(2) The appointment of a guardian for a minor shall not relieve his or her parent or parents, liable for the support of such minor, from their obligation to provide for such minor. For the purposes of guardianship of minors, the application of guardianship income and principal after payment of debts and charges of managing the estate, in relationship to the respective obligations owed by fathers, mothers, and others, for the support, maintenance and education of the minor shall be:

(a) The income and property of the father and mother of the minor in such manner as they can reasonably afford, regard being had to the situation of the family and to all the circumstances of the case;

(b) The guardianship income, in whole or in part, as shall be judged reasonable considering the extent of the guardianship income and the parents' financial ability;

(c) The income and property of any other person having a legal obligation to support the minor, in such manner as the person can reasonably afford, regard being had to the situation of the person's family and to all the circumstances of the case; and

(d) The guardianship principal, either personal or real estate, in whole or in part, as shall be judged for the best interest of the minor, considering all the circumstances of the minor and those liable for his or her support.

(3) Notwithstanding the provisions of subsection (2) of this section, the court may from time to time authorize the guardian to use so much of the guardianship income or principal, whether personal or real estate, as it may deem proper, considering all the circumstances of the minor and those liable for his or her support, if it is shown that (a) an emergency exists which justifies an expenditure, or (b) a fund has been given to the minor for a special purpose and the court can, with reasonable certainty, ascertain such purpose.

(4) The court may require a guardian to furnish a bond in an amount and conditioned in accordance with the provisions of section 30-2640.

(5) A guardian shall not change a ward's place of abode to a location outside of the State of Nebraska without court permission.

30-2614. Termination of appointment of guardian; general. A guardian's authority and responsibility terminates upon the death, resignation or removal of the guardian or upon the minor's death, adoption, marriage or attainment of majority, but termination does not affect his liability for prior acts, nor his obligation to account for funds and assets of his ward. Resignation of a guardian does not terminate the guardianship until it has been approved by the court. A testamentary appointment under an informally probated will terminates if the will is later denied probate in a formal proceeding.

30-2615. Proceedings subsequent to appointment; venue.

(a) The court where the ward resides has concurrent jurisdiction with the court which appointed the guardian, or in which acceptance of a testamentary appointment was filed, over resignation, removal, accounting and other proceedings relating to the guardianship.

(b) If the court located where the ward resides is not the court in which acceptance of appointment is filed, the court in which proceedings subsequent to appointment are commenced shall in all appropriate cases notify the other court, in this or another state, and after consultation with that court determine whether to retain jurisdiction or transfer the proceedings to the other court, whichever is in the best interest of the ward. A copy of any order accepting a resignation or removing a guardian shall be sent to the court in which acceptance of appointment is filed.

30-2616. Resignation or removal proceedings.

(a) Any person interested in the welfare of a ward, or the ward, if fourteen or more years of age, may petition for removal of a guardian on the ground that removal would be in the best interest of the ward. A guardian may petition for permission to resign. A petition for removal or for permission to resign may, but need not, include a request for appointment of a successor guardian.

(b) After notice and hearing on a petition for removal or for permission to resign, the court may terminate the guardianship and make any further order that may be appropriate.

(c) If, at any time in the proceeding, the court determines that the interests of the ward are, or may be, inadequately represented, it may appoint an attorney to represent the minor, giving consideration to the preference of the minor if the minor is fourteen or more years of age.

XX. ADOPTION OF CHILDREN

43-101. Children eligible for adoption.

(1) Except as otherwise provided in the Nebraska Indian Child Welfare Act, any minor child may be adopted by any adult person or persons and any adult child may be adopted by the spouse of such child's parent in the cases and subject to sections 43-101 to 43-115, except that no person having a husband or wife may adopt a minor child unless the husband or wife joins in the petition therefor. If the husband or wife so joins in the petition therefor, the adoption shall be by them jointly, except that an adult husband or wife may adopt a child of the other spouse whether born in or out of wedlock.

(2) Any adult child may be adopted by any person or persons subject to sections 43-101 to 43-115, except that no person having a husband or wife may adopt an adult child unless the husband or wife joins in the petition therefor. If the husband or wife so joins the petition therefor, the adoption shall be by them jointly. The adoption of an adult child by another adult or adults who are not the stepparent of the adult child may be permitted if the adult child has had a parent-child relationship with the prospective parent or parents for a period of at least six months next preceding the adult child's age of majority and (a) the adult child has no living parents, (b) the adult child's parent or parents have been deprived of parental rights to such child by the order of any court of competent jurisdiction, (c) the parent or parents, if living, have relinquished the adult child for adoption by a written instrument, (d) the parent or parents had abandoned the child for at least six months next preceding the adult child's age of majority, or (e) the parent or parents are incapable of consenting. The substitute consent provisions of section 43-105 do not apply to adoptions under this subsection.

43-102. Petition requirements; decree; adoptive home study, when required; jurisdiction; filings.

Except as otherwise provided in the Nebraska Indian Child Welfare Act, any person or persons desiring to adopt a minor child or an adult child shall file a petition for adoption signed and sworn to by the person or persons desiring to adopt. The consent or consents required by sections 43-104 and 43-105 or section 43-104.07, the documents required by section 43-104.07 or the documents required by sections 43-104.08 to 43-104.24 and section 43-104.25, and a completed preplacement adoptive home study if required by section 43-107 shall be filed prior to the hearing required in section 43-103.

The county court of the county in which the person or persons desiring to adopt a child reside has jurisdiction of adoption proceedings, except that if a separate juvenile court already has jurisdiction over the child to be adopted under the Nebraska Juvenile Code, such separate juvenile court has concurrent jurisdiction with the county court in such adoption proceeding. If a child to be adopted is a ward of any court or a ward of the state at the time of placement and at the time of filing an adoption petition, the person or persons desiring to adopt shall not be required to be residents of Nebraska. The petition and all other court filings for an adoption proceeding shall be filed with the clerk of the county court. The party shall state in the petition whether such party requests that the proceeding be heard by the county court or, in cases in which a separate juvenile court already has jurisdiction over the child to be adopted under the Nebraska Juvenile Code, such separate juvenile court. Such proceeding is considered a county court proceeding even if heard by a separate juvenile court judge and an order of the separate juvenile court in such adoption proceeding has the force and effect of a county court order. The testimony in an adoption proceeding heard before a separate juvenile court judge shall be preserved as in any other separate juvenile court proceeding. The clerks of the district courts shall transfer all adoption petitions and other adoption filings which were filed with such clerks prior to August 28, 1999, to the clerk of the county court where the separate juvenile court which heard the proceeding is situated. The clerk of such county court shall file and docket such petitions and other filings.

Except as set out in subdivisions (1)(b)(ii), (iii), (iv), and (v) of section 43-107, an adoption decree shall not be issued until at least six months after an adoptive home study has been completed by the Department of Health and Human Services or a licensed child placement agency.

43-102.01. Military personnel; deemed residents; when. For purposes of adoption, persons serving in the armed forces of the United States, who have been continuously stationed at any military base or installation in the State of Nebraska for the period of one year immediately preceding the filing of a petition for adoption shall be deemed residents in good faith of this state and the county where such military base or installation is located.

43-103. Petition; hearing; notice. Except as otherwise provided in the Nebraska Indian Child Welfare Act, upon the filing of a petition for adoption the court shall fix a time for hearing the same. The hearing shall be held not less than four weeks nor more than eight weeks after the filing of such petition unless any party for good cause shown requests a continuance of the hearing or all parties agree to a continuance. The court may require notice of the hearing to be given to the child, if over fourteen years of age, to the natural parent or parents of the child, and to such other interested persons as the judge may, in the exercise of discretion, deem advisable, in the manner provided for service of a summons in a civil action. If the judge directs notice by publication, such notice shall be published three successive weeks in a legal newspaper of general circulation in such county.

43-104. Adoption; consent required; exceptions.

(1) Except as otherwise provided in this section and in the Nebraska Indian Child Welfare Act, no adoption shall be decreed unless written consents thereto are filed in the county court of the county in which the person or persons desiring to adopt reside or in the county court in which the separate juvenile court having jurisdiction over the custody of the child is located and the written consents are executed by (a) the minor child, if over fourteen years of age, or the adult child, (b) any district court, county court, or separate juvenile court in the State of Nebraska having jurisdiction of the custody of a minor child by virtue of proceedings had in any district court, county court, or separate juvenile court in the State of Nebraska or by virtue of the Uniform Child Custody Jurisdiction and Enforcement Act, and (c) both parents of a child born in lawful wedlock if living, the surviving parent of a child born in lawful wedlock, the mother of a child born out of wedlock, or both the mother and father of a child born out of wedlock as determined pursuant to sections 43-104.08 to 43-104.25. On and after April 20, 2002, a written consent or relinquishment for adoption under this section shall not be valid unless signed at least forty-eight hours after the birth of the child.

(2) Consent shall not be required of any parent who (a) has relinquished the child for adoption by a written instrument, (b) has abandoned the child for at least six months next preceding the filing of the adoption petition, (c) has been deprived of his or her parental rights to such child by the order of any court of competent jurisdiction, or (d) is incapable of consenting.

(3) Consent shall not be required of a putative father who has failed to timely file (a) a Notice of Objection to Adoption and Intent to Obtain Custody pursuant to section 43-104.02 and, with respect to the absence of such filing, a certificate has been filed pursuant to section 43-104.04 or (b) a petition pursuant to section 43-104.05 for the adjudication of such notice and a determination of whether his consent to the adoption is required and the mother of the child has timely executed a valid relinquishment and consent to the adoption pursuant to such section.

(4) Consent shall not be required of an adjudicated or putative father who is not required to consent to the adoption pursuant to section 43-104.22.

43-104.01. Child born out of wedlock; biological father registry; Department of Health and Human Services; duties.

(1) The Department of Health and Human Services shall establish a biological father registry. The department shall maintain such registry and shall record the names and addresses of (a) any person adjudicated by a court of this state or by a court of another state or territory of the United States to be the biological father of a child born out of wedlock if a certified copy of the court order is filed with the registry by such person or any other person, (b) any putative father who has filed with the registry, prior to the receipt of notice under sections 43-104.12 to 43-104.16, a Request for Notification of Intended Adoption with respect to such child, and (c) any

putative father who has filed with the registry a Notice of Objection to Adoption and Intent to Obtain Custody with respect to such child.

(2) A Request for Notification of Intended Adoption or a Notice of Objection to Adoption and Intent to Obtain Custody filed with the registry shall include (a) the putative father's name, address, and social security number, (b) the name and last-known address of the mother, (c) the month and year of the birth or the expected birth of the child, (d) the case name, court name, and location of any Nebraska court having jurisdiction over the custody of the child, and (e) a statement by the putative father that he acknowledges liability for contribution to the support and education of the child after birth and for contribution to the pregnancy-related medical expenses of the mother of the child. The person filing the notice shall notify the registry of any change of address pursuant to procedures prescribed in rules and regulations of the department.

(3) A request or notice filed under this section or section 43-104.02 shall be admissible in any action for paternity and shall estop the putative father from denying paternity of such child thereafter.

(4) Any putative father who files a Request for Notification of Intended Adoption or a Notice of Objection to Adoption and Intent to Obtain Custody with the biological father registry may revoke such filing. Upon receipt of such revocation by the registry, the effect shall be as if no filing had ever been made.

(5) The department shall not divulge the names and addresses of persons listed with the biological father registry to any other person except as authorized by law or upon order of a court of competent jurisdiction for good cause shown.

(6) The department may develop information about the registry and may distribute such information, through its existing publications, to the news media and the public. The department may provide information about the registry to the Department of Correctional Services, which may distribute such information through its existing publications.

(7) A person who has been adjudicated by a Nebraska court of competent jurisdiction to be the biological father of a child born out of wedlock who is the subject of a proposed adoption shall not be construed to be a putative father for purposes of sections 43-104.01 to 43-104.05 and shall not be subject to the provisions of such sections as applied to such fathers. Whether such person's consent is required for the proposed adoption shall be determined by the Nebraska court having jurisdiction over the custody of the child pursuant to section 43-104.22, as part of proceedings required under section 43-104 to obtain the court's consent to such adoption.

43-104.02. Child born out of wedlock; Notice of Objection to Adoption and Intent to Obtain Custody; filing requirements.

A Notice of Objection to Adoption and Intent to Obtain Custody shall be filed with the biological father registry under section [43-104.01](#) on forms provided by the Department of Health and Human Services (1) at any time during the pregnancy and no later than five business days after the birth of the child or (2) if the notice required by section [43-104.13](#) is provided after the birth of the child (a) at any time during the pregnancy and no later than five business days after receipt of the notice provided under section [43-104.12](#) or (b) no later than five business days after the last date of any published notice provided under section [43-104.14](#), whichever notice is earlier. Such notice shall be considered to have been filed if it is received by the department or postmarked prior to the end of the fifth business day as provided in this section.

43-104.03. Child born out of wedlock; filing with biological father registry; department; notice; to whom given. Within three days after the filing of a Request for Notification of Intended Adoption or a Notice of Objection to Adoption and Intent to Obtain Custody with the biological father registry pursuant to sections 43-104.01 and 43-104.02, the Department of Health and Human Services shall cause a certified copy of such request or notice to be mailed by certified mail to (1) the mother or prospective mother of such child at the last-known

address shown on the request or notice or an agent specifically designated in writing by the mother or prospective mother to receive such request or notice and (2) any Nebraska court identified by the putative father under section 43-104.01 as having jurisdiction over the custody of the child.

43-104.04. Child born out of wedlock; failure to file notice; effect. If a Notice of Objection to Adoption and Intent to Obtain Custody is not timely filed with the biological father registry pursuant to section 43-104.02, the mother of a child born out of wedlock or an agent specifically designated in writing by the mother may request, and the Department of Health and Human Services shall supply, a certificate that no such notice has been filed with the biological father registry. The filing of such certificate pursuant to section 43-102 shall eliminate the need or necessity of a consent or relinquishment for adoption by the putative father of such child.

43-104.05. Child born out of wedlock; notice; filed; petition for adjudication of paternity; trial; guardian ad litem; court; jurisdiction.

(1) If a Notice of Objection to Adoption and Intent to Obtain Custody is timely filed with the biological father registry pursuant to section 43-104.02, either the putative father, the mother, or her agent specifically designated in writing shall, within thirty days after the filing of such notice, file a petition for adjudication of the notice and a determination of whether the putative father's consent to the proposed adoption is required. The petition shall be filed in the county court in the county where such child was born or, if a separate juvenile court already has jurisdiction over the custody of the child, in the county court of the county in which such separate juvenile court is located.

(2) If such a petition is not filed within thirty days after the filing of such notice and the mother of the child has executed a valid relinquishment and consent to the adoption within sixty days of the filing of such notice, the putative father's consent to adoption of the child shall not be required, he is not entitled to any further notice of the adoption proceedings, and any alleged parental rights and responsibilities of the putative father shall not be recognized thereafter in any court.

(3) After the timely filing of such petition, the court shall set a trial date upon proper notice to the parties not less than twenty nor more than thirty days after the date of such filing. If the mother contests the putative father's claim of paternity, the court shall order DNA testing to establish whether the putative father is the biological father. The court shall assess the costs of such testing between the parties in an equitable manner. Whether the putative father's consent to the adoption is required shall be determined pursuant to section 43-104.22. The court shall appoint a guardian ad litem to represent the best interests of the child.

(4) (a) The county court of the county where the child was born or the separate juvenile court having jurisdiction over the custody of the child shall have jurisdiction over proceedings under this section from the date of notice provided under section 43-104.12 or the last date of published notice under section 43-104.14, whichever notice is earlier, until thirty days after the conclusion of adoption proceedings concerning the child, including appeals, unless such jurisdiction is transferred under subdivision (b) of this subsection.

(b) Except as otherwise provided in this subdivision, the court shall, upon the motion of any party, transfer the case to the district court for further proceedings on the matters of custody, visitation, and child support with respect to such child if (i) such court determines under section 43-104.22 that the consent of the putative father is required for adoption of the minor child and the putative father refuses such consent or (ii) the mother of the child, within thirty days after the conclusion of proceedings under this section, including appeals, has not executed a valid relinquishment and consent to the adoption. The court, upon its own motion, may retain the case for good cause shown.

43-104.06. Repealed. Laws 1995, LB 712, § 31.

43-104.07. Child born in a foreign country; requirements. The petition for adoption of a child born in a foreign country shall be accompanied by:

43-104.10. Child born out of wedlock; agency or attorney; duty to inform biological mother. The agency or attorney representing the biological mother shall inform the mother of the legal and medical need to determine, whenever possible, the paternity of the child prior to an adoption and that her failure or refusal to accurately identify the biological father or possible biological fathers could threaten the legal validity of any adoptive placement of the child.

43-104.11. Child born out of wedlock; father's relinquishment and consent; when effective. If the biological mother's affidavit, required by section 43-104.09, identifies only one possible biological father of the child and states that there are no other possible biological fathers of the child, and if the named father executes a valid relinquishment and consent to adoption of the child in the form mandated by section 43-106 or executes a denial of paternity and waiver of rights in the form mandated by section 43-106, the court may enter a decree of adoption pursuant to section 43-109 without regard to sections 43-104.12 to 43-104.16. A named biological father's relinquishment and consent or a named biological father's waiver of rights is irrevocable upon signing and is not voidable for any period after signing. Such relinquishment and consent or such waiver of rights may only be challenged on the basis of fraud or duress for up to six months after signing.

43-104.12. Child born out of wedlock; agency or attorney; duty to inform biological father. In order to attempt to inform the biological father or possible biological fathers of the right to execute a relinquishment and consent to adoption or a denial of paternity and waiver of rights, the agency or attorney representing the biological mother shall notify, by registered or certified mail, restricted delivery, return receipt requested:

(1) Any person adjudicated by a court in this state or by a court in another state or territory of the United States to be the biological father of the child;

(2) Any person who has filed a Request for Notification of Intended Adoption or a Notice of Objection to Adoption and Intent to Obtain Custody pursuant to sections 43-104.01 and 43-104.02;

- (3) Any person who is recorded on the child's birth certificate as the child's father;
- (4) Any person who might be the biological father of the child who was openly living with the child's biological mother within the twelve months prior to the birth of the child;
- (5) Any person who has been identified as the biological father or possible biological father of the child by the child's biological mother pursuant to section 43-104.09;
- (6) Any person who was married to the child's biological mother within six months prior to the birth of the child and prior to the execution of the relinquishment; and
- (7) Any other person who the agency or attorney representing the biological mother may have reason to believe may be the biological father of the child.

43-104.13. Child born out of wedlock; notice to biological father; contents. The notice sent by the agency or attorney pursuant to section 43-104.12 shall be served sufficiently in advance of the birth of the child, whenever possible, to allow compliance with subdivision (1) of section 43-104.02 and shall state:

- (1) The biological mother's name, the fact that she is pregnant or has given birth to the child, and the expected or actual date of delivery;
- (2) That the child has been relinquished by the biological mother, that she intends to execute a relinquishment, or that the biological mother has joined or plans to join in a petition for adoption to be filed by her husband;
- (3) That the person being notified has been identified as a possible biological father of the child;
- (4) That the possible biological father may have certain rights with respect to such child if he is in fact the biological father;
- (5) That the possible biological father has the right to (a) deny paternity, (b) waive any parental rights he may have, (c) relinquish and consent to adoption of the child, (d) file a Notice of Objection to Adoption and Intent to Obtain Custody pursuant to section 43-104.02, or (e) object to the adoption in a proceeding before any Nebraska court which has, prior to his receipt of this notice, adjudicated him to be the biological father of the child;
- (6) That to deny paternity, to waive his parental rights, or to relinquish and consent to the adoption, the biological father must contact the undersigned agency or attorney representing the biological mother, and that if he wishes to object to the adoption and seek custody of the child he should seek legal counsel from his own attorney immediately; and
- (7) That if he is the biological father and if the child is not relinquished for adoption, he has a duty to contribute to the support and education of the child and to the pregnancy-related expenses of the mother and a right to seek a court order for custody, parenting time, visitation, or other access with the child.

The agency or attorney representing the biological mother may enclose with the notice a document which is an admission or denial of paternity and a waiver of rights by the biological father, which the biological father may choose to complete, in the form mandated by section 43-106, and return to the agency or attorney.

43-104.14. Child born out of wedlock; agency or attorney; duty to notify biological father by publication; when.

(1) If the agency or attorney representing the biological mother is unable through reasonable efforts to locate and serve notice on the biological father or possible biological fathers as contemplated in sections 43-104.12 and 43-104.13, the agency or attorney shall notify the biological father or possible biological fathers by publication.

(2) The publication shall be made once a week for three consecutive weeks in a legal newspaper of general circulation in the Nebraska county or county of another state which is most likely to provide actual notice to the biological father. The publication shall include:

(a) The first name or initials of the father or possible father or the entry "John Doe, real name unknown", if applicable;

(b) A description of the father or possible father if his first name is or initials are unknown;

(c) The approximate date of conception of the child and the city and state in which conception occurred, if known;

(d) The date of birth or expected birth of the child;

(e) That he has been identified as the biological father or possible biological father of a child whom the biological mother currently intends to place for adoption and the approximate date that placement will occur;

(f) That he has the right to (i) deny paternity, (ii) waive any parental rights he may have, (iii) relinquish and consent to adoption of the child, (iv) file a Notice of Objection to Adoption and Intent to Obtain Custody pursuant to section 43-104.02, or (v) object to the adoption in a proceeding before any Nebraska court which has adjudicated him to be the biological father of the child prior to his receipt of notice; and

(g) That (i) in order to deny paternity, waive his parental rights, relinquish and consent to the adoption, or receive additional information to determine whether he is the father of the child in question, he must contact the undersigned agency or attorney representing the biological mother and (ii) if he wishes to object to the adoption and seek custody of the child, he must seek legal counsel from his own attorney immediately.

43-104.15. Child born out of wedlock; notification to biological father; exceptions. The notification procedure set forth in sections 43-104.12 to 43-104.14 shall, whenever possible, be completed prior to a child being placed in an adoptive home. If the information provided in the biological mother's affidavit prepared pursuant to section 43-104.09 presents clear evidence that providing notice to a biological father or possible biological father as contemplated in sections 43-104.12 to 43-104.14 would be likely to threaten the safety of the biological mother or the child or that conception was the result of sexual assault or incest, notice is not required to be given. If the biological father or possible biological fathers are not given actual or constructive notice prior to the time of placement, the agency or attorney shall give the adoptive parents a statement of legal risk indicating the legal status of the biological father's parental rights as of the time of placement, and the adoptive parents shall sign a statement of legal risk acknowledging their acceptance of the placement, notwithstanding the legal risk.

43-104.16. Child born out of wedlock; notice requirements; affidavit by agency or attorney. In all cases involving the adoption of a minor child born out of wedlock, the agency or attorney representing the biological mother shall execute an affidavit stating that due diligence was used to identify and give actual or constructive notice to the biological father or possible biological fathers of the child and stating the methods used to attempt to identify and give actual or constructive notice to those persons or the reason why no attempts were made to identify and notify those persons. The affidavit shall be attached to any petition filed in an adoption proceeding.

43-104.17. Child born out of wedlock; petition; evidence of compliance required; notice to biological father; when. In all cases of adoption of a minor child born out of wedlock, the petition to finalize the adoption shall specifically allege compliance with sections 43-104.08 to 43-104.16, and shall attach as exhibits all documents which are evidence of such compliance. No notice of the filing of the petition to finalize or the hearing on the petition shall be given to a biological father or putative biological father who (1) executed a valid relinquishment and consent or a valid denial of paternity and waiver of rights pursuant to section 43-104.11, (2) was provided notice under sections 43-104.12 to 43-104.14 and failed to timely file a Notice of Objection to Adoption and Intent to Obtain Custody pursuant to section 43-104.02 or petition pursuant to section 43-104.05, or (3) is not required to consent to the adoption pursuant to proceedings conducted under section 43-104.22.

43-104.18. Child born out of wedlock; failure to establish compliance with notice requirements; court powers; guardian ad litem authorized. If a petition to finalize an adoption is filed and fails to establish substantial compliance with sections 43-104.08 to 43-104.16, the court shall receive evidence by affidavit of the facts and circumstances of the biological mother's relationship with the biological father or possible biological fathers at the time of conception of the child and at the time of the biological mother's relinquishment of the child, including any evidence that providing notice to a biological father would be likely to threaten the safety of the biological mother or the child or that the conception was the result of sexual assault or incest. If, under the facts and circumstances presented, the court finds that the agency or attorney representing the biological mother did not exercise due diligence in complying with sections 43-104.08 to 43-104.16, or if the court finds that there is no credible evidence that providing notice to a biological father would be likely to threaten the safety of the biological mother or the child or that the conception was the result of sexual assault or incest, the court shall order the attorney or agency to exercise due diligence in complying with sections 43-104.08 to 43-104.16. If the attorney or agency fails to exercise due diligence in complying with such sections or at any time upon the petition or application of any interested party the court may appoint a guardian ad litem to represent the interests of the biological father. The guardian ad litem shall be chosen from a qualified pool of local attorneys. The guardian ad litem shall receive reasonable compensation for the representation, the amount to be determined at the discretion of the court.

43-104.19. Child born out of wedlock; guardian ad litem for biological father; duties. The guardian ad litem for the biological father shall:

- (1) Identify the biological father whenever possible;
- (2) Notify the biological father or possible biological fathers of the proposed relinquishment of the child and inform the biological father or possible biological fathers of their parental rights and duties with regard to the child;
- (3) Notify the court if all reasonable attempts to both identify and notify the biological father or possible biological fathers are unsuccessful; and
- (4) Determine, by deposition, by affidavit, by interview, or through testimony at a hearing, the following: Whether the mother was married at the time of conception of the child or at any time thereafter, whether the mother was cohabitating with a man at the time of conception or birth of the child, whether the mother has received support payments or promises of support with respect to the child or in connection with her pregnancy, whether conception was the result of sexual assault or incest, and whether any man has formally or informally acknowledged or declared his possible paternity of the child.

43-104.20. Child born out of wedlock; guardian ad litem for biological father; investigation; hearing. The guardian ad litem for the biological father shall complete the investigation of the interests of the biological father within twenty days after appointment unless the court finds reasonable cause to extend the time period. The court shall hold a hearing as soon as practicable to determine whether the child was born out of wedlock, to determine the identity of the biological father, if possible, and to determine the rights of the biological father. The court may exercise its contempt powers with respect to any individual who admits having knowledge of information regarding the paternity of the child but who refuses to disclose that information to the guardian ad litem or to the court.

43-104.21. Child born out of wedlock; guardian ad litem for biological father; hearing; notice; when.

- (1) Notice of the hearing under section 43-104.20 shall be given to every person identified by the guardian ad litem as the biological father or a possible biological father. Notice shall be given in the manner appropriate under the rules of civil procedure for the service of process in this state and in any additional manner that the court directs. Proof of notice shall be filed with the court before the hearing.

(2) Notice is not required to be given to a person who may be the father of a child conceived as a result of a sexual assault or incest or if notification is likely to result in a threat to the safety of the biological mother or the child.

43-104.22. Child born out of wedlock; hearing; paternity of child; father's consent required; when; determination of custody. At any hearing to determine the parental rights of an adjudicated biological father or putative biological father of a minor child born out of wedlock and whether such father's consent is required for the adoption of such child, the court shall receive evidence with regard to the actual paternity of the child and whether such father is a fit, proper, and suitable custodial parent for the child. The court shall determine that such father's consent is not required for a valid adoption of the child upon a finding of one or more of the following:

- (1) The father abandoned or neglected the child after having knowledge of the child's birth;
- (2) The father is not a fit, proper, and suitable custodial parent for the child;
- (3) The father had knowledge of the child's birth and failed to provide reasonable financial support for the mother or child;
- (4) The father abandoned the mother without reasonable cause and with knowledge of the pregnancy;
- (5) The father had knowledge of the pregnancy and failed to provide reasonable support for the mother during the pregnancy;
- (6) The child was conceived as a result of a nonconsensual sex act or an incestual act;
- (7) Notice was provided pursuant to sections 43-104.12 to 43-104.14 and the putative father failed to timely file a Notice of Objection to Adoption and Intent to Obtain Custody pursuant to section 43-104.02;
- (8) The putative father failed to timely file a petition to adjudicate a Notice of Objection to Adoption and Intent to Obtain Custody pursuant to section 43-104.05;
- (9) Notice was provided to an adjudicated biological father through service of process under applicable state law and he failed to object to the adoption or failed to appear at the hearing conducted under section 43-104.25;
- (10) The father executed a valid relinquishment or consent to adoption; or
- (11) The man is not, in fact, the biological father of the child.

The court shall determine the custody of the child according to the best interest of the child, weighing the superior rights of a biological parent who has been found to be a fit, proper, and suitable parent against any detriment the child would suffer if removed from the custody of persons with whom the child has developed a substantial relationship.

43-104.23. Child born out of wedlock; order finalizing adoption without biological father's notification; when; appeal. If, after viewing the evidence submitted to support a petition to finalize an adoption or any evidence submitted by a guardian ad litem if one is appointed, the court determines that no biological father can be identified, or that no identified father can be notified without likely threat to the safety of the biological mother or the child, or upon a finding of due diligence and substantial compliance with sections 43-104.08 to 43-104.16 and a finding that no biological father has timely filed under section 43-104.02, the court shall enter an order finalizing the adoption of the child. Subject to the disposition of an appeal, upon the expiration of thirty days after an order is issued under this section, the order shall not be reversed, vacated, or modified in any manner or upon any ground including fraud, misrepresentation, or failure to provide notice under sections 43-104.12 to 43-104.14.

43-104.24. Child born out of wedlock; proceedings; court priority. All proceedings pursuant to sections 43-104.08 to 43-104.23 have the highest priority and shall be advanced on the court docket to provide for their earliest practical disposition. An adjournment or continuance of a proceeding pursuant to sections 43-104.08 to 43-104.23 shall not be granted without a showing of good cause.

43-104.25. Child born out of wedlock; biological father; applicability of sections. With respect to any person who has been adjudicated by a Nebraska court of competent jurisdiction to be the biological father of a child born out of wedlock who is the subject of a proposed adoption:

(1) Such person shall not be construed to be a putative father for purposes of sections 43-104.01 to 43-104.05 and shall not be subject to the provisions of such sections as applied to such fathers; and

(2) (a) If the adjudicated biological father has been provided notice in substantial compliance with section 43-104.12 or section 43-104.14, whichever notice is earlier, and he has not executed a valid relinquishment or consent to the adoption, the mother or lawful custodian of the child or his or her agent shall file a motion in the court with jurisdiction of the custody of the child for a hearing to determine whether such father's consent to the adoption is required and whether the court shall give its consent to the adoption;

(b) Notice of the motion and hearing shall be served on the adjudicated biological father in the manner provided for service of process under applicable state law; and

(c) Within thirty days after service of notice under subdivision (b) of this subdivision, the court shall conduct an evidentiary hearing to determine whether the adjudicated biological father's consent to the adoption is required and whether the court shall give its consent to the adoption. Whether such father's consent is required for the proposed adoption shall be determined pursuant to section 43-104.22.

43-105. Substitute consents.

(1) If consent is not required of both parents of a child born in lawful wedlock if living, the surviving parent of a child born in lawful wedlock, or the mother or mother and father of a child born out of wedlock, because of the provisions of subdivision (1)(c) of section 43-104, substitute consents shall be filed as follows:

(a) Consent to the adoption of a minor child who has been committed to the Department of Health and Human Services may be given by the department or its duly authorized agent in accordance with section 43-906;

(b) When a parent has relinquished a minor child for adoption to any child placement agency licensed or approved by the department or its duly authorized agent, consent to the adoption of such child may be given by such agency; and

(c) In all other cases when consent cannot be given as provided in subdivision (1)(c) of section 43-104, consent shall be given by the guardian or guardian ad litem of such minor child appointed by a court, which consent shall be authorized by the court having jurisdiction of such guardian or guardian ad litem.

(2) Substitute consent provisions of this section do not apply to a biological father whose consent is not required under section 43-104.22.

43-106. Consents; signature; witnesses; acknowledgment; certified copy of orders. Consents required to be given under sections 43-104 and 43-105, except under subdivision (1)(b) of section 43-104, must be acknowledged before an officer authorized to acknowledge deeds in this state and signed in the presence of at least one witness, in addition to the officer. Consents under subdivision (1)(b) of section 43-104 shall be shown by a duly certified copy of order of the court required to grant such consent.

43-106.01. Relinquishment; relief from parental duties; no impairment or right to inherit. When a child shall have been relinquished by written instrument, as provided by sections 43-104 and 43-106, to the Department of Health and Human Services or to a licensed child placement agency and the agency has, in writing, accepted full responsibility for the child, the person so relinquishing shall be relieved of all parental duties toward and all responsibilities for such child and have no rights over such child. Nothing contained in this section shall impair the right of such child to inherit.

43-106.02. Relinquishment of child; presentation of nonconsent form required. Prior to the relinquishment of a child for adoption, a representative of the Department of Health and Human Services or of any child placement agency licensed by the department or an attorney and a witness shall present a copy or copies of

the nonconsent form as provided in section 43-146.06 to the relinquishing parent or parents and explain the effects of signing such form.

43-107. Investigation by Department of Health and Human Services; adoptive home studies required; when; medical history; required; contents; exceptions; report required; case file; access; department; duties.

(1)(a) For adoption placements occurring or in effect prior to January 1, 1994, upon the filing of a petition for adoption, the county judge shall, except in the adoption of children by stepparents when the requirement of an investigation is discretionary, request the Department of Health and Human Services or any child placement agency licensed by the department to examine the allegations set forth in the petition and to ascertain any other facts relating to such minor child and the person or persons petitioning to adopt such child as may be relevant to the propriety of such adoption, except that the county judge shall not be required to request such an examination if the judge determines that information compiled in a previous examination or study is sufficiently current and comprehensive. Upon the request being made, the department or other licensed agency shall conduct an investigation and report its findings to the county judge in writing at least one week prior to the date set for hearing.

(b)(i) For adoption placements occurring on or after January 1, 1994, a preplacement adoptive home study shall be filed with the court prior to the hearing required in section [43-103](#), which study is completed by the Department of Health and Human Services or a licensed child placement agency within one year before the date on which the adoptee is placed with the petitioner or petitioners and indicates that the placement of a child for the purpose of adoption would be safe and appropriate.

(ii) An adoptive home study shall not be required when the petitioner is a stepparent of the adoptee unless required by the court, except that for petitions filed on or after January 1, 1994, the judge shall order the petitioner or his or her attorney to request the Nebraska State Patrol to file a national criminal history record information check by submitting the request accompanied by two sets of fingerprint cards or an equivalent electronic submission and the appropriate fee to the Nebraska State Patrol for a Federal Bureau of Investigation background check and to request the department to conduct and file a check of the central registry created in section [28-718](#) for any history of the petitioner of behavior injurious to or which may endanger the health or morals of a child. An adoption decree shall not be issued until such records are on file with the court. The petitioner shall pay the cost of the national criminal history record information check and the check of the central registry.

(iii) The placement of a child for foster care made by or facilitated by the department or a licensed child placement agency in the home of a person who later petitions the court to adopt the child shall be exempt from the requirements of a preplacement adoptive home study. The petitioner or petitioners who meet such criteria shall have a postplacement adoptive home study completed by the department or a licensed child placement agency and filed with the court at least one week prior to the hearing for adoption.

(iv) A voluntary placement for purposes other than adoption made by a parent or guardian of a child without assistance from an attorney, physician, or other individual or agency which later results in a petition for the adoption of the child shall be exempt from the requirements of a preplacement adoptive home study. The petitioner or petitioners who meet such criteria shall have a postplacement adoptive home study completed by the department or a licensed child placement agency and filed with the court at least one week prior to the hearing for adoption.

(v) The adoption of an adult child as provided in subsection (2) of section [43-101](#) shall be exempt from the requirements of an adoptive home study unless the court specifically orders otherwise. The court may order an adoptive home study, a background investigation, or both if the court determines that such would be in the best interests of the adoptive party or the person to be adopted.

(vi) Any adoptive home study required by this section shall be conducted by the department or a licensed child placement agency at the expense of the petitioner or petitioners unless such expenses are waived by

the department or licensed child placement agency. The department or licensed agency shall determine the fee or rate for the adoptive home study.

(vii) The preplacement or postplacement adoptive home study shall be performed as prescribed in rules and regulations of the department and shall include at a minimum an examination into the facts relating to the petitioner or petitioners as may be relevant to the propriety of such adoption. Such rules and regulations shall require an adoptive home study to include a national criminal history record information check and a check of the central registry created in section [28-718](#) for any history of the petitioner or petitioners of behavior injurious to or which may endanger the health or morals of a child.

(2) Upon the filing of a petition for adoption, the judge shall require that a complete medical history be provided on the child, except that in the adoption of a child by a stepparent the provision of a medical history shall be discretionary. On and after August 27, 2011, the complete medical history or histories required under this subsection shall include the race, ethnicity, nationality, Indian tribe when applicable and in compliance with the Nebraska Indian Child Welfare Act, or other cultural history of both biological parents, if available. A medical history shall be provided, if available, on the biological mother and father and their biological families, including, but not limited to, siblings, parents, grandparents, aunts, and uncles, unless the child is foreign born or was abandoned. The medical history or histories shall be reported on a form provided by the department and filed along with the report of adoption as provided by section [71-626](#). If the medical history or histories do not accompany the report of adoption, the department shall inform the court and the State Court Administrator. The medical history or histories shall be made part of the court record. After the entry of a decree of adoption, the court shall retain a copy and forward the original medical history or histories to the department. This subsection shall only apply when the relinquishment or consent for an adoption is given on or after September 1, 1988.

(3) After the filing of a petition for adoption and before the entry of a decree of adoption for a child who is committed to the Department of Health and Human Services, the person or persons petitioning to adopt the child shall be given the opportunity to read the case file on the child maintained by the department or its duly authorized agent. The department shall not include in the case file to be read any information or documents that the department determines cannot be released based upon state statute, federal statute, federal rule, or federal regulation. The department shall provide a document for such person's or persons' signatures verifying that he, she, or they have been given an opportunity to read the case file and are aware that he, she, or they can review the child's file at any time following finalization of the adoption upon making a written request to the department. The department shall file such document with the court prior to the entry of a decree of adoption in the case.

43-108. Personal appearance of parties; exceptions. The minor child to be adopted, unless such child is over fourteen years of age, and the person or persons desiring to adopt the child must appear in person before the judge at the time of hearing, except that when the petitioners are husband and wife and one of them is present in court, the court, in its discretion, may accept the affidavit of an absent spouse who is in the armed forces of the United States and it appears to the court the absent spouse will not be able to be present in court for more than a year because of his or her military assignment, which affidavit sets forth that the absent spouse favors the adoption.

43-109. Decree; conditions; content.

XXI ADOPTION-RELATED PROVISIONS

A. Exchange of Information Contracts:

43-155. Legislative intent. The Legislature finds that there are children in temporary foster care situations who would benefit from the stability of adoption. It is the intent of the Legislature that such situations be accommodated through the use of adoptions involving exchange-of-information contracts between the department and the adoptive or biological parent or parents.

43-156. Terms, defined. For purposes of sections 43-155 to 43-160, unless the context otherwise requires:

(1) Adoption involving exchange of information shall mean an adoption of a child in which one or both of the child's biological parents contract with the department for information about the child obtained through his or her adoptive family;

(2) Exchange-of-information contract shall mean a two-year, renewable obligation, voluntarily agreed to and signed by both the adoptive and biological parent or parents as well as the department; and

(3) Department shall mean the Department of Health and Human Services.

43-157. Determination by department. The department may, when planning the placement of a child for adoption, determine whether the best interests of such child might be served by placing the child in an adoption involving exchange of information.

43-158. Information included; effect on visitation. When the department determines that an adoption involving exchange of information would serve a child's best interests, it may enter into agreements with the child's proposed adoptive parent or parents for the exchange of information. The nature of the information promised to be provided shall be specified in an exchange-of-information contract and may include, but shall not be limited to, letters by the adoptive parent or parents at specified intervals providing information regarding the child's development or photographs of the child at specified intervals. Any agreement shall provide that the biological parent or parents keep the department informed of any change in address or telephone number and may include provision for communication by the biological parent or parents indirectly through the department or directly to the adoptive parent or parents. Nothing in sections 43-155 to 43-160 shall be interpreted to preclude or allow court-ordered parenting time, visitation, or other access with the child and the biological parent or parents.

43-159. Alteration. When, after placement of a child for adoption, it is determined by the department, in consultation with the adoptive parent or parents, that certain or all exchanges of information are no longer in the best interests of the child, the department may enter into an agreement with the biological parent or parents to alter the original contract made between the department and the biological parent or parents.

43-160. Effect; enforcement. The existence of any agreement or agreements of the kind specified in section 43-158 shall not operate to impair the validity of any relinquishment or any decree of adoption entered by a court of the State of Nebraska. The violation of the terms of any agreement or agreements of the kind specified in section 43-158 shall not operate to impair the validity of any relinquishment or any decree of adoption entered by a court of competent jurisdiction. The parties to an exchange-of-information contract shall have the authority to bring suit in a court of competent jurisdiction for the enforcement of any agreement entered into pursuant to section 43-158.

B. Communication or Contact Agreements:

43-162. Communication or contact agreement; authorized; approval. The prospective adoptive parent or parents and the birth parent or parents of a prospective adoptee may enter into an agreement regarding communication or contact after the adoption between or among the prospective adoptee and his or her birth parent or parents if the prospective adoptee is in the custody of the Department of Health and Human Services. Any such agreement shall not be enforceable unless approved by the court pursuant to section 43-163.

43-163. Guardian ad litem; appointment; order approving agreement; considerations.

(1) Before approving an agreement under section 43-162, the court shall appoint a guardian ad litem if the prospective adoptee is not already represented by a guardian ad litem, and the guardian ad litem of the prospective adoptee shall represent the best interests of the child concerning such agreement. The court may enter an order approving the agreement upon motion of one of the prospective adoptee's birth parents or one of the prospective adoptive parents if the terms of the agreement are approved in writing by the prospective adoptive parent or parents and the birth parent or parents and if the court finds, after consideration of the recommendations of the guardian ad litem and the Department of Health and Human Services and other factors, that such communication with the birth parent or parents and the maintenance of birth family history would be in the best interests of the prospective adoptee.

(2) In determining if the agreement is in the best interests of the prospective adoptee, the court shall consider the following factors as favoring communication with the birth parent or parents: Whether the prospective adoptee and birth parent or parents lived together for a substantial period of time; the prospective adoptee exhibits attachment or bonding to such birth parent or parents; and the adoption is a foster-parent adoption with the birth parent or parents having relinquished the prospective adoptee due to an inability to provide him or her with adequate parenting.

43-164. Failure to comply with court order; effect. Failure to comply with the terms of an order entered pursuant to section 43-163 shall not be grounds for setting aside an adoption decree, for revocation of a written consent to adoption after the consent has been approved by the court, or for revocation of a relinquishment of parental rights after the relinquishment has been accepted in writing by the Department of Health and Human Services as provided in section 43-106.01.

43-165. Enforcement of order; modification; when. An order entered pursuant to section 43-163 may be enforced by a civil action, and the prevailing party may be awarded, as part of the costs of the action, reasonable attorney's fees. The court shall not modify an order issued under such section unless it finds that the modification is necessary to serve the best interests of the adoptee and (1) that the modification is agreed to by the adoptive parent or parents and the birth parent or parents or (2) exceptional circumstances have arisen since the order was entered that justify modification of the order.

- (d) Considering the options of developing a program to (i) permit foster care maintenance payments to be made under Title IV-E of the federal Social Security Act, as such act existed on January 1, 2012, to a long-term therapeutic family treatment center on behalf of children residing in such a center or (ii) identify and address domestic violence that endangers children and results in the placement of children in foster care.

(3) The implementation plan for the demonstration project shall include information showing:

- (a) The ability and capacity of the department to effectively use the authority to conduct a demonstration project under this section by identifying changes the department has made or plans to make in policies, procedures, or other elements of the state's child welfare program that will enable the state to successfully achieve the goal or goals of the project; and
- (b) That the department has implemented, or plans to implement within three years after the date of submission of its application under this section or within two years after the date on which the United States Secretary of Health and Human Services approves such application, whichever is later, at least two of the child welfare program improvement policies described in 42 U.S.C. 1320a-9(a)(7), as such section existed on January 1, 2012.

(4) At least one of the child welfare program improvement policies to be implemented by the Department of Health and Human Services under the demonstration project shall be a policy that the state has not previously implemented as of the date of submission of its application under this section.

(5) On or before July 1, 2013, the Department of Health and Human Services, in conjunction with the Office of Probation Administration, shall develop a policy for reimbursement of all allowable foster care maintenance costs as provided under Title IV-E of the federal Social Security Act, 42 U.S.C. 672, as such act and section existed on January 1, 2013.

(6) For purposes of this section, long-term therapeutic family treatment center has the definition found in 42 U.S.C. 1320a-9(a)(8), as such section existed on January 1, 2012.

43-4209. Demonstration project; Department of Health and Human Services; report. The Department of Health and Human Services shall report to the Health and Human Services Committee of the Legislature by September 15, 2012, on the status of the application for the demonstration project under section [43-4208](#).

43-4210. Demonstration project; Department of Health and Human Services; apply for waiver.

On or before September 30, 2013, the Department of Health and Human Services shall apply to the United States Secretary of Health and Human Services for approval of a demonstration project pursuant to 42 U.S.C. 1320a-9 to obtain a waiver as provided in 42 U.S.C. 1320a-9(b), as such section existed on January 1, 2012.

43-4211. Foster care payments; legislative findings. The Legislature finds that:

- (1) Surveys of foster parents demonstrate that the safety net provided by foster families is fragile and damaged;
- (2) Increased focus on recruiting and retaining high quality, trained, and experienced foster parents should be a priority under reform of the child welfare system in Nebraska;

(3) A 2007 study entitled Foster Care Minimum Adequate Rates for Children completed by Children's Rights, the National Foster Parent Association, and the University of Maryland School of Social Work analyzed foster care maintenance payments under Title IV-E of the federal Social Security Act, as amended, which are defined as the cost of providing food, clothing, shelter, daily supervision, school supplies, personal incidentals, insurance, and travel for visitation with the biological family;

(4) The study set a basic foster care payment rate, calculated by (a) analyzing consumer expenditure data reflecting the costs of caring for a child, (b) identifying and accounting for additional costs specific to children in foster care, and (c) applying a geographic cost-of-living adjustment in order to develop rates for each of the fifty states and the District of Columbia. The rate includes adequate funds to meet a foster child's basic physical needs and the cost of activities such as athletic and artistic programs which are important for children who have been traumatized or isolated by abuse, neglect, and placement in foster care;

(5) The study found that Nebraska's foster care payment rates were the lowest in the country, with an average payment of two hundred twenty-six dollars per month for a child two years of age. The next lowest foster care payment rate was Missouri, paying two hundred seventy-one dollars per month; and

(6) Foster care placements with relatives are more stable and more likely to result in legal guardianship with a relative of the child. Children in relative placements are less likely to reenter the child welfare system after reunification with their parents and report that they feel more loved and less stigmatized when living with family.

43-4212. Repealed. Laws 2013, LB 530, § 9.

43-4213. Foster parents; additional stipend; payment; administrative fee.

In recognition of Nebraska foster parents' essential contribution to the safety and well-being of Nebraska's foster children and the need for additional compensation for the services provided by Nebraska foster parents, beginning July 1, 2012, through June 30, 2014, all foster parents providing foster care in Nebraska, including traditional, agency-based, licensed, approved, relative placement, and child-specific foster care, shall receive an additional stipend of three dollars and ten cents per day per child. The stipend shall be in addition to the current foster care reimbursement rates for relatives and foster parents contracting with the Department of Health and Human Services and in addition to the relative and tiered rate paid to a contractor for agency-based foster parents. The additional stipend shall be paid monthly through the agency that is contracting with the foster parent or, in the case of a foster parent contracting with the department, directly from the department. The contracting agency shall receive an administrative fee of twenty-five cents per child per day for processing the payments for the benefit of the foster parents and the state, which administrative fee shall be paid monthly by the state. The administrative fee shall not reduce the stipend of three dollars and ten cents provided by this section.

43-4214. Foster care reimbursement; foster care system; legislative findings and intent.

(1) The Legislature (a) finds that it was the intent of sections [43-4208](#) to [43-4213](#) to provide bridge funding to bring Nebraska's foster care reimbursement rates in line with foster care reimbursement rates in the rest of the country and (b) recognizes the importance of a stable payment to foster parents to ensure that families are able to budget for needs while caring for foster children.

(2) The Legislature further finds that Nebraska's foster care system has begun to stabilize. In recognition of the essential contributions of foster parents and foster care providers to foster children in Nebraska, it is the intent of the Legislature to continue existing contractual arrangements for payment to ensure the continued stabilization of the foster care system in Nebraska.

(3) It is the intent of the Legislature:

- (a) To ensure that fair rates continue into the future to stem attrition of fosterparents and to recruit, support, and maintain high-quality fosterparents;
- (b) That fostercare reimbursement rates accurately reflect the cost of raising the child in the care of the state;
- (c) To ensure that contracted fostercare service provider agencies do not pay increased rates out of budgets determined in contracts with the Department of Health and Human Services prior to any change in rates;
- (d) To maintain comparable fostercare reimbursement rates to ensure retention and recruitment of high-quality foster parents and to ensure that foster children's best interests are served; and
- (e) To appropriate funds to permanently replace the bridge funding described in subsection (1) of this section and provide the necessary additional funds to bring foster care reimbursement rates in compliance with the recommendations of the research and study completed by the Foster Care Reimbursement Rate Committee as required pursuant to section [43-4212](#) as such section existed before June 5, 2013.

(b)(i) The pilot project shall comprise two groups: One in an urban area and one in a rural area. The size of each group shall be determined by the division to ensure an accurate estimate of the effectiveness and cost of implementing such tools statewide.

(ii) The Nebraska Children's Commission shall review and provide a progress report on the pilot project by October 1, 2013, to the department and electronically to the Health and Human Services Committee of the Legislature; shall provide to the department and electronically to the committee by December 1, 2013, a report including recommendations and any legislation necessary, including appropriations, to adopt the recommendations, regarding the adaptation or continuation of the implementation of a statewide standardized level of care assessment; and shall provide to the department and electronically to the committee by February 1, 2014, a final report and final recommendations of the commission.

43-4216. Foster Care Reimbursement Rate Committee; members; terms; vacancies.

(1) On or before January 1, 2016, the Nebraska Children's Commission shall appoint a Foster Care Reimbursement Rate Committee. The commission shall reconvene the Foster Care Reimbursement Rate Committee every four years thereafter.

(2) The Foster Care Reimbursement Rate Committee shall consist of no fewer than nine members, including:

(b) The following nonvoting, ex officio members: (i) The chief executive officer of the Department of Health and Human Services or his or her designee and (ii) representatives from the Division of Children and Family Services of the department from each service area designated pursuant to section [81-3116](#), including at least one division employee with a thorough understanding of the current foster care payment system and at least one division

employee with a thorough understanding of the N-FOCUS electronic data collection system. The nonvoting, ex officio members of the committee may attend committee meetings and participate in discussions of the committee and shall gather and provide information to the committee on the policies, programs, and processes of each of their respective bodies. The nonvoting, ex officio members shall not vote on decisions or recommendations by the committee.

(3) Members of the committee shall serve for terms of four years and until their successors are appointed and qualified. The Nebraska Children's Commission shall appoint the chairperson of the committee and may fill vacancies on the committee as they occur. 43-4217. Foster Care Reimbursement Rate Committee; duties; subcommittees; reports.

(1) The Foster Care Reimbursement Rate Committee appointed pursuant to section [43-4216](#) shall review and make recommendations in the following areas: Foster care reimbursement rates, the statewide standardized level of care assessment, and adoption assistance payments as required by section [43-117](#). In making recommendations to the Legislature, the committee shall use the then-current foster care reimbursement rates as the beginning standard for setting reimbursement rates. The committee shall adjust the standard to reflect the reasonable cost of achieving measurable outcomes for all children in foster care in Nebraska. The committee shall (a) analyze then-current consumer expenditure data reflecting the costs of caring for a child in Nebraska, (b) identify and account for additional costs specific to children in foster care, and (c) apply a geographic cost-of-living adjustment for Nebraska. The reimbursement rate structure shall comply with funding requirements related to Title IV-E of the federal Social Security Act, as amended, and other federal programs as appropriate to maximize the utilization of federal funds to support foster care.

(2) The committee shall review the role and effectiveness of and make recommendations on the statewide standardized level of care assessment containing standardized criteria to determine a foster child's placement needs and to identify the appropriate foster care reimbursement rate. The committee shall review other states' assessment models and foster care reimbursement rate structures in completing the statewide standardized level of care assessment review and the standard statewide foster care reimbursement rate structure. The committee shall ensure the statewide standardized level of care assessment and the standard statewide foster care reimbursement rate structure provide incentives to tie performance in achieving the goals of safety, maintaining family connection, permanency, stability, and well-being to reimbursements received. The committee shall review and make recommendations on assistance payments to adoptive parents as required by section [43-117](#). The committee shall make recommendations to ensure that changes in foster care reimbursement rates do not become a disincentive to permanency.

(3) The committee may organize subcommittees as it deems necessary. Members of the subcommittees may be members of the committee or may be appointed, with the approval of the majority of the committee, from individuals with knowledge of the subcommittee's subject matter, professional expertise to assist the subcommittee in completing its assigned responsibilities, and the ability to collaborate within the subcommittee.

XXVI. OFFICE OF INSPECTOR GENERAL OF NEBRASKA CHILD WELFARE ACT

(1) It is the intent of the Legislature to:

(a) Establish a full-time program of investigation and performance review to provide increased accountability and oversight of the Nebraska child welfare system;

(b) Assist in improving operations of the department and the Nebraska child welfare system;

(c) Provide an independent form of inquiry for concerns regarding the actions of individuals and agencies responsible for the care and protection of children in the Nebraska child welfare system. Confusion of the roles, responsibilities, and accountability structures between individuals, private contractors, and agencies in the current system make it difficult to monitor and oversee the Nebraska child welfare system; and

(d) Provide a process for investigation and review to determine if individual complaints and issues of investigation and inquiry reveal a problem in the child welfare system, not just individual cases, that necessitates legislative action for improved policies and restructuring of the child welfare system.

(2) It is not the intent of the Legislature in enacting the Office of Inspector General of Nebraska Child Welfare Act to interfere with the duties of the Legislative Auditor or the Legislative Fiscal Analyst or to interfere with the statutorily defined investigative responsibilities or prerogatives of any officer, agency, board, bureau, commission, association, society, or institution of the executive branch of state government, except that the act does not preclude an inquiry on the sole basis that another agency has the same responsibility. The act shall not be construed to interfere with or supplant the responsibilities or prerogatives of the Governor to investigate, monitor, and report on the activities of the agencies, boards, bureaus, commissions, associations, societies, and institutions of the executive branch under his or her administrative direction.

(b) Death or serious injury in foster homes, private agencies, child care facilities, juvenile detention facilities, staff secure juvenile facilities, and other programs and facilities licensed by or under contract with the department or the Office of Probation Administration and death or serious injury in any case in which services are provided by the department to a child or his or her parents or any case involving an investigation under the Child Protection and Family Safety Act, which case has been open for one year or less. Under no circumstance shall the Inspector General interview any minor who has already been interviewed by a law enforcement agency, personnel of the Division of Children and Family Services of the department, or staff of a child advocacy center in connection with a relevant ongoing investigation of a law enforcement agency.

welfare services or alleges a basis for discipline pursuant to the Uniform Credentialing Act. All complaints shall be evaluated to determine whether a full investigation is warranted.

43-4323. Inspector General; powers; rights of person required to provide information. The Inspector General may issue a subpoena, enforceable by action in an appropriate court, to compel any person to appear, give sworn testimony, or produce documentary or other evidence deemed relevant to a matter under his or her inquiry. A person thus required to provide information shall be paid the same fees and travel allowances and shall be accorded

(8) If an original record is provided during an investigation, the office shall return the original record as soon as practical but no later than ten working days after the date of the compliance request.

43-4325. Reports of investigations; distribution; redact confidential information; powers of office.

(1) Reports of investigations conducted by the office shall not be distributed beyond the entity that is the subject of the report without the consent of the Inspector General.

(2) Except when a report is provided to a guardian ad litem or an attorney in the juvenile court pursuant to subsection (2) of section [43-4327](#), the office shall redact confidential information before distributing a report of an investigation. The office may disclose confidential information to the chairperson of the Health and Human Services Committee of the Legislature when such disclosure is, in the judgment of the Public Counsel, desirable to keep the chairperson informed of important events, issues, and developments in the Nebraska child welfare system.

(3) Records and documents, regardless of physical form, that are obtained or produced by the office in the course of an investigation are not public records for purposes of sections [84-712](#) to [84-712.09](#). Sections [43-4501](#) to [43-4514](#) shall be known and may be cited as the Young Adult Bridge to Independence Act.

43-4502. Purpose of act.

The purpose of the Young Adult Bridge to Independence Act is to support former state wards in transitioning to adulthood, becoming self-sufficient, and creating permanent relationships. The bridge to independence program shall at all times recognize and respect the autonomy of the young adult. Nothing in the Young Adult Bridge to Independence Act shall be construed to abrogate any other rights that a person who has attained nineteen years of age may have as an adult under state law.

43-4503. Terms, defined.

For purposes of the Young Adult Bridge to Independence Act:

(1) Bridge to independence program means the extended services and support available to a young adult under the Young Adult Bridge to Independence Act other than the state-extended guardianship assistance program described in subdivision (3)(b) of section [43-4514](#);

(2) Child means an individual who has not attained twenty-one years of age;

(3) Department means the Department of Health and Human Services;

(4) Supervised independent living setting means an independent supervised setting, consistent with 42 U.S.C. 672(c). The bridge to independence program is available, on a voluntary basis, to a young adult:

(1) Who has attained at least nineteen years of age;

(2) Who was adjudicated to be a juvenile described in subdivision (3)(a) of section [43-247](#) and, upon attaining nineteen years of age, was in an out-of-home placement or had been discharged to independent living; and

Extended services and support provided under the bridge to independence program include, but are not limited to:

(1) Medical care under the medical assistance program;

Placement in an institution or a foster care facility should occur only if necessary due to a young adult's developmental level or medical condition. A young adult who is residing in a foster care facility upon leaving foster care may choose to temporarily stay until he or she is able to transition to a more age-appropriate setting. For young adults residing in a supervised independent living setting:

Specifically, safety assessments of the living arrangements shall be age-appropriate and consistent with federal guidance on a supervised setting in which the individual lives independently. A clean background check shall not be required for an individual residing in the same residence as the young adult; and

If a young adult chooses to terminate the voluntary services and support agreement, the department shall provide the young adult with a clear and developmentally appropriate written notice informing the young adult of the potential negative effects of terminating the voluntary services and support agreement early, the option to reenter the bridge to independence program at any time before attaining twenty-one years of age, the procedures for reentering the bridge to independence program, and information about and contact information for community resources that may benefit the young adult, specifically including information regarding state programs established pursuant to 42 U.S.C. 677.

(2) If the department determines that the young adult is no longer eligible for the bridge to independence program under section [43-4504](#), the department may terminate the voluntary services and support agreement and stop providing services and support to the young adult. Academic breaks in postsecondary education attendance, such as semester and seasonal breaks, and other transitions between eligibility requirements under section [43-4504](#), including education and employment transitions of no longer than thirty days, shall not be a basis for termination. Even if a young adult's voluntary services and support agreement has been previously terminated by either the

department or the young adult, the young adult may come back into the bridge to independence program by entering into another voluntary services and support agreement at any time, so long as he or she is eligible under section [43-4504](#). At any time subsequent to the completion of the department's investigation, if a vulnerable adult, the guardian of a vulnerable adult, or a person who allegedly abused a vulnerable adult and who is mentioned in a report believes the information in the report is inaccurate or being maintained in a manner inconsistent with the Adult Protective Services Act, such person may request the department to amend or expunge identifying information from the report or remove the record of such report from the registry. If the department refuses to do so or does not act within thirty days, the vulnerable adult or person who allegedly abused a vulnerable adult shall have the right to a hearing to determine whether the record of the report should be amended, expunged, or removed on the grounds that it is inaccurate or that it is being maintained in a manner inconsistent with such act. Such hearing shall be held within a reasonable time after a request is made and at a reasonable place and hour. At the hearing the burden of proving the accuracy and consistency of the record shall be on the department. The hearing shall be conducted by the chief executive officer of the department or his or her designated representative, who is hereby authorized and empowered to order the amendment, expunction, or removal of the record to make such record accurate or consistent with the requirements of the Adult Protective Services Act. The decision shall be made in writing within thirty days of the close of the hearing and shall state the reasons upon which it is based. (1)(a) The accused may be arraigned in county court or district court:

(i) If the accused was eighteen years of age or older when the alleged offense was committed;

(ii) If the accused was younger than eighteen years of age and was fourteen years of age or older when an alleged offense punishable as a Class I, IA, IB, IC, ID, II, or III felony was committed; or

(iii) If the alleged offense is a traffic offense as defined in section [43-245](#).

(b) Arraignment in county court or district court shall be by reading to the accused the complaint or information, unless the reading is waived by the accused when the nature of the charge is made known to him or her. The accused shall then be asked whether he or she is guilty or not guilty of the offense charged. If the accused appears in person and by counsel and goes to trial before a jury regularly impaneled and sworn, he or she shall be deemed to have waived arraignment and a plea of not guilty shall be deemed to have been made.

(2) At the time of the arraignment, the county court or district court shall advise the accused, if the accused was younger than eighteen years of age at the time the alleged offense was committed, that the accused may move the county court or district court at any time not later than thirty days after arraignment, unless otherwise permitted by the court for good cause shown, to waive jurisdiction in such case to the juvenile court for further proceedings

under the Nebraska Juvenile Code. This subsection does not apply if the case was transferred to county court or district court from juvenile court.

If the county court or district court determines that the accused should be transferred to the juvenile court, the complete file in the county court or district court shall be transferred to the juvenile court and the complaint, indictment, or information may be used in place of a petition therein. The county court or district court making a transfer shall order the accused to be taken forthwith to the juvenile court and designate where the juvenile shall be kept pending determination by the juvenile court. The juvenile court shall then proceed as provided in the Nebraska Juvenile Code.

(4) When the accused was younger than eighteen years of age when an alleged offense was committed, the county attorney or city attorney shall proceed under section [43-274](#).
