Dear Judge Brown and the Youth Impact! Team:

Congratulations to the Douglas County Youth Impact! Team for 10 years of excellent service to the youth served through your program.

On behalf of the Nebraska Supreme Court, I am pleased to recognize the anniversary and the improvements the team has made for children involved in the court system. Your work has forged the path for today's crossover youth practice model, now replicated in four additional counties. You have also laid the foundation for the expansion of dual-system youth efforts throughout the state.

Your work in improving outcomes for dual system youth and your dedication to refining the process is both noticed and greatly appreciated.

Again, congratulations.

Sincerely,
