Nebraska County Courts Annual Caseload Report

Fiscal Year 2019 — July 1, 2018 to June 30, 2019

This Annual County Court Caseload Report contains caseload statistics for Nebraska's 93 County Courts, grouped into twelve Judicial Districts. Statistics are compiled through extracts from the JUSTICE automated trial court case management system. Providing court statistics ensures transparency to the public and assists administration in ensuring efficient court practices.

Caseload statistics demonstrate the volume of cases in each jurisdiction and the changes that occur over time. Data are useful in determining staffing levels and for predicting the effect on caseloads due to changes in the law.

Caseload data is now produced with a new, more reliable reporting software tool. Prior to FY 2016, caseload data was extracted and aggregated monthly through a programmed process. The 10 year history section of this Caseload Report should not be compared to reports prior to FY 2016.

Reports are available for all levels of state appellate and trial courts at www.supremecourt.ne.gov > Administration > Publications and Reports.

Mission of the Nebraska Administrative Office of the Courts:

Under the direction of the Nebraska Supreme Court, the Administrative Office of the Courts' mission is to ensure the public has equal access to justice, using leadership, education, technology, and administrative services to implement consistent, efficient, and effective court practices.
