

NOTICE OF COMMENT PERIOD

After conducting a comprehensive judicial workload assessment of Nebraska's district, county, and separate juvenile courts, the National Center for State Courts (NCSC) prepared a report titled "Nebraska Judicial Workload Assessment, Final Report, October 2020." That report sets out the results of the judicial workload assessment and makes several recommendations for a new weighted caseload model. A copy of NCSC's final report is available for review on the Nebraska Supreme Court's website at:
