Community Well-Being collaborative backbone

Collaboratives that are implementing full Connected Youth Initiative model

The Connected Youth Initiative (CYI) is a statewide system of supports and best practices to serve young people aged 14-25. Central Navigation is the access point for CYI.

WHAT ARE COMMUNITY COLLABORATIVES?

Communities bring all of the important players to the collaboration—nonprofits, teachers, doctors and nurses, law enforcement, businesses, government agencies, and most importantly, parents and youth. Local communities identify the missing pieces in services, develop long-term plans using the latest strategies and data, and work together. The community collaboration then agrees on common goals, measurements, and tasks—working together to make their community strong. To connect to your local collaborative, please contact the Coordinator in your area.

WHAT IS CENTRAL NAVIGATION?

Central Navigation is a single point of contact for children, youth, and families in Nebraska when they need help. Families can voluntarily choose to work with Central Navigation. They will work with one Navigator who will be able to connect them with many different sources of assistance. To get help, please contact the Central Navigator in your area.
