Child Welfare, Family, Juvenile Restorative Justice Overview

Juvenile/Restorative Justice Conferencing

Program	Description	To Initiate / Funding
Victim Youth Conference (VYC) - <i>May also be termed: Restorative Justice Dialogue (RJD), Victim Offender Mediation (VOM), or Victim Offender Conference (VOC)</i>	An evidence-based facilitated dialogue between a youth who caused harm and the victim. This restorative justice process begins with individual private meetings to determine appropriateness and process — joint conference, use of a surrogate, or relay. The facilitators assist the parties to identify the impacts of the youth's actions, and the needs of the youth, and how to address the harms of the victim and community. Results include reduced recidivism and high percentage of youth completing the terms of the reparation agreement.	- Court Ordered (pre-adjudication) / ODR - School/Pre-Diversion/Diversion / County-based funds or grant funds through ODR, if available - Probation Order (post-adjudication) / Probation
Truancy or Absenteeism Conference	A facilitated dialogue for students who have 5 or more absences and are at risk or already court involved. Participants usually include the youth, their parents/guardians, and school representatives. The goal of the conference is to learn the cause for the absences, and to collaborate on a plan to ameliorate those factors to help the youth be successful in school.	- Court Ordered (pre-adjudication) / ODR - School/Pre-Diversion/Diversion / County-based funds or grant funds through ODR, if available - Probation Order (post-adjudication) / Probation
Expedited Family Group Conference (EFGC)	An expedited and limited-scope facilitated planning meeting that engages the family and professionals to address immediate placement issues for a youth.	- Probation Order (post-adjudication) / Probation
Juvenile Justice Mediation (JJM)	Generally a one-on-one mediation between family members and providers, or family members themselves (youth and parents/guardians) to work on solving problems that are a barrier to a youth's success.	- Court Ordered (pre-adjudication) / ODR - School/Pre-Diversion/Diversion / County-based funds or grant funds through ODR, if available - Probation Order (post-adjudication) / Probation
Juvenile Justice Facilitation (JJF)	A flexible multi-party facilitation convening youth, parents/guardians, and key stakeholders to unravel conflicts and set a better course direction for the youth. A JJF can be used strategically at different times prior to a court filing and throughout the court case outside of scheduled court hearings.	- Court Ordered (pre-adjudication) / ODR - School/Pre-Diversion/Diversion / County-based funds or grant funds through ODR, if available - Probation Order (post-adjudication) / Probation
