

County Gov't Day held April 28 in FC

Dylan Frederick, of Lincoln, formerly of Falls City, was the guest speaker when 60 county high school seniors participated in County Government Day Monday, April 28.

County Government Day is sponsored by the Falls City, Shubert and Humboldt American Legion and Auxiliary units.

Frederick, a FC High graduate, is a legislative aide for State Sen. John Murante. His well-received talk in the District Court room centered on the workings of the Legislature.

The students were sworn into the Courthouse offices of their choice by County Judge Curt Maschman and the elected county officers briefed the students on the operation of the office they visited.

Lunch for the students was served at the Legion Club by ladies of the three Auxiliaries.
