

The Hruska Institute was established in 1995 through an endowment given to the Bar Foundation by the late Senator Roman L. Hruska. The purpose of the Institute is to educate lawyers, law students, and the public-at-large in Nebraska of the importance of the administration of justice, particularly at the federal level through the conduct of symposia or lectures. Institutes are planned cooperatively by the Nebraska State Bar Foundation, the Federal Courts for the District of Nebraska, and the University of Nebraska – Lincoln College of Law.
